Round Two: Gailon Joy Seeks Answers

Due to the abrogation of the confidentiality agreement by Harold Lance, the following communications are provided for your perusal.

Not having heard back from Harold Lance, Gailon seeks an answer to his question: Has ASI and 3ABN decided that no other issues would be considered by the ASI panel? Gailon also points out to Harold that Danny Shelton on December 5 had made it quite clear that he intended to use a positive ASI decision regarding his divorce and remarriage as a smokescreen to cover up all the other allegations.

Harold:

You have been noticeably silent since my very specific inquiry to your written proposal. However, this is a response from Danny to a third party inquiry and seems to answer the question, except it seems to hyperbolate a rather strange hypothesis that is exactly our concern if other matters are not heard as well as the marriage debate, and would leave all other issues on the table to discover; except your very own counsel to 3ABN has now become the current curtain behind which they stand on the simplest questions that remain. May I suggest that your clear counsel will go far to impede the inquiry into other issues that you and ASI have simply brushed aside, unilaterally, and would require that we handle them as we see fit. I also need a response to my inquiry as to the appropriateness of addressing this with the Division of Assets case still pending, which by the way has spawned a rather interesting

appeal pending the settlement, regarding the bizarre ExPatriot Divorce taken by the parties in Guam. And here was his statement dated Tuesday, Dec 5, 2006:

As you know we are letting ASI handle the situation regarding my divorce from Linda.

Did I have biblical grounds for my part in the divorce of Linda and me.

Many lies have been spread by Linda and others using people like Gailon Joy and others.

According to you and Gailon and several others, the 3ABN leadership including myself, have covered up my wrong doing by making Linda the scape goat.

Either this is true or it is not. Much has been said by Johann, Arild, Barbara K. and people who didn't even know Linda and me.

ASI will decide who is doing the cover up. Somebody is lying! After hearing the testimony and evidence from both sides ASI will make a decision. Should ASI decide that the 3ABN board and myself did not "scapegoat Linda" to cover up my sins, then, in my opinion it will become obvious to the public that maybe many of these other accusations are lies also.

If on the other hand ASI decides that me and the 3ABN board covered up my sins to scapegoat Linda, then I believe that it will become obvious that I am probably lying when I deny many of the other accusations coming from Linda and her group.

That's why I choose to wait until ASI handles this huge issue of mine and Linda's divorce before answering questions of all the other accusations manufactured by Linda, Gailon, Derrell Johann, Barbara Kerr and others who have or has had an ax to grind with 3ABN.

For every person accusing me and 3ABN of doing wrong I can show thousands who will testify of all the good that 3ABN in doing including nearly all of it's employees.

Thank you for your note. Sorry for what may seem as a delay in responding, but there a variety of considerations. I wanted to await reaction from all concerned in order to group the issues. I now have that. Believe it or not I had other responsibilities that were pressing, and my wife was suffering for the last three days with a migraine headache that deflected me from the task. I'll be addressing all of the concerns I have received in the next short while.

Thanks for your reply and I guess patience is the lesson to learn here.

Believe me, the little woman is appropriately number one priority!!!

I am sure this is not going away very soon, and needn't be rushed in any event.

Take your time...haste makes waste in most cases!!!
Frankly, I have a major presentation I am preparing for and won't be available again til next week anyway.
