"1) I still have people coming to me and telling me that the satellite problems that 3-ABN has had are related to Linda.

Let me say again, Linda is not powerful enough to take 3-ABN off of the satellite. I accept as truth what 3-ABN, and others have said that the problems are problems with the satellite.

2) This week-end the story went out that Linda had married the Doctor. At

one point it was published on the Internet. That story is 100% false. Linda has not remarried. She does not have any plans to remarry. She is not planning to marry that Doctor.

3) At the present, Linda is actively engaged in ministry. This last week, she was in Kansas, and she is available for booking in SDA Congregations throughout North America. If you would like to discuss the possibility of her presenting a program in your area, you may contact her at her website. [www.lindashelton.org/](http://www.lindashelton.org/)

4) Linda is also developing in connection with others, a ministry to abused women. As I write this, plans are being made, in connection with an official organization of the SDA Church for Linda to produce a series of television programs on this subject. You will hear more about this as these plans develop.

5) While things seemingly are going well for Linda, I encourage you to remember her in your prayers. In the past public announcements of concerts that had been arranged with Linda has resulted in some attempting to have them cancelled. It is for that reason that I have not be specific in statement # 4.

6) Let me share something quite personal with you-all. At an earlier time in this sad sage, at a time when Linda was quite down on what was happening to her, she felt that the Lord was very close to her, and impressed her with a message. That message was the she had more to endure, but that the time would come when the Lord would restore her to her place in ministry. She has not understood this to mean that she would be restored to ministry at 3-ABN, a ministry that she, with Danny co-founded. But, she has understood this to mean that she would be restored to ministry, as God felt best. She believes that she is seeing this take place.

7) Remember her in prayer, as there are probably those who will attempt to prevent her from doing ministry.

8) God is in charge, and His purpose will be accomplished.

Of course that has NOTHING to do with it! This same thing happen with 10 of SkyAngels contracted satellites...10 ...7 were restored on their same frequency, and three had not--HOWEVER 3ABN was given an alternate Satellite frqency so that the 10 Commandments Weekend Program would be aired....Please ask whoever it is to relax and let go of the "conspiracy theory"--it is not Christ-like at all...

I've spent hours talking to Linda - what continues to amaze me is her stillness, quietness, patient spirit. She could be saying and doing things to deliberately hurt or bash many who have betrayed and her her(and not just Danny) but she doesn't. She knows this isn't her battle. This is God's battle. She has a confidence and PEACE that can ONLY be a gift of the Spirit of God. I would only hope to be in this kind of christian spirit if I were in her shoes. God is working in her, and He will have His will done concerning her because she has stayed close to him, and is so committed to His will that she is not shaken. People could learn so much by her example if they could see. Their mouths would be shut like the lions mouths were. She has been a blessing to me, her witness of Jesus is nothing short of a miracle.

Yes, indeed. My first contacts with her were within only a few months of the divorce, and even then I was impressed by her attitude of confidence in the Lord and her forgiving spirit to all who had wronged her.

What most don't know is the burden she carried for Nathan during the last 5 or more years of her TV ministry when his drug addiction was so out of control it was endangering his very life. 3ABN watchers only saw a calm, serene Linda, holding her Bible, reading promises, and giving her little comments about them. Who could have guessed that she was reading those and clinging to them as a very literal life-line for herself while the concern for her son and the turmoil of her seemingly complete inability to do anything to help him raged within her, totally hidden from viewers.

Small wonder then, when she heard of a doctor who was having success in working with young people, including those with problems like her son's, that she grasped at the opportunity to get the two of them together.

Shame on those who are bearing false witness if that's what it is. You sound as if you are an official, iei approved spokesperson for Linda. If so, please just state for the record so I can take a closer interest in what you write.

Spokesperson or not I think it is a bit careless make definitive statements as to Linda's marital future. If Linda's turns around and marries the doctor that would not necessarily shed light on the problems she and Danny were having.

Danny divorced Linda and he bears full responsibility if she ends up in an adulterous marriage.

If you want to be the head you have to bear the headaches.

The person who made the statement (not Observer who merely copied it to BSDA) **is** in a sense, somewhat of an "approved spokesperson for Linda" since he is the moderator of the 3ABN forum on CA and checks things out with Linda as to their accuracy before saying them.

5

But I think the point is that, as Johann stated, both Linda and the doctor have plainly stated that they do not have intentions of marrying each other.

One thing confuses me in your statement above. about Danny bearing full responsibility "if she ends up in an adulterous marriage". Did you mean to say if she **had** --past tense-- married the doctor before Danny remarried? Since Danny has remarried now, how could Linda, who is still single, "end up" --future tense-- "in an adulterous marriage"?

Thanks in advance for clarifying your thought on this.

She is absolutely right according to what Jesus taught but most people overlook this. Divorce is NEVER recognized before the Creator because it is the death of a union. Even though you are divorced you are still married before the Creator. Jesus plainly said that if a man puts his wife away he causes her to commit adultery, unless he had divorced her because she had committed adultery. This passage has been erroneously interpreted to teach that the Creator approves of divorce if adultery occurred. All Christ was doing was clarifying who would be held responsible for the adultery. **There is no such thing as acceptable divorce for biblical grounds. In other words, Danny bears responsibility for his adultery and for Linda's, should she remarry.**

Do you believe that if Linda should remarry it would add to Danny's sins?

I can only expand on what Jesus is reported as saying. Since Danny put Linda away and it was not for marital infidelity her adultery will be his responsibility. This is as plain as day.

