You crown the year with Your goodness, and Your paths drip with abundance. **PSALMS 65:11 (NKJV)**

Dear Family,

As 2006 begins to fade into history, it would be good to slow our pace and take time to count our blessings. No matter what challenges we have faced throughout this past year, surely we can say God has crowned the year with His goodness!

I’m thankful my God is such a wonderful Savior! I’m thankful to be counted among the redeemed of the Lord. I’m thankful salvation is God’s free gift of grace. I’m thankful Christ died for me, that I might be empowered to live for Him. I’m thankful for my family, friends, and many co-workers at 3ABN. I count it a privilege to work in the Lord’s harvest fields, and I’m grateful God has allowed me to be a part of His work at 3ABN.

Most of all, I’m thankful that Christ is coming soon, and I will share in the inheritance of the saints who have been sanctified by faith in Him. (Acts 26:18.)

While it’s true the thief comes only “to steal, and to kill, and to destroy,” I’m thankful that Jesus came that we may have abundant life! (John 10:10.) When we walk in His path of life, we can find joy in the midst of every trial—because His goodness and abundance surround us.

I’m very thankful for you! On behalf of the entire 3ABN staff, I thank you for your continued prayer and financial support. Our hope is that God will add His “finishing touch” to your year, and cause your heart to overflow with thankfulness for His abundant provision.

May God richly bless you,

Danny Shelton is the president and founder of 3ABN.

Have you been blessed?

Have you been blessed by 3ABN? Or have you come to know the Lord Jesus Christ by watching or listening? We'd love to know!

LILONGWE, MALAWI:

"Your programmes are soul searching. My family and I watch your programmes on 3ABN daily. More and more my family and I are being revived. Thank you, 3ABN!"

SEMENOV, NIZHNY NOVGOROD, RUSSIA:

"I often watch your program and every time find something new. It is really essential for those who've lost themselves in this life. I often pray to God, sometimes with requests, other times with gratitude. He lives in my heart, I feel Him, and I love Him."

CHARLOTTE, NORTH CAROLINA:

"Your station has led me to God, who has changed my life drastically. I first heard about 3ABN two and a half years ago.

That was when my mother and I first started a quest to find the truths through the Holy Scriptures *only*. We were not interested in man's opinion. If the teachings were not Scripture only, we would shut them down. Then the strangest thing happened. While trying to reset our TV, we stumbled onto Pastor David Asscherick's *Revelation Seminar*, and oh! how his teachings and Scriptures came together! Today we just praise God for His mercies."

SACRAMENTO, CALIFORNIA:

"What a joy to find you on my cable channel 19 in Sacramento. Your Bible truths lift me up from this dark and sinful world and give me hope for a brighter future! You're the best!"

VIA E-MAIL:

"I just wanted to share with you that your *Kids Time* children's program not only benefits the children, but adults. My wife is incapacitated and bedridden. The TV in her room is set to 3ABN, and when your programs come on, she lights up and joins in with the children. Her face smiles and sparkles when you come on with your

stories. Just wanted to thank you for brightening her day."

PORT MORESBY, PAPUA NEW GUINEA:

"For years, my family and I were Catholics. We believed the teachings of the church, and promised to keep Sunday as the Sabbath. Although I am only 16 years of age, I believe I did all the sins recorded in the Bible. But one day I had an accident. I should have died, but God spared my life. Since then I have become a regular viewer of 3ABN, and what peace I have found. There are so many new things to learn, including the right day of worship. I am praying that God will send me the necessary tools to help me learn."

BOWLING GREEN, KENTUCKY:

"I am a member of the Church of Christ, however I am currently serving a prison sentence. Today I finished reading the book, *Ten Commandments Twice Removed*. This book has turned my way of thinking all around. I can clearly see now that the Bible teaches to keep the Sabbath (Saturday) holy. This is how I intend to

live the remainder of my life. I never knew this truth before I read the book. Thank you for everything."

WESTERN AUSTRALIA:

"We are enclosing a cheque for 3ABN. We are so impressed with the wonderful work that this satellite ministry is doing and the inspiring messages which are preached."

