BlackSDA _ 3ABN _ Is Anyone Doing The 3abn Timeline?

Posted by: daylily Jan 25 2007, 08:32 AM

Several posters talked about doing a 3ABN timeline of events to help put various events in perspective to each other. I hope someone can do that. A few events I would like to see on it so I can see the relationships:

1. Danny and Brenda working on the new building late at night
2. Linda and Brenda's trip to Norway-departure and return
3. Where was Danny during this trip?
4. Where was Brandy during this trip
5. The demonic attack that Brenda says happened to her
6. The visit to Linda to try to get her to "confess" so Brenda will be left alone
7. When Linda left her home the first time due to harassment or whatever
8. Brenda introduces her husband on a live-air program as "the best thing that ever happened to me". She says everybody wonders if "Miss Brenda has a husband" so she wanted to show that she did.

We began working on a timeline over at Maritime SDA OnLine a short while ago, and we are still working on it.

Posted by: daylily Jan 25 2007, 02:18 PM

Thanks Daryl! I'll go over there and see what you've done.

Posted by: daylily Jan 25 2007, 05:29 PM

Daryl, how do I find the timeline on Maritime?

Posted by: lookin4truth Jan 25 2007, 05:35 PM

Her is the post daylily

Thanks for the link but even though I logged in, maritime tells me access is denied:(

Posted by: Daryl Fawcett Jan 25 2007, 06:49 PM

You should have access there.

Let me check your profile there.

Everything looks OK there, but you need to be logged in there in order to access it.

Posted by: daylily Jan 25 2007, 07:03 PM

Daryl, when I log in, the page still says "you are not logged in", no matter how many times I log in.

Daryl, I just linked with your in-progress time line thread. Great job! It is a shame that the GC photo link on mylittlefriend's first post isn't working. It would be nice to see if there are any photos of Linda's hands.

daylily,

As I said in my reply to your Anonymous post there, if you are using a firewall, or some type of security settings on your browser, or both, you may need to set your permissions on your firewall/browser to allow you to log into Maritime SDA OnLine.

Others had that type of problem, therefore, that may also be your problem there.