Well sonshineonme I guess that you have been snowed. Beware! Eye Witness has proved that Linda is involved directly with what is going on in this site. Maybe you just haven't gotten your turn yet! Deliberately, she did what she did to Eye Witness friend. Linda must have another definition of deliberately.

Teresa Reiman

You are getting more and more interesting, Teresa - or amusing. Yes, someone saw that e-mail you are referring to and made the mistake, as you see it, of taking the wording at face value. That person had no idea the e-mail meant something else than what it said. Who could know that? As far as I know Linda had nothing to do with bringing this to BSDA, because she is never here! So you are making an argument that you know nothing about.

In passing I heard a spiritualistic medium speaking on the radio just as I am writing this. Demonic? Reminds me it was, according to Pastor John Lomacang, a demon that appeared at night to Brenda that started this whole thing back in 2004. It is amazing how many of you have followed the leading of that demon until this day! **Back in 2004 I warned the leaders of 3ABN not to follow the leading of a demon, but I was told that the demon could be of a great benefit to 3ABN!**

And it now even looks like we need a demon to interpret that e-mail you are referring to in order to understand the whole matter your way!

Hi Teresa,

I am truly just trying to keep up here in a sincere search for the truth, and I think I have missed something somewhere. How has Eye Witness proven that Linda is involved here? This is an honest question.

I could be mistaken but what other conclusion can be drawn? Got any ideas? Johann, Do you think Linda has been under any stress?

You know, sitting here thinking about the stress that you and the "family" have put Linda under the past almost 3 years, I've thought of something - IF she were going to do something because of it, it would not be so subtle

as posting some email....and I think you said something about "I could be mistaken". REALLY? Did you really say that???? There are plenty of other "conclusions", but I think you have no real interest in the truth.I would rethink your assessment.

Uh Teresa, earlier today you were in LC talking about the people who were really trying to find out who you are. Well, I didn't have much time to read too many posts at work today, but since I have been home, I have read several posts where you are trying to that Sister is Linda, or somebody( not that it hasn't been said before). So now I think it is you( the latest team 3ABN) who has come to at least figure out if one of the pepole posting information is Linda, or acting as her agent. I don't think anyone would try to find who you are if you had not been trying to identify members here first.

Snoopy please bear with my english. I am not good and many have let me know, so please just be kind. In the Save 3abn page/thread you will find where Gailon Joy posted a comment from Eye Witness' friends email. There are several posting from Eye Witness there. Eye Witness has stated that it was a personal email sent to Linda Shelton and it ended up on this forum. Sooo if the email ended up here, then either Linda is working closely with Gailon, Pickles and who knows who, **or she is part of all this herself.** Either way she is contributing to the Bashing. What is really sad is that I guess that she felt this personal email, which really wasn't anything, would be so proving to her/the case. Teresa, personally I believe you are Teresa Shelton, the writer of the email in question and as such know where all the bcc's went to with the obvious inclusion of "Eye Witness", but that is just my opinion. If you are trying to veil your identity with the inclusion of "Danke Schon" at the end of your post, suggesting that you are German, it doesn't fly for a number of reasons. One reason is that the word order mistakes or grammatical mistakes that would be typical in the posts of a native German speaking person are not there. In addition to that a German speaking person would not have written "Danke Schon" in the same manner that you have written it. The errors you have made in your posts are more indicative of a poorly educated American, rather than a foreigner whose mother tongue is not English.

Also, Teresa you keep ignoring my questions in another thread in regard to what you think I was implying Rick Shelton could write about his "father" if he choose to do so. Only someone in the Shelton family would have made the assumptions that you made in regard to what I had written, a friend of the Shelton family would have remained silent. That is a secret that you never should have so publicly alluded to in an open forum, if you were trying to keep your Shelton family identity a secret.

It appears that the Shelton family are closing ranks and trying to do all the damage control they can by attempting to draw our attention away from the main issues of what is being revealed about the Shelton brothers and like a magician trying to redirect our attention somewhere else, place the "blame" for the revelation on Linda. **It appears that the Shelton's are trying to convince us that child molestation is not the crime, but that blowing the whistle on the alleged victimizer is the crime.** Sorry, Danny, but I find such an attitude perverse coming from the midst of a self-professed Christian organization.

Teresa Reiman

Well, Teresa, let's take a look at the definition of this condition that you have invoked:

snow (sn)

n.

- 1. Frozen precipitation in the form of white or translucent hexagonal ice crystals that fall in soft, white flakes.
- 2. A falling of snow; a snowstorm.
- 3. Something resembling snow, as:
  - a. The white specks on a television screen resulting from weak reception.
  - b. Slang Cocaine.
  - c. Slang Heroin.

v. snowed, snow-ing, snows

v.intr.

To fall as or in snow.

v.tr.

- 1. To cover, shut off, or close off with snow: We were snowed in.
- 2. Slang To overwhelm with insincere talk, especially with flattery.**

Sister

Teresa, who is attempting to snow who?

I can understand how hard it must be to see a beloved family member in danger of being brought to justice for allegations that expose actions that are contrary to God's law. I can also understand how that beloved family member's accountability for the alleged indecent, abusive actions against children and young men would be minimized by his family due to the abuse that the beloved family member had suffered as a child.

I know that blood is thicker than water. But why make it thicker than the Living Water? **By minimizing this brother's actions against his alleged victims, by attempting to cover up those alleged crimes by denial and intimidation, you are all in danger of experiencing a most deadly Drought!** IMO

Sorry, Mr. J. I haven't been around long enough to know one "camp" from another yet. I am still searching and reading and trying to catch up. I have some experience with 3ABN, and I truly believe in its ministry. However, my own time there raised some questions in my mind which is why I am here.