VIA E-MAIL:

"I only get four channels, and I'm so happy that one of them is yours. Tonight I watched *Grandma's House*, and I want to tell you that you are definitely a light to this world. The main thing here is that even though I am not a child (I'm 56 years old), you are not just reaching children. You might not realize what a great thing you are doing for God. I feel so blessed that God let this extra channel come to me on TV. All I have is an antenna that sits on top of my TV. I've been here for almost two years, and a few months ago this extra channel suddenly appeared. I believe that there are no accidents in life. God has everything planned."

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

A LIFETIME OF SERVICE

Bill Hulsey remembers growing up during the Great Depression years, and learning the lessons of hard work and perseverance early on.

“My father was a commercial fisherman on Lake Okeechobee, Florida,” he says, “but he was a carpenter by trade. As I grew older, I learned the fishing trade, and began working for myself, but I was greatly influenced by my Christian mother, too. She was a Seventh-day Adventist and an excellent teacher. Rearing us with Christian principles, she taught us to always trust God, urging us to be faithful to what we knew to be true.

“Education was also important to her,” he adds. “She made sure that we attended the local Seventh-day Adventist grade school, but I dropped out after the seventh grade to start commercial fishing.”

Meanwhile, Myrtle was grow-

ing up in the same neighborhood, playing with her best friend, Vivian, who happened to be Bill’s sister.

“We were very poor,” Myrtle recalls. “The Great Depression years were devastating. I remember we had a very kind neighbor who owned an orange grove nearby, and he allowed us to come and eat our fill.” She pauses, her eyes filling with tears as she remembers those sad years.

“My dad was an electrician and worked on radios and things, and I had a wonderful Christian mother, too. Although I attended our Seventh-day Adventist grade school for only four years, I had my eye on Bill all along!” she says, her eyes twinkling. When Bill joined the Navy, Myrtle moved to Miami and became a riveter. She worked on troop carriers and fighter planes, but Bill was never far from her thoughts.

Bill and Myrtle Hulsey have been long-time supporters of 3ABN’s ministry. Bill has served on the board of directors since 1985.

“My Navy years matured me,” Bill says, “and when I got back to Florida and saw Myrtle, I realized she’d made considerable changes since I’d been gone, too!” He chuckles, reaching for her hand.

“When Bill came home from the service, I was the only girl he went with,” Myrtle adds. “I made sure of that, and it wasn’t long before we were married. Bill and I had not been baptized into the church in early childhood, but we wanted our home to be a Christian home for us as well as for our children. So we were baptized, and vowed to go where God would lead us.”

One summer, several years later, they attended a camp meeting at Forest Lake Academy, just outside of Orlando. “We were walking across the campus with

our children when the president of Southern Missionary College (now Southern Adventist University) approached us and asked, ‘Bill, why don’t you go to college?’ I told him I had only a seventh grade education, and he reminded me that I could take a GED test and get in that way.

“I took the test and was amazed that I passed and did well on it!” Bill continues. “We thought that was a sign from God, so we bundled up our three children and moved to Collegedale, Tennessee.”

Not surprisingly, Bill did very well in college, graduating with a degree in industrial education with a business minor. That year, with the help of his friend, Charles “Chick” Fleming, he started a new business, Collegedale Case Work, manufacturing

lab equipment and furniture for schools and hospitals.

God blessed Bill's dreams and hard work, and his business thrived. He remained on as president of the company until he retired and sold it to a wealthy Coca-Cola executive.

What was the secret to his successful business?

"My Christian education taught me that it was essential that we begin every day with devotions and prayer," he says. "It was also important that we bring our needs to the Lord, and He *always* provided for us."

Myrtle adds, "We depended on Him to meet payroll each week, and we did our best to make sure that honesty and integrity went into every product. Through our 60 years together, it has been our total dependence upon God that has carried us through the many trials and temptations we all face. We are still living in the expectation of our Lord's soon return, and of seeing the One who gave His life that we might have life everlasting."

