Though one may be overpowered by another, two can withstand him. And a threefold cord is not quickly broken.

ECCLESIASTES 4:12

Dear Family,

When Christ appointed seventy disciples for the harvest fields, He dispatched them two-by-two (Luke 10). Heavenly wisdom here demonstrates the advantage of evangelism partners.

As we consider His fields—ripe for harvest—we recognize the need for more laborers. God keeps stirring our hearts with a sense of urgency to finish the work while it is still daylight, before the great and dreadful day of the Lord (Malachi 4:5). The crops of His field are people, and the people perish for lack of knowledge. Yet, God—in His great mercy—will raise up an army of people who, rightly trained, will finish the work.

Considering all of these reasons, 3ABN and Amazing Facts are uniting their ministries to press forward toward greater and more efficient evangelism. As we advance, united as one with God, we are following the heavenly wisdom of a “threefold cord” which is not easily broken.

Don’t miss the feature article on this historic ministry event. And we ask that you would please keep all of us in your prayers. We need wisdom and ears to hear how the Spirit would direct our steps. Please pray the Lord will be a wall of fire around us and the glory in our midst (Zechariah 2:5)!

We sincerely thank you for sharing in this great work! Your continued prayers and financial support will help to bring about God’s great plan to reach the lost and suffering of the world—before it is too late.

May God richly bless you,

Danny Shelton is the founder of 3ABN.

"I've lived in Lovington, New Mexico, for 26 years and have taken my favorite radio station for granted. Only now do I realize how blessed I was to have had the Word of God in my home and in my heart every day for the last several years. As I now see on your website, Lovington is the only town in New Mexico which broadcasts 3ABN. I wish I could find the words in my heart to thank all of your people for keeping me company when I was going through a heartbreaking divorce. Thank you for teaching me and showing me the Scriptures and the truth."

VANDERHOOF, BRITISH COLUMBIA, CANADA:

"One day as we were watching cable TV, my husband said,

'Let's get rid of cable.' I agreed, and we did just that. Then one of Doug Batchelor's seminars was coming on and we wanted to invite people to watch with us, so we ordered a satellite dish. Even though we have been Seventh-day Adventists most of our lives, and know and understand the doctrines, we realize that our learning will go on for eternity."

MARYLAND HEIGHTS, MISSOURI:

"I first learned of Seventh-day Adventists back in March of 2005 when I got a Dominion Sky Angel dish. I started watching your programs more and more. I had an operation on my foot which required my staying in bed with a cast until Thanksgiving. When I got a brace and could walk again, I started looking for a Seventh-day Adventist church. I haven't had this much peace and joy since I came to know the Lord in 1961. I feel it started with 3ABN!"

ST. ANDREWS, GRENADA:

"Because of 3ABN, my family life has changed. Your programs have inspired me, and my boyfriend and I are getting

married and baptized. By the grace of God you have entered our home, and by the Holy Spirit we accept your teachings in our hearts. Since watching 3ABN on cable, I am able to tell people about Jesus. Thanks to *Kids Time*, my two sons have gotten closer to Jesus, too. It's a blessing. Praise God."

VIA E-MAIL:

"Even though it has been over a year since my husband passed away, there are still weepy days. One unbearable day I finally knelt by my bed and poured out my heart to God. 'Please be enough—please be enough for all the longings of my heart!' I pleaded. After I dried my tears, I went to the living room where my TV is tuned to 3ABN—and the sweet voice of Kateena LeForge was singing those very words, 'My God is enough for all the longings of my heart. . . .' My tears of grief turned to tears of joy."

KIEV, UKRAINE:

"Thank you for your invaluable work! The Bible courses that I've studied, thanks to you, have become a real blessing.

You gave me knowledge that helps me to live and overcome difficulties. I've had to face betrayal, misunderstanding, disease, and the loss of my friends and relatives. My ex-husband rejects God and has persuaded our grown children that there is no truth in the Bible. He thinks that because I am in a difficult situation now, my faith in God is not effectual. But I won't step back. I pray, I believe, and I trust His Holy Word. Thank you for knowledge, for your care. Let there be more kind people like you on the earth!"