All I was trying to say to "Ms. Reiman" was that I empathize with "her" ability to express herself, especially if English is not her first language. Who knows - the English thing might just be a ploy. I believe that I am far behind on this unfolding story, so if my comments aren't appropriate, please accept my humble apologies. I am just snooping for the truth...

Since there are so many German speaking people on BSDA, perhaps you would all like to invite Teresa to the LC so she can write in her "Mother Tongue" with all of you. Teresa, we are all waiting to hear from you... Oh, I forgot, the Shelton Clan is from southern Illinois, not southern Germany!

Sigh... many of my ancestors were German- speaking German/Prussian folk and I always got a kick over how they restructured their English sentences - "Up on the car you must get" for example, but I never picked up the language myself. My pitiful attempt at a translation of your statement comes up with "I think not that she speaks German...I understand this because of her faulty wording..." Am I even close?

Okay, you caught me!

I've always enjoyed languages and have watched many subtitled German documentaries, so I guess I picked up a few words that way. What I think I do know is:

Ich = I  
nicht = not  
sie spricht deutsch = she speaks German  
werden = wording, I think

The rest I just guessed at. Guess you all could tell.

Aw, thanks. I did hear German from time to time as a child but it didn't stick too well. One of my favorite stories about my great grandfather happened shortly after he moved his family out to California from North Dakota in the early part of the 20th century. He was driving his car into the garage when everyone inside the house heard him yelling (in German, of course) "Whoa! Whoa! Whoa!" followed by a huge crash as he drove through the back wall. He had only had the car for a little over a month and was still used to the team of horses that pulled the wagon on their farm, not the horses under the hood!

But now I have strayed  again.

I'm sure Johann can tell you some things with regard to Linda, but I can also tell you that she is doing very well! She is busy and doing things she has wanted to do for some time. She knows that life is not easy, but that God is good, and she trusts Him completely. Her faith has grown and it's a blessing to me. As for her personal website, she plans to update it soon.

Liinda is still the remarkable woman she was for thousands of viewers around the world. She is more confident today that the time is approaching when not only her closest friends will believe she was wrongfully fired and dismissed as a wife and as a producer.

You will notice that even those of Danny's friends who appear here on the net are no longer attacking Linda the way they used to do, but they are merely trying to confuse things by stating that Danny and the Sheltons are not being treated as they "deserve"!

Since there are so many German speaking people on BSDA, perhaps you would all like to invite Teresa to the LC so she can write in her "Mother Tongue" with all of you. Teresa, we are all waiting to hear from you... Oh, I forgot, the Shelton Clan is from southern Illinois, not southern Germany!

Sister

Hey, Sister, what's "the LC" where all of us German speakers can meet?

I do find it a little strange that a German speaker who has trouble with English would write "You've been snowed."

It took me a *long* time to understand English slang. I remmber being puzzled by "hot dogs" -- heisse Huende?? But maybe Teresa is much brighter than I.

Also, Teresa, wenn Du wuenscht, kannst Du gerne auf Deutsch schreiben. Einige von uns werden Dich gut verstehen, und wir koennen dann ueberzetzen.

not know it?

Well, Teresa, let's take a look at the definition of this condition that you have invoked:

People at 3ABN were wondering why Danny and Breda were spending so much time together... after she and Linda returned from Norway. So this had to be cleared.

Then one night at two in the mornig Brenda called Pastor John Lomacang, told him there was a demon in her house who had thrown down a basked. This made her so uncomfortable that she had to call the pastor to confess her sins.

8

She did not confess her own sins, but made, what I regard as false accusations against Linda, and these fictitious accusations started the whole affair. After John Lomacang had told me on the phone of this happenig, I called Dr. Walt Thompson and indicated that it would not be safe to let a demon direct such accusations against Linda, since I knew from my own experience that some of these accusations were utterly false.

But Walt insisted that the demon was to be trusted and that he could help 3ABN.

A private e-mail to Linda get's published and Linda had nothing to do with it? Bob e-mails questions to her and posts her replies, and she had nothing to do with it?

I guess we're all stupid again?!? 

Somehow, www.lindashelton.org continually get's updated in sync with what is posted both here and on MSDAOL, and that has nothing to do with her either, and she knows nothing and contributes nothing, even though D. For what it's worth, the account of Brenda traveling with Linda and of Brenda having a frightening night encounter which caused her to call John Lomacang and "confess" Linda's "sins" sounds the same as when I first heard it more than two years ago. And that Brenda spent an uncommon amount of time with Dan appears to be common knowledge, seeing so many mentioned it. (Brenda seems hardly shy, having the gall to invite Dan to her birthday party without Linda, **while Dan & Linda were still together.**)

8

So what did **you**hear/read before this?

Ah, I get it! From my experience with you on the Maritime forum, I suppose you are right. Johann didn't use **precisely** the same words. And that apparently makes a very big difference to you.

But then, this isn't about being letter-perfect. We're more interested in accountability and transparency, even if that requires us to do think about what is said, rather than do a word-for-word comparison.

Hi Inga, LC is Live Chat. Sorry but I have to correct on something above. **The birthday party was for Dan's birthday in May 2004, given by Brenda, but you were correct that Linda was not invited. But I guess since she was spending all that time alone, at night, in her apartment with Dan she was brazen enough to throw a birthday party for her "special friend" and not invite his wife. You would think that that would qualify as SPIRITUAL ADULTERY in Dan's book.**  Oh, sorry, I forgot that he writes the rules, he doesn't live by them.

Cindy, you told me you live with your mother. Does that mean that should you tell me more details of that later on, then you are merely spinning on to your original tale?

