### BlackSDA \_ 3ABN \_ 3abn Back On Skyangel/dish Network

---

**Posted by: mozart May 23 2007, 02:24 PM**

Got this email from Flo Cunningham/3ABN today:

**Check Dish Network and/or Sky Angel channel #9710 and let me know if you can now bring in 3ABN.**

Time for us to write all those letters about how much we miss Linda and Barbara Kerr's cooking progs.

---

**Posted by: Pickle May 23 2007, 03:55 PM**

I can't seem to find anything about 9710 on either DishNetwork or SkyAngel's websites. Maybe they are a little slow updating their websites.

Anyone confirm reception?

---

**Posted by: Pickle May 23 2007, 04:22 PM**

Of course, someone at Dish Network could be mistaken, but here is what their online support is saying:

**QUOTE(Dish Network)**

I apologize for the inconvenience, we do not have this channel.

After posting for him the announcement at <http://www.3abn.org/announcements.cfm>, he replied:

**QUOTE(Dish Network)**

Please give me two minutes to check this information for you.

And then he responded with the following:

**QUOTE(Dish Network)**

Thank you for your patience.

I apologize for the inconvenience, we do not have any channel an or channel number 9710 is available with us.

It appears to me that they are saying that they don't have a channel number 9710. When asked about this he said:

**QUOTE(Dish Network)**

Yes, we as Dish Network do not have 9710 channel listed.

It could be his lists aren't updated yet. So I asked him how often his lists get updated:

**QUOTE(Dish Network)**

Well, whenever there is any change in programming we get the information immediately.

But we haven't received any information on this channel.

<http://www.dbstalk.com/showthread.php?p=936217#post936217> shows certain data being uplinked a week or two ago.

<http://www.dbstalk.com/showpost.php?p=936417&postcount=31> suggests that 3ABN could be seen on 9710 as early as May 10. But this was apparently based on a guess, not on any official announcement from Dish.

The thought of Linda Shelton and Barbara Kerr coming back to 3ABN to do cooking programs again.

Yes, it is on Dish 9710. Don't know about Skyangel.

**Posted by: FineArt May 23 2007, 07:32 PM**

Yes it is on. I was just watching it. It is on the station right after SAFE. They are beginning the "Spring Campmeeting". I just tuned in while the beg o thon was going on and Danny and Walt are going over the 3ABN board they are so proud of that has been with them for over 20 years. then we have apologies for being just sinners like Moses and David but that God could use them in spite of themselves....if not then they would not be blessed and be gone. Satan was attacking them for he was angry because they were spreading the undiluted truth that "counterfeits the counterfeit" [whatever] and on and on. and on .....Melody came on to sing and I turned it off. There is going to be camp meeting I guess through the week end.

I remember a year ago or so when Danny had his whole family on and it was a musical. singing the old favorites and family favorites....Danny introduced the members one by one and when he came to one of

his brothers, D said "this is the quiet one, he never speaks up..." After the introduction, the brother said, "how can anyone speak...your always talking." I think of that everytime he has the mike and that is what was going on.

The room was full where the cameras were focused. I pray God will Bless.

Yep confirming here my parents report getting it on skyangel and happy campers they are.

Suggested they let me know if they saw Brandy around.

**Posted by: mozart May 23 2007, 08:13 PM**

yes it's on. i checked before i started this thread. we have skyangel and mooses said it would come in on either dish or skyangel receivers.

I have been wondering that myself...WHERE IS BRANDY? I noticed several weeks ago that hers was the voice reading verses of scripture during a "bumper" (between-programs) moment. After that, nada.

Anyone know what's up?

Blessings,

I assume that Brandy will be in town for campmeeting as her daughter was visiting my kids last night in T'ville where they all go to school together every day.

A relative just called to tell me that 3ABN is back on their SkyAngel dish on 9710.

From the beginning, when Sky Angel first dropped eABN, I seem to remember that Sky Angel had said that 3ABN might be granted space for 'special events'. Is Spring Campmeeting a special event? Will 3ABN stay on 9710 after Campmeeting or will that spot be saved for other people's special events? I am waiting to see what happens in the future. How can we get confirmation from Sky Angel for the future of 3ABN being regularly on 9710?

Summertime,

I think that is an excellent question and one I too have been wondering about. I just got back from my parent's home and they are glued to the tv rather than attending sabbath services at their local church.