Throughout the years, Bill and Myrtle have given generously of their time and finances to build several churches in adjoining

communities. Bill has also been mindful of civic leadership as well. During the 1960s, the Collegedale community sensed that it would be better served if they were to form their own municipality, and elected Bill as their first vice mayor. Then, more recently, he was elected mayor again! "The urban growth of the city of Chattanooga is encroaching rapidly on Collegedale, and I felt it was well to set boundaries that would enable us to protect the special interests of our community," he explains.

But perhaps what endears Bill the most to us is the fact that he has been a long-time supporter and member of 3ABN's Board of Directors.

"Back in 1985 my friend, Marvin McColpin, introduced me to a young man by the name of Danny Shelton," Bill says with a smile. "Danny had approached him for some financial help in buying a studio camera, and Marvin and I put together some money and bought it. Then one day we came up to see it." Bill pauses and chuckles.

"When we walked into his living room, there it was—in the middle of the room! He had no place to put it. There was no

building, only a dream, and his *first piece of equipment*.

"I remember asking him, 'What do you do with it, Danny?'"

"'I don't know yet,' he said, 'but I know that if I'm going to broadcast to the world I need a camera.'"

"A dream has to start somewhere!" Bill says, as he and Myrtle both laugh.

Later that year, Bill accepted an invitation to sit on 3ABN's Board of Directors, where he has served ever since.

"It's my humble opinion that the Lord has led every step of the way in this ministry," he says, "including the unique location in which it's established! As a businessman I recognized that what was being attempted was completely out of harmony with general business practices," he adds, "but also having some small knowledge of God's capability, I was perfectly comfortable with His guidance in accomplishing the impossible! We have been strong supporters of helping in every way to enable Danny's dream to come true.

"The Lord has commissioned us with the great task of going to

all the world to preach the gospel to every nation, kindred, tongue, and people. He has not given us a road map, but has encouraged us by saying, 'Lo, I am with you always, even unto the end of the world.' (Matthew 28:20.) Because we don't know how each step is to be taken, our position is to *move forward* as He opens the doors of opportunity."

Bill continues, "It's my opinion that the explosion of knowledge and technology in the area of electronics and communication by satellite are His means of opening the door by which His commission can be accomplished. I certainly don't know how God will use electronics, but I'm confident that there will yet be an explosion of knowledge in the area of technology of which we have not even dreamed! We are fortunate to have the foundation laid that will enable us, within days, to put those methods and means into use in the last days, enabling us to spread the gospel even faster."

3ABN recently celebrated 22 years of miracles, and we praise the Lord for the help and guidance that Bill has unselfishly given. What a blessing he has been! ■

WAIT ON THE LORD

by Nikki Anderson

St. Joseph, Missouri—the first train arrived there in 1859, and until after the Civil War, it was the western-most point accessible by rail. The following year the Pony Express began in St. Joseph, with mail delivery to the West. So it's very fitting that God would chose this city for one of His radio stations!

In 2000, a group at the Three Angels Seventh-day Adventist Church in St. Joseph took on the low power FM radio project. Doris Guyer, Pauline Lewis, Fred Lillie, and Norine Gable had no idea what it would take, but God was leading, and other members stepped forward to help.

They decided to rent space on a tower atop a large hill in the middle of the city. Even the hill's name, Devil's Backbone, seemed significant. They would "break" the devil's backbone and use it to bring the good news of the gospel to all of St. Joseph!

But soon they discovered that

another church in St. Joseph had applied for the same frequency, and that group had a rightful claim to the permit, based on their application. FCC construction permits are awarded on a point basis, and their competitor had more points. But they pressed on because, as Doris said, "God gave us the commission to spread the gospel, and He was the One leading this project!" Suddenly, in June of 2003, without explanation, the other group withdrew their application. Praise the Lord!

A church member, Chris O'Meara, was asked to assist in the technical side of the radio station, as he was already familiar with editing and other aspects of production.

One of their miracles happened with the tower. In 2000, the tower owners said the lease would be \$200 per month, but by 2003, they had reduced it to \$160. Another was that Chris had a friend who helped design the station's computers and gave

them a good price. As they waited for other equipment, the little group praised God for blessing their project.