AUSTRALIA, VIA E-MAIL:

"I am a young mum in Australia, and we've had our satellite dish just over a year now. Your 3ABN ministry has changed my life, and I am grateful to each of you for the sacrifices you make to spend your life working for God. The impact 3ABN has had on my life is beyond enormous! My walk with God has become strong, beautiful, and eternal. I am fully assured of God's love. When I watch 3ABN I feel like I'm standing close to heaven's door!"

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

UNFOLDING THE VISION

At the start of each year, Danny Shelton—3ABN’s founder and president—seeks God’s providence for the upcoming year. “A couple of years ago, I remember being impressed by God that ‘You Haven’t Seen Anything Yet.’ In 2006 He told us to ‘Evangelize With Power!’ Then, just before 3ABN’s 2007 Day of Prayer, He impressed me that this was ‘The Year of Victory.’”

God is abundantly confirming His providential leading of the network into greater global evangelism. The same-day announcement of the upcoming union of Three Angels Broadcasting Network and Amazing Facts—unanimously supported by both boards of directors—along with the signed contract for 3ABN carriage on DISH Network™ and the launching

of a new IPTV system which eliminates geographical barriers for receiving 3ABN’s signal, is mounting evidence of God’s design for victory.

Danny sees the uniting of the two Christian media ministries as a continuation of the unfolding of God’s vision for 3ABN. “It’s all about reaching the world with the three angels’ messages of Revelation 14:6–12 and the undiluted truth of God to counteract the counterfeit,” he says.

“Pastor Doug Batchelor and the Amazing Facts evangelistic team possess a great gift for packaging the gospel message, and 3ABN is one of the greatest tools on earth for delivering it. It will be exciting to add their talents to our powerful lineup of Bible teachers. Amazing Facts has also developed an excellent menu of evangelistic services

over the past 41 years. Together, we really will evangelize with power! Just think about combining the AFCOE [Amazing Facts Center of Evangelism] training school with the reach of 3ABN’s new international channel. The possibilities are mind-boggling!”

Expressing how he felt when Danny approached him about uniting the ministries, Pastor Doug Batchelor says, “The idea of this partnership came to me both as an astonishing shock, and something that seemed quite natural at the same time. To some extent we have always felt like we were in partnership, but officially joining the ministries was something I had not expected. It’s marvelous when you stand back and consider the many ways the two ministries complement each other. I’m hoping they can snap together like a couple of big Lego blocks.

“Our emphasis will continue to be on evangelism,” Pastor Doug continues. “We will be able to tape new evangelistic training programs and broadcast them on 3ABN or one of its

channels. Then the whole world could receive evangelism training! We also have a hundred registered websites providing Bible study in focused areas, and 3ABN provides a powerful mechanism to direct people to those websites.”

Danny adds, “We want to get people ready to receive the ‘Latter Rain,’ to bring God’s harvest into its fullness. I believe people have to receive the ‘Former Rain’ first—the Spirit baptism. Looking back at the early disciples, they came together in one accord in the upper room. As they united in one heart, God poured the Holy Spirit out on them. In Acts 2, the Bible records how all who believed came together, and shared everything in common, distributing it among them to meet the needs of all. Then the Lord added to the church daily those who were being saved. I believe as we combine our resources it will result in greater evangelism to prepare people for the Latter Rain, and—ultimately—for the return of our Savior, Jesus Christ.”

Founded in 1984, 3ABN began broadcasting on November 23, 1986, and now transmits its signal to ten satellites that carry it to every inhabited continent with a potential viewing audience of hundreds of millions. In addition to its English-speaking television network, 3ABN operates 3ABN Books, 3ABN Radio, and 3ABN Latino television network, along with a 3ABN television and radio production center in Nizhny Novgorod, Russia. The ministry has also announced plans to launch the 3ABN International Network before the year's end. The second largest Christian network in North America (in numbers of owned and operated UHF stations), 3ABN also has full-power stations in Papua New Guinea, Uganda, and the Philippines.

For over 41 years, Amazing Facts has provided a strong evangelistic ministry through an array of services that include evangelistic training through the Amazing Facts Center of Evangelism (AFCOE), live itinerant evangelists, publishing, radio and television broadcasts, and an Internet ministry and Bible school.

“We are both delivering what we believe are the undiluted truths contained in God’s Word—the same truths that God impressed on our forefathers,” Danny says. “We are of like mind and spirit, and we move in harmony in our basic belief system.”