Has anyone listened or taped all the campmeeting programing? One would think that DS or someone would be making this a major announcement if they were back for good rather than for just this special event. Would that not be a reason for asking for more \$\$\$? (My parents are so thankful I am sure they like many will be opening up their limited checkbooks this weekend.) Or to show how God is using DS and 3abn to reach so many despite all the trials Satan has put Danny and 3abn through recently as the result of all those terrible, lying, rumoring people on the internet?

BTW, I did see Brandy was there last night so those close to 3abn don't seem to have their facts always straight either. Imagine the rumors that might or could have caused.

**They are on. Ultra Conservative. The make up artist has used a putty knife to scrape make up off of the women, even Mollie, Melody & Tammy!. I did not recognize Mollie! I did recognize her voice. She said she had been throwing up, but hadn't thrown up today! Then in the middle of her Sabbath school lesson, she put her hand over her mouth. I closed my eyes not knowing what would happen, but she continued to talk. Was I glad! I hope she is OK by now. There is NOTHING worse than throwing up! It takes everything out of me. She has my sympathy.**

**How long has Mollie worked for 3ABN? She said she became a Seventh-day Adventist only in 1999.**

**Programming has changed. I see some good improvements. Most of the changes have been good. Not enough to make me change my mind and send money though.**

**The message I am receiving, in my thoughts only, is that they are saved by grace and are repentant and forgiven.**

**They had a new (to me) marriage counselors. They talked about marital intimacy. Lusting in your heart is grounds for your spouse to divorce you! Hum...**

**They all were very clear that they are Seventh-day Adventists. There are definite changes over the past month or so. They are still really proud of what "they" have done.**

**Over all I see some positive things going on if they are real and lasting. I still believe management needs to see a permanent change and not just temporary.**

t999 to BlackSDA forum. Hoping to hear your thoughts soon. Have a wonderful Sabbath.

**Posted by: Fran May 26 2007, 09:09 PM**

**I guess I spoke too soon! Tonight I was watching and the makeup is back on. Tammy still had a clean face though.**

**The music was good. Tammy sang her husbands favorite song. It was about an old man that was longing for home. It was a touching song. It made me homesick for heaven. It was a moving song.**

**Jennifer sang "I bowed on my knees and cried Holy." One of my old time favorites. When I first heard the song, I decided I had to have that song! I looked for it in every hymnal I could find. I searched for years and never let it leave my mind.**

**Years later, one Sabbath, we were listening to an Adventist station on the radio. Someone sang that song. Over 29 years had passed. I grabbed the phone and called them to find out the proper name. I had been looking for "I want to see Jesus!" That was my hearts desire so many years ago and still desires today, after so many years.**

**Jennifer sang it so well! Thank you Jennifer!**

**The other ladies name could be Patty/i La Forge. I am not sure of the correct name or spelling, but when she and a gentleman sang "I've Just Seen Jesus, I Tell You He's Alive" new hope filled my heart. Sometimes life gets in the way and I forget that Jesus IS alive!**

**John Lomacang came out to sing after that, and I felt sorry for him. That song was such a sermon! Years ago John Lomacang sang with a young lady and they sang "He's more Wonderful" and it was and is a powerful song. Another couple of the Heritage Singers also sang that song. It is a very powerful song.**

**I have pictures of John with the Heritage Singers from way back when! They came to town, and by default, we were forced to go for the kids! My oldest daughter was in "Love" with him! They even have autographs by him and Becky Trueblood. I have been to many concerts! We have lived everywhere and have had many occasions to hear and see them sing.**

**Once we went to a Spanish gathering in New Jersey. We heard them sing and then we heard a Spanish sermon about Samson. There was a translator for all us that were English speaking, but Spanish challenged! The preacher was speaking very frankly and the translator couldn't say what the fellow said. He was very embarrassed. The speaker stopped and asked why he**

was so tongue tied and said what he had said in English. Laughter rang out all over! It was a sexual comment. +It was so funny! I am not sure if John was there or not. Will have to look at my pics.

I did receive an spiritual blessing from many today, but I have to say, the change is probably not long lasting. Did the make up go off for the conservative believers to have a revived new heart in their wallets for 3ABN? I do hope I am wrong.

How long has Mollie worked for 3ABN? If i am not mistaken, mollie has been there practically since the beginning. i think she was danny's first and only secretary until linda was forced to leave, then mollie got "a promotion".

she was not an adventist, she was pentecostal. her husband hal was a pentacostal pastor. She said she became a Seventh-day Adventist only in 1999.

3abn is back on, on a regular basis. Danny has announced it several times that they are on 9710 and dish network now. Dish will be a huge new audience.