Finally, in July of 2004 they heard the first test sounds coming from KLHM-LP 100.7 FM. They jumped in their cars and drove off in different directions, testing how far the station would reach. Low power stations typically have a three-to-six-mile range, but their signal was going out much farther in some directions. In fact, it was reaching up to fifteen miles away! Rejoicing, they stopped at church members' homes, knocking on their doors and shouting for them to turn on their radios. What a day for praising the Lord! Since that day, KLHM-LP has been spreading the gospel message across this city of over 70,000 people.

"The station practically runs itself," Chris says. "Every now

and then we have a new challenge, but the 3ABN Radio staff has done their best to see us through each one."

What have they learned? "Just step out and see what God will do!" exclaims Doris. "We certainly didn't know what we were doing when we got into the radio business, but we have a wonderful God that is in control."

Last September, after advertising *The Most Amazing Prophecies* series with Pastor Doug Batchelor, they were getting calls from listeners wanting to know how to get to the church to attend the meetings. Doris says, "We can only thank God for letting us be a little part of spreading the Good News of Jesus Christ."

So if you're ever in St. Joseph, be sure to turn on 100.7 FM and listen to God's message! ■

FROM FEARED TO FORGIVEN

by John Dinzey

“For we do not preach ourselves, but Christ Jesus the Lord, and ourselves your bondservants for Jesus’ sake. For it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ.” 2 CORINTHIANS 4:5, 6

God is using 3ABN Latino to bring light to those in darkness.

Walter was a gang leader in Colombia who one day began to ponder over where his life was going. He became discouraged as he realized that his future was bleak and lonely. When he walked on the street, people avoided him. They feared him because they thought him capable of robbing and even killing!

One day he flipped through the channels and found 3ABN Latino. As he watched *El Joven de Hoy* (“Today’s Youth”), he realized the young people on the program thought differently than he did. A new desire came

over him to get to know God, and he began to study his Bible. Eventually he began visiting the Seventh-day Adventist church in Buenaventura, and I’m happy to say that after some Bible studies he was baptized into a new life, and became a new creature in Christ!

People began to see a difference in Walter, but were unsure of what to make of it, since he had been so violent. Now other gangs began looking for him, trying to exact vengeance, counting on his visibly new way of life.

One day a young lady he had mistreated confronted him. She was now the girlfriend of a rival

gang leader, and said, “I know you! I haven’t forgotten your face!”

Realizing his life was in danger, Walter didn’t react, but looked at her and said, “Jesus has changed my life. Please forgive me for what I have done to you.” Several moments passed as she looked intently at him. Something in his eyes made her believe him. “Alright, but I’ll be watching your behavior,” she said, turning around and walking away. It took some time, but eventually the people in that neighborhood also accepted that he was a changed man.

Later, Pastor Juan Caicedo, president of the Pacific Colombian Conference of Seventh-day Adventists, was conducting an evangelistic series in Walter’s neighborhood and asked him to help. During these meetings 104 people were baptized, and the beautiful part is that 15 of them made their decision as the result of having *Bible studies with Walter!* Today he is one of the leading elders of the Buenaventura Church!

Colombia is one of the countries where 3ABN Latino has seen the most growth on cable this year, and not coinciden-

Walter Victoria lived a life of crime until the Lord spoke to his heart through 3ABN Latino. Today he gives Bible studies and is actively involved in soul winning.

Pastor Juan Caicedo reports tremendous growth for 3ABN Latino in Colombia.

tally, Pastor Caicedo reports that 3ABN Latino has been added to more than thirty cities, including Cali, with a population of more than 3 million people! God is performing great and mighty miracles every day. He’s using 3ABN Latino to help people turn away from sin, to find the truth in Jesus, to find hope, and to find mercy and salvation. May the Lord help us and bless us with a sense of urgency to bring the gospel message to a lost and dying world. Please remember 3ABN Latino in your prayers. ■

Hey Kids, the month of December is a time when most of the Christian world thinks about the birth of Baby Jesus. I like it because it reminds me of how much God loves us by sending His only Son. So I drew a picture of Mary and Joseph and the sweet Baby Jesus. I hope your family is blessed during this special time of year!

Matthew 1:21 (NKJV): "...and you shall call His name Jesus, for He will save His people from their sins."