“As we look at the union of these ministries,” Pastor Doug continues, “I anticipate that just as one head has two eyes and two ears, this ministry—with two campuses—can broadcast in stereo. Our mission will be to become parallel witnesses, giving one message with one voice.”

Many years ago, Ellen White wrote the following: “The secret of our success in the work of God will be found in the harmonious working of our people. There must be concentrated action. Every member of the body of Christ must act his part in the cause of God, according to the ability that God has given him. We must press together against obstructions and difficulties, shoulder to shoulder, heart to heart.”

“We have a great message, and it’s what the world is looking for,” Pastor Doug comments.

“As the final events unfold, people are going to be searching for true answers. We want to be shouting from a mountaintop to direct them to Jesus and to heaven.”

Reflecting on the Great Commission, Danny says, “When Jesus said in Mark 16:15, ‘Go ye into all the world, and preach the gospel to every creature,’ I always took that very personally. Each of us needs to do our part to spread the good news of salvation to everyone we meet. But there are still huge numbers of people that have never heard the gospel at all. By combining these two ministries, we will be able to reach the people more effectively. This will give us a global platform for evangelism, and perhaps we can hasten the soon coming of the Lord.

“As I have traveled from church to church speaking at 3ABN rallies, God has increased my personal passion for evangelism. As founder of 3ABN, imparting the vision God gave me nearly 23 years ago is one of my greatest joys. Being with the people and sharing the good news of Jesus is what captivates my heart. Continuing in this capacity and serving as a

member of the newly-formed board of directors, is how I see my efforts will be most effective in our combined ministry,” Danny says.

“I have asked Pastor Doug Batchelor if he would be willing to serve as president for our united ministries, and he has graciously said yes. I will strongly recommend to the new board of directors that they elect Doug as president.”

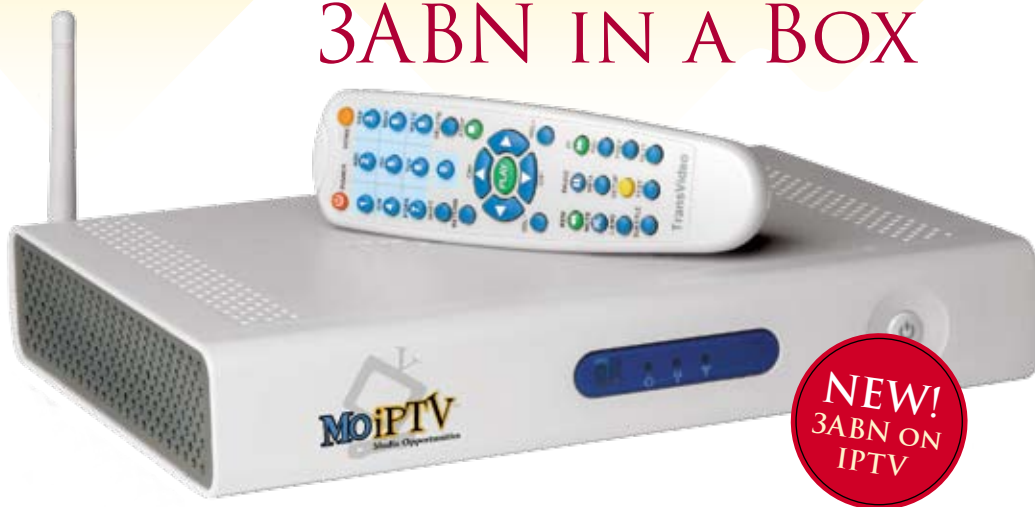

With a final comment, Danny adds, “There’s one thing I know for sure—we don’t want to limit God in our thinking. I believe He is up to something far greater than we can comprehend right now. As He continues to unfold the vision, I believe He will do exceedingly abundantly above all that we ask or think!” ■

PLUG & PLAY 3ABN IN A BOX

A thrilling new device has just been launched that will make 3ABN available to many more viewers around the world! It's called Internet Protocol Television (or

Now you can take 3ABN with you wherever you go: when you move, travel, stay in a hotel room, or even vacation overseas. All you need is a high speed Internet connection and a TV set. *No computer, no satellite dish, nothing else at all.*

The device is available through Media Opportunities IPTV (MOiPTV), an independent company which will provide 3ABN, 3ABN Latino, and Loma Linda Broadcasting Network, along with other family channels, to its subscribers.

