BlackSDA _ 3ABN _ Doublespeak.... Your word is your bond....

Posted by: seraph|m Feb 20 2007, 05:26 PM

QUOTE(seraph|m @ Feb 8 2007, 06:41 PM)

Bystander, I have a number of questions for you in relation to your "critique".

It is my hope to address them with an unedited version, of said critique, to work with.

BRB...

First, Bystander, I thank you for sharing, your version, a fair and impartial view of truth to BlackSDA. We at BSDA, and all those who have and will come to view our humble internet home, will forever be grateful for ALL that you have shared. We will ever be reminded that, in doing so you have in fact, and in spite of yourself, revealed truth.

With that said let us begin here:

QUOTE(Bystander @ Jan 7 2007, 03:47 PM)

I am a new addition to this forum. Not because I want to be but because I cannot keep silent. Someone told me about this websight but I couldn't comprehend it so checked it out myself. ..."the 3ABN saga!!! I cannot begin to explain my shock and shame as I began to read what has been written here. The accusations, arguments, name calling and gossip has made me ashamed to be a Seventh Day Adventist. That a supposedly christian web site would host this garbage, and some of these people's comments is without excuse. this "forum" goes against any and all biblical principles and moral ethics. **I have read of an "investigation" of 3ABN and it's people by someone named Pickle and Gailon.** They have shown private emails, made info from private calls public, have insisted on answers from the president of the network, Danny Shelton, and have made statements that they would like to clear 3ABN if only they could get straight and clear answers. Well, I have some questions of my own. Who are Pickle and Gailon?

QUOTE(wwjd @ Jan 12 2007, 12:24 AM)

I'm not a SDA but years ago I had a friend who was, and left the church basically because of the judgmental attitude that she felt prevailed there. I learned of 3ABN a long time ago, began watching some of the programming,..... as I said, I'm not a SDA but as a born again Christian, I could never do what many have done to this family, even if everything that has been said were true

I've appreciated all of you who have taken a stand against **the devil's trash written on this web-site**, among the most recent being that written by the person called "Bystander". **Thank God for people like that** who aren't afraid to speak truth in defense of wrong doing.

Please click on the following words, noted below, which will be beneficial in our "speak truth in the defense of wrong doing" education process. And, as we seek to find the "biblical principles and moral ethics" which our dear brothers have been drawn to share with us on BSDA. let us be mindful of what

Jesus would do.

Now others will have some questions of their own, based on the above and a number of other posts.

Would anyone like to share what they believe we have learned from Bystander and wwjd who have presented themselves as sincere and upstanding paragons of truth?

interesting.... unpack that for us please.....

QUOTE(Clay @ Feb 21 2007, 10:49 AM)

Bystander and wwjd both join BlackSDA on the 7th of Jan. and the 12th of Jan., respectively. Obviously, based on those dates and their original statements they wish us to believe that they are two separate outraged and upstanding Christian men, who have been told about this terrible web site.

Accountability:

QUOTE(wwjd @ Jan 26 2007, 01:39 PM)

Yohann, You Are Wrong, Very Wrong... it would be best for you to drop that accusation. Consider your accountability to God and man.

My question is why did you both attempt to give the impression that you did not know each other? What purpose would be served in such deception?

Seeing that you are wrong, very wrong, can we expect you to drop your accusations against others on BSDA and consider your accountability to God and man?

QUOTE(wwjd @ Jan 12 2007, 12:24 AM)

...

Then I was shown this web site and was told it represents the SDA church. If it does, I am deeply grieved...

I've prayed...and have asked God if there was anything He would have me to do—**this is the answer He gave me through the night season.**

WWJD? What would Jesus do?...But in studying the Scriptures, I've found that it's Satan's business to put fear in God's people to keep them from doing all that God would require of them.

Please explain the above statements? wwjd, are saying that after being so grieved at what you saw here that you prayed and you were given instruction "through the night season" and "by studying the scriptures" that the answer you received from (God), the "He" you mentioned above, was to come to BSDA lying?

Are you telling us that you expect the members of BSDA to believe this is what Jesus would do?

Is it possible for someone who engages in doublespeak to realize that they are engaging in doublespeak?

QUOTE(Clay @ Feb 21 2007, 12:12 PM)

Well, scripture does say that a doubleminded man is unstable in all his ways... sad but true

Ah hah!

This will take more "careful" perusal...

Posted by: PrincessDrRe Feb 21 2007, 09:49 PM

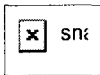

After going through all posts - I see just how "double-speak" is working w/ WWJD and Bystander....

I've learned a lot right there.

A whole lot....

Danny, with friends like Cindy, wwjd and Bystander, (the apologists) who needs enemies? Of course if you are one of them then you are your own worse enemy.

But by all means carry on, the fire needs more fuel...

QUOTE(wwjd @ Feb 6 2007, 12:02 AM)

... Calvin knows we use the same computer. **When I made the first post, I did not realize that Bystander had not logged out. Didn't realize it until I submitted the post and saw that it said "Bystander". Truthfully** I didn't even know how to go about changing an already submitted post to my ID, so I figured the easiest and quickest way would to be just change the wording...

This from a brother who originally claimed he didn't even "know" Bystander...

keep sharing those examples Sera.... they are quite telling.... it shows that the dannyscribes came to BSDA in the same spirit as Danny himself.... he came in telling lies, they have come in telling lies.....

We can only hope that those who are genuinely seeking the truth, behind the issues presented here and on Save3ABN, will take note of the clear doubleminded behavior of the dannyscribes.

At the time I made a post, after viewing it, decided it was not worth mentioning, appeared kinda silly.

Now, after reading the original post I decided that these two are doing a great job. Getting paid for a wonderful job well done. Hope it is a big paycheck. Or is it money under the table? That way they wouldn't have to report their job description to the IRS. (IRS would scratch their heads "mud slinger"??) Danny feeds them mud to sling around and they sling... sling...sling.

I bow down to the mud slingers

Too bad there isn't a cute emoticon slinging mud available here in BSDA.

But of course everyone here knows that so what I just wrote was kinda silly also.
silly=unnecessary

'eah.... it still appears kinda silly. Especially since you provided nothing but surmisings and unsupported accusations to support your own mudslinging about how they are being paid to post here...

Posted by: PeacefullyBewildered Mar 2 2007, 11:05 PM

Note to Calvin:

Boss, can we get an evil surmising emoticon, and perhaps a mud slinging one, too?

Seems like they would be useful for all.

How about a double mouth emoticon to speak out of each mouth.

This was the closest I could find to something lookin' akin to doublespeak....

If they are at work while posting on the internet - technically they are being paid to post here.....

Hats off for you, Bystander! You speak from your great experience in making wild assumptions. You are implying that truth is merely wild assumptions, and this is how you attempt to win the argument.