I may not have told in details of my phone conversations earlier. Am I therefore forbidden to give more details at a later date? Or is that merely just you, as you say? Does it chock you too much to learn how all of this happened?

Uh Teresa, earlier today you were in LC talking about the people who were really trying to find out who you are. Well, I didn't have much time to read too many posts at work today, but since I have been home, I have read several posts where you are trying to that Sister is Linda, or somebody( not that it hasn't been said before). **So now I think it is you( the latest team 3ABN)** who has come to at least figure out if one of the pepole posting information is Linda, or acting as her agent. I don't think anyone would try to find who you are if you had not been trying to identify members here first.

I have to say **this is wrong.**

As a member you can have whatever opinion your want, but as moderator, should it matter who did it first or who you agree with when it

comes to correcting someone?

I know you are quick to say "bring in the next team", but unfortunately you only say that to those who ask questions and don't agree with all the Linda supporters. "Don't even try to figure out who Sister is, or you deserve to have people try to expose and identify you"? Why is it you can continually accuse others of who you think they are, and don't accept others doing this, unless they have your opinions, while finding fault with ONLY those who question who those you agree and sympathize with are?

Is saying this gonna get me in trouble?

I agree this whole identity game is tiresome and gone on far enough. I found it amusing at first but not anymore. So everybody STOP the accusing and implying the identity of someone no matter how subtle or boldly done. I am beginning to think that some of you have an agenda to seek the identity of other, I will ban you from BSDA if I continue to suspect you of this.

Everyone here can be as private or open with their identify as they want to be. My only requirement upon registration is that you identify your gender, THAT IS ALL and it will have to be good enough for everyone else too.

Now back to the topic at hand, what ever it was, but I know it was not this.

Wow! I knew about the courteous demon who called several times and said "Please stop" showing your programs, but I didn't know of the one that threw down a basket at Brenda's apartment.

If Walt believes that this demon is to be trusted, I guess we'd better let him know that a demon over in Oregon told a former SDA pastor that "The Bottomless Pit" is in The Bermuda Triangle!

Uh No, Cindy saying this is not going to get you in "trouble". I really don't try too hard to figure out who anyone is. Fact is, as Admin, I don't have to, so much of what you addressed to Clay is pointless. The only thing I was saying to Teresa is that she was complaining about folks trying to find out who she was when she, like you, came on doing that same exact thing. Cindy you came asking for first hand evidence, when given it, you retreated into, "I don't know who you are because you use a screen name" Like they were just going to tell you who they are just to get your approval. Not!

But you are right, for the most part everybody' been tryin gto "guess who". I really don't care who everyone is individually. I just know when someone has been "sent" byt the "other side"(for lack of a better phrase). You all have the

same agenda, come in, deny everything and then discredit the posters without responding to the posts. All you all have to do is answer with opposing evidence that discredits information already posted here. None of you have done that. Only tried to find our who everyone was, and discredit them, questioning folks christianity and Adventism(which isn't worth a hill of beans any), but it means a lot who put their trust in the church which claims to represent the same God. it is your lack of evidence which gives you away.

I have said before that I don't really care about vindicating Linda, but I really don't like the fact that th elikes of **Danny** is representing our church world wide. My first encounter with him was him sending a emial here filled with lies aobut how much he loved Linda and how much time they were spending together, etc. When his tired self was on his way to Guam for a quickie divorce. I really, really, hate being lied to especially when I haven't even asked you a question. So, I am holding Danny repsonsible for his actions, they really have nothing to do with Linda. So you can get off that kick, too.

Now, now youa re not in trouble, but at this point, you either need to post something to refute what you read here, because they are posting hard evidence, or just leave it alone.

Send in the next team,  JK BTW, I only say the becuae Danny or a representative(with a screen name, but just be upfront) could just come here themselves, but they don't want to take the direct route. Thus, the line of supporter, many of who, oddly enough claiming to have no association with Danny other than a fan of 3ABN. However, as time goes on they seem to have information that "a faithful viewer" would not have. Plus, Danny started off lying to me, he has no trust here, I put nothing past him. I have to say **this is wrong.**

Hey, Sister, what's "the LC" where all of us German speakers can meet?

It took me a *long* time to understand English slang. I remmber being puzzled by "hot dogs" -- heisse Huende?? But maybe Teresa is much brighter than I.

Also, Teresa, wenn Du wuenscht, kannst Du gerne auf Deutsch schreiben. Einige von uns werden Dich gut verstehen, und wir koennen dann ueberzetzen.

With my German limited to 50 years with a German, I'd say this German is the only one that is 100% German. Most of the rest are very cute versions of Americanized German - acceptable and very sweet! - if you know what I mean!

"I believe that there is a devil, and here's Satan's agenda. First, he doesn't want anyone having kids. Secondly, if they do conceive, he wants them killed. If they're not killed through abortion, he wants them neglected or abused physically, emotionally, sexually...One way or another, the legions of hell want to destroy children because children become the future adults and leaders. If they (legions) can warp or wound a child, he or she becomes a warped or wounded adult who passes on this affliction to the next generation". -Terry Randall in TIME Magazine, October 21, 1991

Hi Inga, LC is Live Chat. Sorry but I have to correct on something above. The birthday party was for Dan's birthday in May 2004, given by Brenda, but you were correct that Linda was not invited. But I guess since she was spending all that time alone, at night, in her apartment with Dan she was brazen enough to throw a birthday party for her "special friend" and not invite his wife. You would think that that would qualify as SPIRITUAL ADULTERY in Dan's book.  Oh, sorry, I forgot that he writes the rules, he doesn't live by them.