GRASSHOPPING GRANDMA

by Berni Denslow

Frances Gallegos' mother passed away on her first birthday, and her uncle and aunt raised her as their own.

"I was a coal miner's daughter," she explains, "and although the schools were excellent, my

like she was constantly looking for God.

Frances is 79 years old, and for 50 of those years she was a practicing Catholic. Then her beautician became a Protestant Christian and began telling her about a new church. "She was so sweet to me, and kept inviting me, so I decided I couldn't turn her down," Frances explains. After attending her friend's church, she says, "I felt like an empty peanut shell when I went back to my church. I just wasn't getting anything out of it."

Soon Frances was attending other Protestant churches, searching for something but never feeling her need satisfied. Once she recalls being baptized in a big oval tub of water. "I didn't really understand what that was all about," she says. "I

would question them, 'Why do we worship on Sunday when the Bible teaches that the seventh day is God's holy day?' No one could give me an answer, and I felt so empty." With her usual flair for words she adds, "I was like a grasshopper jumping around from one church to another!"

Frances lived in Albuquerque, New Mexico, all her life until she moved to Colorado for a year. Homesick, she and her husband, Margarito, returned to New Mexico a year later and settled in a small town of about 4,000 people called Meadow Lake, about 20 miles from Albuquerque.

Those who are regular readers of our testimonies can almost predict what came next. "One day my granddaughter, Donna, was helping me set

up my TV, when suddenly the Holy Spirit put 3ABN on!

"I can't remember who was preaching that day, but Donna added that channel to my selections," Frances says. Soon

"I WAS LIKE A GRASSHOPPER JUMPING AROUND FROM ONE CHURCH TO ANOTHER!"

she was "hooked" on 3ABN, watching it till the wee hours of the morning. There were so many interesting things she wanted to learn about! She tells us she would sit in front of her TV and study the Bible, reading the texts over and over until she understood them. (Remember she had only a sixth grade education.)

Even though the station was twenty miles away, 3ABN's pic-

Frances Gallegos attended many churches, looking for truth. But when she found 3ABN, her lifelong search was over!

"ONE DAY MY GRANDDAUGHTER, DONNA, WAS HELPING ME SET UP MY TV, WHEN SUDDENLY THE HOLY SPIRIT PUT 3ABN ON!"

parents couldn't manage to keep me there. I just thought I was too smart and discontinued my education after grade six."

But throughout her life Frances felt an emptiness she couldn't explain. It seemed

ture came in beautifully with just a “rabbit ears” antenna. Then suddenly, 3ABN wasn’t there. Frances didn’t realize

day Adventist Church, just seven miles from her home, and it wasn’t long before the Johnstons were coming to study the Bible with Frances and Margarito.

At the time, the Gallegos’ son, James, was living with them, and would sit in the next room, listening as the Bible studies were going on. One day Mr. Johnston called out, “James, come on over and sit with us,” and he became an avid participant. James was a trucker, so he would take his study guides and Bible on his trips. “While they loaded and offloaded his truck he would have time to study and answer the questions,” Frances explains, and after attending the Los Lunas Church for a year, she and James followed Jesus’ example by being baptized.

Frances and Margarito were married for 52 years, and he was disabled 18 of them before passing away several years ago. “Even though he was not well, he would help me at home with the cooking, the laundry, and other household chores,” Frances says. “He was a very patient man.”

that we had been instructed by the Federal Communications Commission to switch from channel 17 to channel 38. Heartbroken, Frances thought she had lost 3ABN forever, but praise God, one of her friends told her where to find it again, and she rejoiced as if she had found lost treasure!

Then one day she heard Pastor Doug Batchelor clearly saying, “Friends, I encourage you to find a Seventh-day Adventist Church in your area to attend. Just look it up in your telephone directory.” That’s how she found the beautiful Los Lunas Seventh-

“3ABN’S TV MINISTRY HAS MADE A GREAT IMPACT IN OUR AREA. . . . THEY COME TO US NOW, AND WE ARE PRIVILEGED TO REAP SOULS FOR THE KINGDOM FROM WHAT THEY LEARN ON 3ABN.”

