Tommy's Ordination Suspended

Following the allegations of Brad Dunning and three other boys, Tommy's ordination with the Church of God (Anderson) was suspended in 1985, and Tommy was notified of this fact via the following letter.

This letter claims that Tommy "admitted" to certain "improper counselling procedure. When asked what that might have been, one alleged victim recalled that when the charge was made that Tommy had propositioned a boy, the explanation was given that he was trying to expose that boy as being someone who was trying to lead other boys at the school into homosexual activity.

When the boy in question, Brad Dunning, now a United Pentecostal preacher, was asked on January 3, 2007, about this explanation, he said that that was the first time he had ever heard of such a thing.