Sister

OOPs!  That was a "senior moment" I'm afraid. Instead of "her birthday party" I should have written "her birthday party for Dan." In my book, the critical detail was that she invited Dan without Linda -- which was pretty brazen by any standards.

Thanks, Johann.  You mean I get an 'A' for that?  (I didn't check for the correct Umlaute, so had to use extra e's to help me out.) So Teresa can be assured that if she writes in her native German, at least a couple of us can translate, right?

around the world. She is more confident today that the time is approaching when not only her closest friends will believe she was wrongfully fired and dismissed as a wife and as a producer.

You will notice that even those of Danny's friends who appear here on the net are no longer attacking Linda the way they used to do, but they are merely trying to confuse things by stating that Danny and the Sheltons are not being treated as they "deserve"!

I find it interesting that you assume that Johann, a pastor of 50 years' or so experience and a *true* eye witness of the events that precipitated Dan's reprehensible course, would not know what constitutes the sin against the Holy Spirit.

But I ask you to consider this:

What would you call the practice willfully attributing to God the work of Satan or even one's own manipulations?

What do manufactured 'miracles' to support one's own agenda have to do with the subject?

Does the Holy Spirit convict persons who commit adultery?

If one commits adultery and shows no signs of remorse but parades his new relationship as a blessing from God, what evidence does that give in light of your quote?

Can one so blatantly trifle with God, His work and His law and still expect to maintain **His** blessings without repentance?

Is financial prosperity ultimate proof of *God's blessings*?

Can people be converted **in spite of the messenger's apostasy**? Or are conversions ultimate proof of the messenger's special standing with God?

Does the end justify the means?

Please answer these questions before launching any more missives/missiles against posters here.

If a Shelton family member were to believe that many of these allegations are true (as there are), they either shut their mouth, eyes, or both, or live in fear of being branded an outsider. Period. They would never be allowed to talk enough to convince anyone else.

Unfortunately that won't happen anytime soon. I know I have personally brought something to the attention of a Shelton & I had proof of it but was told because I personally didn't see it (my girls were both witnesses to it though) that it was just heresay & nothing was ever done about it. This person still was allowed to be up front in church, tell the childrens story, etc. & patted on the back so to speak. So as far as they are concerned they are above God's laws & it don't apply to them. The Shelton Gang just make me sick in what they do to others & are allowed to get by with it. It is high time they have to pay the price for what they do to others.

Both of my girls are older now but at that time they were like 15 & 17. They knew that it would likely be swept under the carpet when they told me all the things that went on. What a witness to our young people huh.

Papertigers is one of my older daughters but she hasn't posted on here in a while & she used to work at 3ABN as well. My oldest worked there too & lets just say she came away with a very bitter taste in her mouth from it all. So they have had their share of being around both Kenny & Danny Shelton. As long as you are on "their side" & go along with what they are doing or what they want you to do all is well but heaven forbid you go against them in the slightest way you don't stand a chance at all.

I have experienced the same attitude towards sin at high level at 3ABN. There is reluctance to expel sin from the camp unless it is of a personal benefit to the leadership.

How sad.

My brother in law was a big fan of DS, and had once been his academy dean. I guess in some ways I'm glad he passed away before all these events took place. I'm sure it would have saddened his heart to hear of the misdeeds at 3abn. But at the same time my BIL was a very wise person when it came to dealing with personal issues, I wonder what advice he might have given Danny.

HOTY you must of very narrowly looked at the post to Johann about the sin against the Holy Spirit! Those were not my words, those words were pinned from the hand of SOP. Now the application may very well fit our 50 year pastor and if so then it would prove that we are not, "once saved always saved" my friend.

**QUOTE(Richard Sherwin @ Jan 22 2007, 07:39 AM)**

How sad.

My brother in law was a big fan of DS, and had once been his academy dean. I guess in some ways I'm glad he passed away before all these events took place. I'm sure it would have saddened his heart to hear of the misdeeds at 3abn. But at the same time my BIL was a very wise person when it came to dealing with personal issues, I wonder what advice he

might have given Danny.

Thinking our loud on a snowy frosty Michigan morning,

Richard

Richard I am sure your brother in law would of encouraged DS and all the other workers at 3ABN to keep on keeping on with the work of spreading the Gospel. As we know a VERY WISE person would never come to this site and believe all this trash and move on, like its truth. Obviously this site has proven itself and its leaders to be FAKE when they don't meet deadlines, such as January exposure, Pickle's big statement and there is no Gag order and the gagged is quiet. The documents you find could have been put together by, well lets face it, now days a 10 year old. There are no records with any OFFICAL AUTHORITIES, only documents from a one, self made reporter, called Gailon Joy. Who is apparently a FELON! One post its Mollie, then Tommy, then Danny, then Shelly, then the pastoral staff, in their eyes every person at 3ABN is bad, and should be removed. Jellousy is what I call it. You know tearing others down so they can feel good about themselves. The screen on their computer may just one day become a mirror of themselves.

**QUOTE(Johann @ Jan 21 2007, 12:37 PM)**

Once again, please read what I wrote, and there you will find an answer to your question!

I wrote "those of Danny's friends who ..." and after that I gave an answer to your question. There you will also see for youelf if it applies to you or not. Perhaps not?

It would be a great help if you wold point out to me in which way you think this applies to what I was saying? **What work of the Holy Spirit to you claim that I attributed to Satan?**

HOTY you must of very narrowly looked at the post to Johann about the sin against the Holy Spirit! Those were not my words, those words were pinned from the hand of SOP. Now the application may very well fit our 50 year pastor and if so then it would prove that we are not, "once saved always saved" my friend.