Ironically, she found it easier to care for him then, than to accept help from her friends, now that she finds herself less independent than she once was. As I talked to her, she asked for our prayers, since her eyesight is failing and she finds it difficult to walk. She told me her friends take her to church, and they’re only too eager to help. “I just hate to bother them all the time,” she confides.

Mercedes, her 16-year-old great-granddaughter, has lived with her for two years so she can attend the local high school, where she is a senior this year. A year ago she came home to find Frances on the floor, unconscious! The paramedics took her to the hospital where she quickly received medical attention. “I thank God for Mercedes, and I’m so thankful for my dear church family who came immediately to the hospital to be there for me,” she says.

Frances takes Mercedes to church whenever she can, and she’s pleased her granddaughter is learning a lot about the Bible. Frances also says she tries to share her faith with

her neighbors in a gentle way. “Even Jesus doesn’t force anyone to listen,” she explains.

We praise God that 3ABN was there when Frances was searching for truth, and we ask you to pray that 3ABN can continue to be there as a beacon of hope for her and the hundreds of thousands of searching souls in the greater Albuquerque area.

Frances’ Pastor, Rodel Liwanag, tells us, “3ABN’s TV ministry has made a great impact in our area. Viewers like what they hear, and go to the phone book to check on Sabbath-keeping churches in the area.”

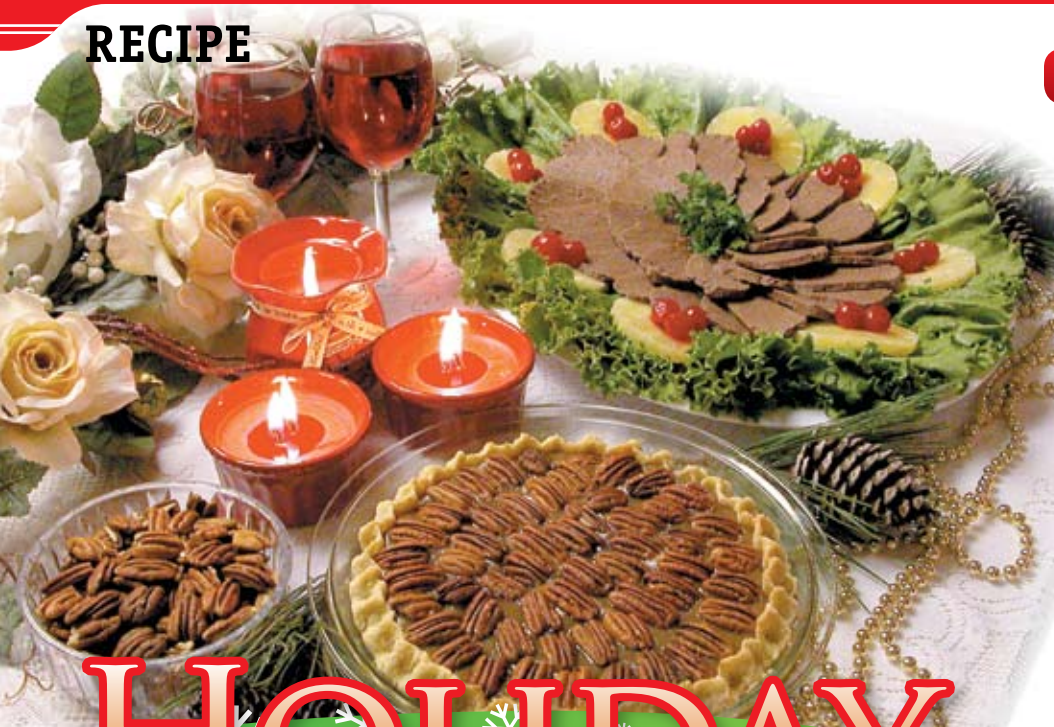

He adds, “They come to us now, and we are privileged to reap souls for the kingdom from what they learn on 3ABN.”

If you’re ever in the area, I encourage you to visit his church, located at 12 Thomas Road, in Los Lunas, New Mexico. Who knows, you may see my sweet friend, Frances, her son James, or even her great-granddaughter, Mercedes. If you do, make sure and give them a hug from me. We’re all family, you know. God’s great big family!