"It really changes the way viewers watch TV because it

gives them flexibility they've never had before," explains Moses Primo, 3ABN's Director of Broadcast Operations and Engineering. "It's a 'plug and play' device, and it's very simple to use. You literally plug it into your high speed Internet connection, plug it into your TV set, and you're done. Your channels and menus are all accessible through your remote control, exactly as you would use it with your TV set."

There are many features to this new device, and more will be added in the future. Perhaps the most exciting feature is that you can watch, "on demand," anything that 3ABN has shown in the past 48 hours! That means that if you're late coming home one night, you can call up any program within the last two days and watch it in its entirety—on *your* schedule, when *you* want to. MOiPTV is currently in negotiations with several more content providers that should be added in the near future.

So far, the MOiPTV system is available in the United States,

throughout Europe, and also in some Asian countries. "We are working as fast as we can to get

The cost for this service is very modest. The receiver sells for US\$149, and a monthly subscription costs only US\$14.99. Equipment and service orders can be made by calling 3ABN during regular business hours at 800-752-3226, or by logging on to MOiPTV's website: www.moiptv.net. "I am amazed with this wonderful new tool God has placed in our hands," Moses says. ARMED AND DANGEROUS

by Nikki Anderson

Several months ago I was participating in a Bible study on the topic of the armor of God. As we read the passages in Ephesians 6, where the armor is listed and the battle is described, I thought to myself, “This is about our radio affiliates!”

As Christians, we are enlisted in God’s army on earth. It’s a volunteer army, mostly made up of foot soldiers. No war was ever won without the front line, dedicated souls who break through the enemy lines to make way for the big guns.

They don’t always know why they’re told to do something, but they follow orders. They’re armed and following God, so that makes them dangerous to Satan. This is very similar to most of our affiliates; some of whom knew nothing about operating a radio station, but they did know God told them to do so.

3ABN Radio affiliates have the “girdle of truth” to encircle and protect them. The truth of the gospel is salvation in Jesus Christ, which is presented in a consistent message from 3ABN Radio Network. This army has heeded the call of the Holy Spirit to live and practice that truth, and they’ve put it out over the airwaves for all to hear.

They have the “breastplate of righteousness” to protect their hearts from being wounded by evil. The righteousness is Christ’s, not ours, so this piece

of armor prevents them from fighting the war with their own righteousness. It also protects their hearts from losing their love and compassion for the people they are trying to reach.

The “shoes of the preparation of the gospel of peace” cover their feet so they can stand firm or march forward, whichever they are asked to do. Preparation means to be ready—ready to stand firm in their faith in God and to communicate the love of Jesus to others. Some of the stations have been a catalyst for “marching” out into the community to witness to people in many other ways.

The “helmet of salvation” covers their heads with salvation through Jesus Christ. His shed blood covers their minds, because it is in the mind, first, where a person changes loyalties, thoughts, and beliefs. Some station owners have faced great challenges from people who have turned against them because of the radio stations. Did those friends lose their helmets? Remember, to be able to stand against the wiles of the devil, the Bible says to put on the *whole armor of God*.

The station owners also have the “shield of faith” to stand behind, which is their confidence and trust in our awesome Creator. The kind of faith that says, “If God tells you to build a radio station, then He will make a way for it to happen.” It’s faith that our heavenly Father is who He says He is, and that He will do as He says He will do!

The “sword of the Spirit” is the Word of God. Sword fighting requires close contact, so using the Word of God makes this battle up close and personal! The sword is ineffective if it’s just lying around somewhere. But in the hands of a warrior, it can penetrate the heart, just as the radio signal reaches the hearts and minds of listeners.

Calls and letters come in every day from people who enjoy the message they hear through their radios. Sermons, health programs, and music continue to bless their hearts and minds.

“The Lord is faithful; He will strengthen and protect you from the evil one.” 2 Thessalonians 3:3.

Armed and dangerous? You better believe it! ■

MIRACLES IN MEXICO

by John Dinzey

Mexico is home to more than 107 million people—people who need the Lord! Is God using 3ABN Latino to reach them? I'm happy to say that the answer is *yes!*

More than 85% of the population has radio and television service. Since 3ABN Latino was launched in August of 2003, Mexico is one of the countries where the Lord has opened the most doors with cable companies. In fact, God has used pastors and lay people alike to bring the good news to millions.