So you, I and Johann must always remember that we can be controlled by the adversary to bid his doing.

Why do you avoid the question I asked you in this connection?

I do not see the connection that you seem to imply. Can't you just tell me?

You know what, Ms. Eyewitness? I am fairly new to this board and have stopped myself from posting several times because I really had nothing substantive to say since I don't know enough about the situation, but this time you have hit a nerve!! First of all, I don't recall anyone setting any "deadlines" as you say. Perhaps a "plan", but as we all know, plans can change by the hour. If yours don't, then you must be a robot.

Second, I consider myself a fairly wise person. I only started reading BSDA a couple of weeks ago BECAUSE OF THINGS I WAS HEARING FROM 3ABN!! And I don't take everything written here as truth. But from what I have read thus far, there are some serious allegations coming to light here that involve 3ABN. And as a 3ABN supporter, I have a right to search out all I can with a fervent prayer for discernment. To me, documents and letters provide a great deal of evidence. They could be forged, as you say, but that would be fairly easy to dispute by simply asking the writers for another, notarized copy.

And I had to chuckle at your slam on Mr. Pickle. I don't know him at all, but your statement that "Pickle is in disguise, for the most part he is a cucumber" reminded me of grade school days. Thanks for the chuckle!

I understand the frustrations in both "camps" and I admire the fervor with which each defends their version of the truth. But let's take a step back here from the name calling and cheap shots at each other and focus on finding the real truth. Remember that there are three sides to every story - his, hers and the truth. Thus far I am fairly convinced that there is probably some aspect of

truth to both sides of the Danny/Linda saga, but that is none of my business. I care about 3ABN and the damage these new allegations could do to the ministry. Let's remember that Dan Shelton and 3ABN are two completely separate entities. While there is no doubt in my mind that God used Dan Shelton to build 3ABN, that does not make them one and the same.

OK - I guess I'll get off my soapbox now. Thanks for listening, and may the Lord's will be done.

Actually my BIL was involved with teens his entire adult life, primarily in disciplining them. I think he would have been one to send DS a letter pointing out his sins, and ask him to repent.

So you are pointing out the perceived faults of those on here while overlooking the child molestations, the adultery, the non-Biblical divorce etc of those at 3abn. Talk about blinders.

It would seem that if you can prove any of the allegations presented here as false you would. Instead you play the diversion game by going after the messenger instead of addressing the message. Typical of those that that can't disprove something.

Sorry... this is not court... and you are not the judge. And not very many sins of this world are taken to court to be proven. Scripture says... in the mouth of two or three witnesses... and it also says that God is the judge. And it also holds those who know of wrongdoing to report it. That is all that is happening here.... those who know are reporting. So don't go throwing this "presumed innocent" garbage around here.... we know too many who are reporting to buy that particular piece of smoked dead fish.

Yes, Richard, it's typical, indeed.

Eye witness, how about it?

There are several eye witnesses -- victims, that is -- who have told their experience, at tremendous cost to themselves.

You just want to dismiss these until they have gone through a court process.

Let's get back to the topic of the [Save3ABN.com web site](http://www.save3abn.com). I think we can do something positive to help Gailon Joy out. And I think that's worthwhile, because that site is a good site to send someone who would be turned off by

all the talk here but could draw his/her own conclusions, given documented facts.

Something missing so far on Gailon's site is a timeline of events that would be telling, without any other details given. There's a [thread on the Maritime SDA forum](#) where questions are asked and submissions taken to establish a timeline of events associated with 3ABN over the last several years and even earlier, if relevant to current events.

I thought someone here mentioned something regarding the following:  
Date Brandy Elswick arrived at 3ABN.  
Dates Brandy Elswick actually worked at 3ABN & where she worked.  
Date Brandy Elswick moved into the house opposite Danny's house.  
Even approximate dates would be helpful.

In juxtaposition with other dates, these dates might just tell their own story.

Also helpful would be just when Linda moved away from 3ABN, i.e. out of the trailer Danny "fixed" for her (bugged with electronic listening devices).

**You will notice that even those of Danny's friends who appear here on the net are no longer attacking Linda the way they used to do, but they are merely trying to confuse things by stating that Danny and the Sheltons are not being treated as they "deserve"!**[/quote]

---

Well Johann, that ended all to quickly, didn't it? For that past few posts by eyewitness and bystander have done just that, "their" old tactics...only I think they truly do underestimate the people that read here - those people won't be TOLD what to believe any longer, as if they are watching a TV screen and believing every word they are fed without questioning and thinking for themselves (very dangerous to put your mind in someones "hands" like that!). All have to make up their own minds with the information they can collect from those that have been there, and done that. Since they can't seem to SHOW US THE PROOF, they use their words of hate and jealousy instead. Talk about "uplifting" and "encouraging"??? What do they have in their hands now?

Wwjd, I appreciate your answer to my question about 3ABN housing. I even appreciate your defense of Brandy. Now I have another question. What do you know about the 3ABN demon? Can you tell us the date the incident with Brenda and the basket or luggage took place and why Brenda didn't think it just accidently fell off the shelf because it wasn't put away carefully? I also wondered why she didn't think a cut or tear could have been there when she put it up and she just hadn't noticed it.

I say let's get back to the topic of "What is happening with Linda?"

Some may remember what was published on the <http://www.lindashelton.org> website for the first 15 mos about her calling.

Advanced Member

L.S. wrote **"the Holy Spirit drew so near to my heart and said, "I'm not finished with you yet, you will work for Me."** and **"The Lord has laid on my heart to begin a production studio which will produce Christ-centered programs on a full-time basis. These programs can be shown on other networks and local Christian stations."**

Those who remember this, may have questions like me.