LIVING LIFE “BY EVERY WORD”

Since it first began, the General Youth Conference (GYC) has experienced fantastic growth. For the past five years attendance has more than doubled annually, as ever larger numbers of Seventh-day Adventist youth commit themselves to live by God’s Word across America and around the world.

Our first experience with GYC was in Sacramento, California, in December 2004. We struggled with tremendous problems just getting the production truck there, but God truly made the impossible happen at the last minute, as we set up and began broadcasting in less than two hours! Over 1,200 participants flooded into the convention center for the meetings and seminars that year. Never before had we seen so many young adults come together for deep Bible study, Christian fellowship, and community outreach. They glowed

with the love of Jesus, and the presence of the Holy Spirit was unmistakable!

As soon as we arrived in Chattanooga, Tennessee, and began setting up for GYC’s 2005 convention, we noticed several youth who sat near our trucks, watching us, and praying. They told us they were praying for our equipment and our crew, and they continued to pray throughout the weekend. We believe their prayers, and those of the other 2,600 youth, formed a shield of protection around us. Incredibly, we didn’t experience a single technical problem during the entire event—which to our knowledge has never happened before!

God is truly raising up an army of young people who are being trained in all aspects of personal ministry. This year’s GYC theme is “By Every Word,” referring to Matthew 4:4 which says that we must do all things

“by every word that proceeds out of the mouth of God.”

Listen to what these young adults said after last year’s conference:

“GYC showed me that there are still many people who take the Bible seriously,” said Sonja Stojanovic, a psychology major from Andrews University. “It encouraged me that youth aren’t dead in the church. Sometimes I feel there is nothing substantial, but I now want to be more involved because I know I am not alone.”

Timothy Canham, from Durham, South Africa, adds, “I’ve been so blessed by the prayer sessions and the environment! I’ve never been to a place where it’s four days, all God!”

Tanisha Greenidge from Takoma Park, Maryland, said, “Since GYC, I’m more deliberate about scheduling time for God.

I wake up in the morning and I pray. GYC has made me realize the importance of being a true Adventist and knowing that it’s not wrong to have standards. It made me reevaluate my life and stop teetering.”

GYC leaders have told us that hundreds of people have contacted them from other countries, asking for their help in organizing similar youth organizations in their homelands, largely due to 3ABN’s worldwide coverage. We are thrilled to play a part in such a wonderful organization, and ask for your prayers for GYC leadership as they carefully follow the Lord’s guiding. We also want to thank each of you for your faithful financial support which makes it possible for 3ABN to bring you this great event each year. ■

We Need Your Story!

by J. D. Quinn

Don't you love to hear how God has led someone from darkness into His marvelous light? I love a good salvation story, and I get excited when I see the different ways He works in each life, transforming someone with mixed values and double-mindedness into His own special treasure. I know these stories of God's patience and love are an encouragement to us all, and we want to share some of them with the rest of the world.

At our last 3ABN Books meeting, Dale Galusha and Russ Holt, president and vice president of Pacific Press Publishing, suggested we publish a book of 10 or 12 testimonies from people who have met the Lord through the ministry of 3ABN. We thought it was a great idea, so we're searching for those stories now!

Do you have a great life-changing story that involves 3ABN? Do you know someone who does? I'd love to hear from you!

Please contact me by e-mail at jd.quinn@3abn.org, or call me in the Pastoral Department at 800-752-3226 during regular business hours. Give God the glory by sharing your salvation story with others!

EDUCANDO PARA LA ETERNIDAD • 3ABN

Latino ha preparado una nueva serie para todas las edades, comenzando el mes de diciembre. A menudo uno debe desechar la preparación y la educación de toda la vida, a fin de poder aprender en la escuela de Cristo. Ancianos y jóvenes han de formar hábitos de pensamiento que los habilitarán para resistir la tentación. *Educando Para La Eternidad* nos recuerda que la mente tiene que ser disciplinada, educada, preparada; en su resistencia al mal y en su trabajo en favor de los demás, Cristo dio a los hombres un ejemplo de la más alta educación. "Así dijo Jehová: No se alabe el sabio en su sabiduría, ni en su valentía se alabe el valiente, ni el rico se alabe en sus riquezas. Más alábase en esto el que se hubiere de alabar: en entenderme y conocerme." (Jeremías 9:23.)

