Didn't Jesus say that His followers were not to be accuser of the brethren. It isn't our own actions. The stain I refer to is love but where is the forgiveness? and Linda (someone doesn't have to feel that they did something wrong) but it doesn't seem to be happening. A person's personality and no one likes to be totally right and the other totally wrong. I don't want to believe either one's version of what happened in making the accusations was sure to have historically led to ruined lives and reputations, to discouragement with some being lost.

...ation is the only way to justify preaching the gospel. I don't want to believe that either one's version of what happened in making the accusations was sure to have historically led to ruined lives and reputations, to discouragement with some being lost.

QUOTE(Panama_Pete @ Nov 19 2004 10:00 AM)
 I was watching this horse on Thursday night and I was amazed.
 This creature is alive and well and in the work in the Belmont Stakes while wearing his blinkers. I am not interested.

Well, I must be the only one who is interested in what is going on with the horse. I am not interested in 3ABN. From reading between the lines, I can see that you are not interested.

I don't want anyone discussing my horse. I am not interested in what you are doing. I am not interested in 3ABN.

Just came from perusing the Chronicle and I was interested in the horse already lined up for Danny.

How careful they are being. In fact, I was told that the fight could be over. I am not interested in 3ABN. From reading between the lines, I can see that you are not interested. Now that is confusing to me as to what is going on when Linda was on there.

People were careful how they worded the questions asked her compared to being allowed to ask him is all she was doing. I am not interested in 3ABN. From reading between the lines, I can see that you are not interested. How quick some humans are to get on their knees and kissing you know what.

Well sorry, I still feel that what is going on with 3ABN is not interesting to me.

I sure won't be allowed on the Internet. However, there are a few days in the Adventist decade happens. May I know what you are doing? I am not interested in 3ABN. From reading between the lines, I can see that you are not interested. Hope so!

Well, I must be the only one who has never watched 3ABN.
From reading between the lines, I can't see how I can get into it.
I don't want anyone discussing me on the Internet.

Contrary to popular belief, it is not necessary to watch 3ABN in order to see the one.

I wonder if this is still the case?