I am wondering what happened to any donations? and how the production studio is coming along?

From September 17, 2004 - December 01, 2005 this is what was published on her website:

**Q:** What are your plans for the future?

**A:**... I really felt that my ministry was over. But one evening the Lord brought a song to my remembrance that I had not sung in at least 15 years. The song says, "Lord, please move me with compassion for the lost I pray; for the millions who are lost and cannot find their way. Melt my calloused heart with love no matter what the cost. Lord, please move me with compassion for the lost." As I softly sang the verses and choruses of this song, the Holy Spirit

drew so near to my heart and said, "I'm not finished with you yet, you will work for Me." The Lord has confirmed this with other incidents as well. I told the Lord that especially under the circumstances, He would have to open the doors and "clean up the mess." He said he would do this.

As well as writing the newsletters and magazines at 3ABN, I was also in charge of the TV production studios since the very beginning of 3ABN. I formatted new programs and chose hosts and guests for the programs seen on 3ABN. Additionally, I was directly involved in the management of the 3 production studios and the Production Truck, which obtained programming on the road. Especially considering my experience is unique in the SDA Church, I feel that I need to use this experience for the Lord. The Lord has laid on my heart to begin a production studio which will produce Christ-centered programs on a full-time basis. These programs can be shown on other networks and local Christian stations. One thing I learned at 3ABN is that there is never too many Christian programs. There is a huge demand for high quality Christ-centered programs that bring God's message to the hearts of searching people

Already I have been approached by some who are willing to support this production studio. Although their funding is not available right now, their desire to help has encouraged me so much...and I'm ready to get started. It is estimated that the legal work to obtain a non-profit status in Illinois will cost approximately 5-6 thousand dollars. This is the first step. **If the Lord is laying a burden on your heart to help with this stepping stone of faith, please send your donations to P.O. Box 2202, Carbondale, IL 62902. THANK YOU so much!!----- end quote**

On December 01, 2005 the webpage was changed with no explanation (that I am aware of). It now reads:

**Q:** What are you doing now and what are your plans for the future?

**A:** Ministry is what my life is about. I go where the Lord opens the doors in a speaking, singing and ministering.ministry.

It sounds like she's rather busy.

Considering all that I have read here from the 3ABN accusers about how she has been persecuted and blocked from engagements,and also considering those who may have sent donations to Linda, I would like to hear what those who know her and are in contact with her know about all this.

What is happening with Linda?

**QUOTE(Aletheia @ Feb 12 2007, 03:41 PM)**

I say let's get back to the topic of "What is happening with Linda?"

Some may remember what was published on the <http://www.lindashelton.org> website for the first 15 mos about her calling.

L.S. wrote **"the Holy Spirit drew so near to my heart and said, "I'm not finished with you yet, you will work for Me."** and **"The Lord has laid on my heart to begin a production studio which will produce Christ-centered programs on a full-time basis. These programs can be shown on other networks and local Christian stations."**

Those who remember this, may have questions like me.

I am wondering what happened to any donations? and how the production studio is coming along?

From September 17, 2004 - December 01, 2005 this is what was published on her website:

**Q:** What are your plans for the future?

**A:**... I really felt that my ministry was over. But one evening the Lord brought a song to my remembrance that I had not sung in at least 15 years. The song says, "Lord, please move me with compassion for the lost I pray; for the millions who are lost and cannot find their way. Melt my calloused heart with love no matter what the cost. Lord, please move me with compassion for the lost." As I softly sang the verses and choruses of this song, the Holy Spirit drew so near to my heart and said, "I'm not finished with you yet, you will work for Me." The Lord has confirmed this with other incidents as well. I told the Lord that especially under the circumstances, He would have to open the doors and "clean up the mess." He said he would do this.

As well as writing the newsletters and magazines at 3ABN, I was also in charge of the TV production studios since the very beginning of 3ABN. I formatted new programs and chose hosts and guests for the programs seen on 3ABN. Additionally, I was directly involved in the management of the 3 production studios and the Production Truck, which obtained programming on the road. Especially considering my experience is unique in the SDA Church, I feel that I need to use this experience for the Lord. The Lord has laid on my heart to begin a production studio which will produce Christ-centered programs on a full-time basis. I suppose asking her yourself would be a good start. Her e-mail address should still be on her website.

Why don't you ask her?

The greatest want of the world is the want of men-- men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for the right though the heavens fall. {Ed 57.3}

Wwjd, I appreciate your answer to my question about 3ABN housing. I even appreciate your defense of Brandy. Now I have another question. What do you know about the 3ABN demon? Can you tell us the date the incident with Brenda and the basket or luggage took place and why Brenda didn't think it just accidently fell off the shelf because it wasn't put away carefully? I also wondered why she didn't think a cut or tear could have been there when she put it up and she just hadn't noticed it.

I'm sorry I have no idea. I had never even heard that until I read it here.

Then I guess you are quite innocent!!! According to Pastor John Lomacang Brenda called him at 2 AM one morning to confess her sins because she got scared when the demon appeared to her. But in stead of confesing her own sins she made up stories about Linda so that Danny could get his divorce.

I agree! She is busy, and I think it's a great thing for her! I like seeing her excited about possibilities and the invitations she has received! I'm personally excited about some things coming up for her! There is nothing like God's timing!

Dear Linda,

I am writing to you because I would like you to hear the truth about some misconceptions you may have regarding my marriage to Tim. I received a call from someone who spoke with you personally, and they said that you specifically told them that Tim and I are divorced and that Danny and I were having an affair.