Yolanda Santos, *Educando Para La Eternidad*

THE MESSIAH

by Cari Christian

My date grumbled in German. I didn't need to understand his words; he was clearly struggling to maintain his composure. Lane closures slowed heavy Christmas traffic to a snail's crawl. Plans to be at the symphony hall half an hour early were thwarted as the traffic jam ate our time, leaving only ten minutes to arrive, claim tickets, and be seated.

We made plans to attend Handel's *Messiah* months in advance, and my date had reserved special box seats where the acoustics afforded the fullest appreciation of the music. Once the symphony started, the doors would be closed. We would not be allowed in, and would miss the much-anticipated event.

Arriving with only moments to spare, my date parked the car while I navigated through a sea of black wool coats and

secured a place in the ticket line behind an older couple. I listened to their knowledgeable discussion of various pieces and performances as I drew my coat around me, fighting off the icy wind that blasted into the building each time another person entered the foyer. Through the doors I caught glimpses of the opulent, white pillared lobby and felt stirrings of warmer air. Oh, I would be glad to finally be in there!

Placing a gloved hand on my shoulder, my companion wedged his body into the crowded line. The older couple had a dilemma. They hadn't paid much attention to the date on their tickets, which were for the previous night's performance. "Did you hear what just happened?" he whispered. "Yes," I murmured. "They weren't watching and they missed the *Messiah*."

Feeling sorry, I pondered over the deeper significance of what had just happened as we walked across the plush, blood-red carpet and were ushered to our seats. It reflected what had happened at Christ's first coming. Many were waiting, but few were watching.

Perhaps it demonstrates what's happening today. Where do you find yourself in relation to Christ and His second coming? Do the obstacles and cares of this world come between you and the Messiah? Are you ready to lose your composure and throw it all away because things aren't going the way *you* had planned? Keep seeking the Savior. Let nothing hinder your coming to Him. He will be found.

Perhaps you've come to the Messiah without a moment to spare. You've navigated a sea of sin and endured the icy winds of trials. Heaven is near at hand and, longing for its peace and comfort, you can almost hear the angel choirs and glimpse its glories. You've made a firm decision for Christ, and yet you still need to confirm your decision in an official and public way—perhaps through baptism. Make your decision final while there is still

time. You may feel intimidated by the knowledge and experience of more seasoned Christians. Don't concern yourself. Keep gaining knowledge, and trust that God is giving you your own unique experience. *He* has called you. Confirm your reservation today.

Maybe you're a well-seasoned Christian. Going to church has been a regular part of your life for years. Has your experience become so commonplace that you are waiting, but not *watching*, for the Messiah? Are you overconfident and overdependent on your own experience and knowledge of spiritual things? Has your experience with Christ become merely a round of acceptable religious practices? I urge you to reestablish—or maybe find for the first time—that vital, life-saving connection with Christ. It's the only thing that will save you and make your knowledge of any value at all.

Wherever you may find yourself, are you ready and watching for your Messiah? I look forward to enjoying His kingdom with you, ushered in through the way prepared by the blood of Jesus. ■

GIVE A BOOK, CHANGE A LIFE

Last May, 3ABN produced the most ambitious program in our history as we brought you the Ten Commandments Weekend from the DC Armory in Washington, D.C. Viewers around the world were blessed by the presentations on each of the commandments, as well as God's covenants, during seventeen hours of live programming.

In addition, 3ABN viewers and listeners rallied around the world to distribute over 5 million copies of the book, *Ten Commandments Twice Removed*, by Danny Shelton and Shelley Quinn. Each month

we receive hundreds of reports of people who were blessed by this book, and of how their lives have been changed.

Plans are already well underway for a much larger Ten Commandments Weekend in May 2007, and once again these books are being made available at a tremendous discount! And the fact that shipping and handling are already included, make these perfect for sharing in large quantities! Don't miss out on the blessings! Order your copies now, and watch how God uses them to reach precious souls for His Kingdom! ■