No mollie hasn't been there from the beginning. She has been there between 10 and 12 years. Also her promotion had nothing to do with Linda leaving. Linda was vice president not General Manager as mollie is.

ok steffan, so who was GM when Linda was there and what did they get promoted to when she left?

Steffan, if you are right and they are on for good, and if the 'merger' between Amazing Facts and 3ABN comes to fruition, then I pray that the combination will mean the saving of many souls for Christ. How I feel about Danny (and others) admitting their wrongs and quit hiding behind a veil of sin has not changed, but the realization that many souls can be saved for Christ is far more important---Let Danny (and others) pay for their deceit and lying in God's time. Maybe our prayers should be that Danny and others will admit and look for forgiveness, and all of us can find our way to heaven. As for me and my house, I only want the best for Jesus. And if that means the restoration of 3ABN on Sky Angel permanently then I pray that it is true.

PS. I will still be watching the Hope Channel and Safe TV for blessings from God.

I totally agree and would like to add that in "my ideal Christian" world.....

ALL representatives who work at 3ABN and have maligned others should make amends with those dear souls, on the "airwaves". This includes DB since he was involved in the "love fest" on the live program where they all said how much they loved and supported one another "and always will". Is their love so conditional that it does not include linda, barbara, darrel, johann, GJ and BP?

In any situation there is wrongdoing on both sides, but the ones who put it out there on a worldwide Christian television network are the ones who should make arrangements for amends and restoration, "on air", on that network!! that would be the best thing they could do. Having an "on air" apology and forgiveness program would be the most amazing example of Christianity 3ABN has ever expressed. They don't have to get into any details or diatribes or mushy, teary hug fests. They just need to sincerely admit, "I was wrong in the way I treated you and in the conclusions I jumped to. I made a lot of mistakes and handled things badly and I apologise and ask your forgiveness." Then the other person, in turn, should say the same things. That would only take 5 or 10 min. It would please God which is invaluable and it would be do more for healing 3ABN and all of us than anything else they could do.

It would also be 1000 times better PR than all the money in the world can buy. Known sin has to be repented of. There is no way around that. If pride stands in their way, they will regret it.

Housecleaning would still need to be done, but restorations and apologies should come first.

The hearts and souls of people are much more valuable than the financial problems even tho' those need to be dealt with. **Both sides need to remember they are representatives of Christ!!!!**

Can any of them step up to that high of a standard?

Maybe I'm a fool for Christ, but I have hope and love for my brethren and I hate all of this.

I want to love and trust again.

I want to see Linda back on the porch and Barbara back in the kitchen.

Cynics will say "Dream On" and I will.

mozart, I agree with you 100 percent. However, until that time comes, this panel should stand firm for recognizing the wrongs that have never been made right. But until then, I will pray for the work to go forward. However that may be--- even though my choice is never to watch anything that is produced at or by 3ABN, if it is the Lord's will that it be back on Sky Angel, then I hope that the name and face of Christ will be visible to those who do watch it. Danny's life does not portray the life of a Christian but if those who do watch :an look past that and learn the truth from the honest people who do speak on 3ABN,--then I think that God's name can still be honored. ---We so very often get in the way of God. Man has his own ways and inspired council is laid aside, I wanted to post the " 5 minute miracle" but didn't want to take it out of context...the following is so true, I need my heart softened. I need to remember this quote , over and over again....so many times. □  
Patience is not my long suit.

I saw that the remnant were not prepared for what is coming upon the earth. Stupidity, like the lethargy, seemed to hang upon the minds of most of those who profess to believe that we are having the last message. My accompanying angel cried out with awful solemnity, "Get ready! get ready! get ready! for the fierce anger of the Lord is soon to come. His wrath is to be poured out unmixed with mercy, and ye are not ready. Rend the heart, and not the garment. A great work must be done for the remnant. They are, many of them, dwelling upon little trials." Said the angel, "Legions of evil angels are around you, and are trying to press in their awful darkness, that ye may be ensnared and taken. Ye suffer your mind to be diverted too readily from the work of preparation, and the all-important truths for these last days. And ye dwell upon little trials, and go into minute particulars of little difficulties to explain them to the satisfaction of this one or that." Conversation has been protracted for hours between the parties concerned, and not only has their time been wasted, but the servants of God are held to listen to them, when the hearts of both parties are unsubdued by grace. If pride and selfishness were laid aside, five minutes would remove most difficulties. Hours have been spent in justifying self, which has grieved angels, and displeased God. I saw that God will not wait and bow down and listen to long justifications, and he did not want his servants to do so, and precious time be wasted, that should be spent in showing transgressors the error of their ways, and pulling souls out of the fire.