Here is the truth:

1. *Tim and I are happily married and we are definitely NOT divorced nor are we planning a divorce. We have a loving Christ centered home and we love each other very much. We believe that God brought us together and we plan to be together till death do us part or until Jesus comes....whichever come first.*
2. Your ex-husband, Danny Shelton and I have never had an affair nor are we thinking about having an affair, not in the past, present or future! I would be willing to swear in a court of law, that I have NOT had an affair

with Danny or anyone else. The only person Danny has ever talked about loving was you, and I don't believe that he has had an affair with anyone! I believe he was faithful to you the entire time you were married, both in a physical and spiritual sense.

3. As you know, Danny and I have known each other all our lives and he is like a brother to me. My mom and dad think of him as one of their sons. The ONLY man that I have romantic feelings for is my husband Tim.

I hope this sets the record straight. Now that you know the truth, I would appreciate it if you would refrain from spreading lies and rumors. Linda I love you very much and I cherish many warm and happy memories of our times spent together. We once shared a special friendship and it hurts me to think that you could even possibly think that I would be involved with your husband! Nothing could be farther from the truth! Someday I hope you will realize that I am not your enemy. I wish you only the best and I pray that someday soon when Jesus comes in the clouds of glory, that we will be neighbors together in heaven.

May God bless you,

Your sister in Christ,

Brenda

Truth has been a scarce commodity in most of all that has come from that camp, even from their pastor, who should be a boulder of truth to his flock. This is why I plead with them to seek first the kingdom of God and His righteousness, and all the other things shall be added in the wake of these troubles.

I believe if you will search BSDA pages you will find the answer to the question of where Brenda lived (and lives) with her husband, and where he was in relation to where she was when she was at 3abn. (And you'll also probably find a few other interesting story pieces here and there.)

Dear Linda,

I am writing to you because I would like you to hear the truth about some misconceptions you may have regarding my marriage to Tim. I received a call from someone who spoke with you personally, and they said that you specifically told them that Tim and I are divorced and that Danny and I were having an affair.

Here is the truth:

1. Tim and I are happily married and we are definitely NOT divorced nor are we planning a divorce. We have a loving Christ centered home and we

love each other very much. We believe that God brought us together and we plan to be together till death do us part or until Jesus comes....whichever come first.

2. Your ex-husband, Danny Shelton and I have never had an affair nor are we thinking about having an affair, not in the past, present or future! I would be willing to swear in a court of law, that I have NOT had an affair with Danny or anyone else. The only person Danny has ever talked about loving was you, and I don't believe that he has had an affair with anyone! I believe he was faithful to you the entire time you were married, both in a physical and spiritual sense.

3. As you know, Danny and I have known each other all our lives and he is like a brother to me. My mom and dad think of him as one of their sons. The ONLY man that I have romantic feelings for is my husband Tim. I hope this sets the record straight. Now that you know the truth, I would appreciate it if you would refrain from spreading lies and rumors. Linda I love you very much and I cherish many warm and happy memories of our times spent together. We once shared a special friendship and it hurts me to think that you could even possibly think that I would be involved with your husband! Nothing could be farther from the truth! Someday I hope you will realize that I am not your enemy. I wish you only the best and I pray that someday soon when Jesus comes in the clouds of glory, that we will be neighbors together in heaven.

May God bless you,

Your sister in Christ,

Brenda

Johann, Isn't it possible that DS fabricated this letter? or possibly instructed brenda to write it? somehow it just doesn't sound like the way brenda would phrase things.

Never mind the hours Danny spent with Brenda, the main thing is did Brenda **talk** to Danny for more than 10 minutes. How many minutes did Brenda **talk** to Danny? And since it bothered Danny's spouse that Brenda was **talking** to Danny just as Nathan's doctor **talking** to Linda bothered Linda's spouse, was Danny willing to stop **talking** to Brenda? Why should we believe Brenda's claim that she had no romantic feelings for Danny and that he was like a brother to her but we are not supposed to believe Linda's claim that she had no romantic feelings for the doctor and that he was a friend? And doesn't that kind of thing, **talking**, inevitably turn into a physical relationship as the counsellors were supposed to have said?

Did they commit spiritual adultery? We all know that **TALKING** is a **bad** thing. Was **their talking** brought up at a board meeting? Did Walt write a letter to them about their **talking**?

It appeared to me that Brenda was fabricating quite a few things for Danny in connection with this whole affair. I know that Danny made Linda sign some documents that he had dictated and were sent to me to give a false impression of what was going on. One of these documents had to do with Spiritual Adultery.

**QUOTE(Johann @ Mar 28 2007, 12:13 PM)**

Truth has been a scarce commodity in most of all that has come from that camp, even from their pastor, who should be a boulder of truth to his flock. This is why I plead with them to seek first the kingdom of God and His righteousness, and all the other things shall be added in the wake of these troubles.

She asked you: " How do you feel about Brenda's statement? Is she telling the truth?"

IOW: Are you trying to present to this forum that Danny Shelton and Brenda Walsh had an affair?

You constantly insinuate things and then when asked about it, you can't just come right out and answer the question, but always end up insinuating something else, or accusing someone else , or even the one who asked you the question, instead. (in this case it's the Pastor)What is up with you? "cogito ergo sum" I think therefore I am a waffle?

May I suggest to you that the reason the e-mail you quoted was sent to you was so that you could do the decent thing and talk to Linda and stop helping her to spread rumors and false accusations?

Obviously it did no good, here you still are doing the same.

Didn't the rumor that Brandi moved to Thompsonville immediatly following the divorce originate with you also?