A few months ago I spoke to a pastor from Mexico on the telephone. I cannot tell you how moved I was to hear his excitement as he reported how many cable companies had put on 3ABN through his efforts.

“Just yesterday I received a call from a cable company ask-

ing me what they had to do to get 3ABN Latino on their cable system,” he reported. “Unbelievable! They called *me!* I just marvel how the gospel is being brought to the homes of people over here. It's incredible that now they are calling *us*, not us calling them!”

Recently my wife Idalia and I traveled to Mexico for some meetings with church officials. Many of them told us how happy they were with 3ABN Latino's programming. One of the officials who works in the Northeastern Mexican Conference of Seventh-day Adventists greeted us saying that 3ABN Latino has been a tremendous blessing to his territory. “We tried for ten years to get 3ABN on cable,” he said. “Then last year the Lord blessed us with a miracle, and we were able to get 3ABN Latino on cable in Monterrey.”

Monterrey is the third most populated city in Mexico with 3.4 million people, and God is using 3ABN Latino to touch their hearts. In the short time we were in Mexico, we were told several stories of families that have been blessed by our Christ-centered programming. One elderly couple was particularly happy to meet us. They told us what a great blessing our programs were to them, and their faces beamed with joy as they said, “In two weeks a whole family in the city of Linares will be baptized because of the programming on your network!”

We couldn't help saying, “Praise the Lord!”

Another pastor told us, “There's an army captain and a commander visiting our church, and they are very interested in learning more. They said they had been watching

3ABN Latino for a few months before they decided to come to church.” That pastor also explained that the captain was sharing what he learned about 3ABN Latino and the Seventh-day Adventist Church with about 200 soldiers who were interested in spiritual matters. People need the Lord!

My wife and I were thrilled to hear these stories. We praise the Lord as we see and hear how He is using 3ABN Latino to bring the good news to the world. By His power 3ABN Latino can currently be seen on more than 90 cable companies in Mexico alone. And by the grace of God we will be on over 100 cable systems by the time you read this article! Please remember us in prayer and ask for the Lord to continue using us to bring the gospel of Jesus Christ to every kindred, nation, tongue, and people. ■

John Dinzey is the general manager for 3ABN Latino Network. He also works in Pastoral Ministries.

Memory verse

"The Lord does whatever pleases Him, in the heavens and on the earth, in the seas and all their depths." **Psalm 135:6 (NIV)**

Hey Kids,

Do you have any unusual pets? I did when I was growing up. I was in the mall with my niece Azure a few months ago, and we walked into a store that had a big collection of hermit crabs for sale! We had so much fun watching those little critters, so I decided to draw one for you to enjoy. You can learn a lot about hermit crabs on the Internet, or at your library. Check them out!

DON'T TOUCH THAT DIAL

by Anita Tani

Frances Prestidge found 3ABN on her television when she moved to Tyler, Texas. It was the beginning of a closer walk with Jesus.

A delightful, energetic 81-year old, Frances Prestidge is full of life and a deep love for her Lord. She also

Quaker, with a good biblical foundation in God's plan, and our responsibility to serve Him," she says. "My father was born in Philadelphia, Pennsylvania, and was a Quaker by birth. My family came to America the same year that the King of England gave Pennsylvania to William Penn, in 1682. Though I never knew any other Quakers in the South where I lived, I always retained my Quaker faith; but I wandered from church to church seeking more truth."

Along the way, Frances gathered a rich background of experiences and education,

comes from an unusual background, so far as her religious beliefs are concerned. "I was a twelfth generation American

including degrees in chemistry and mathematics from Louisiana State University. Her interest in aviation also drove her to obtain her instrument-rated pilot's license as well. But it was in photography that she really excelled. Her portraits won the top award from a field of 5,000 photographers in a five-state Southwestern Professional Photographers Association contest, and her work went on national tour 25 times!

But all these achievements and accolades paled in comparison to the work which she treasures the most. In 2005, after careful study, Frances completed and published a book entitled, *The Wonder of Christ*, taking the words of the four Gospels and putting them into a first person account—as if they were spoken by Jesus. Her book has been widely sold in Christian book stores, and Frances says that it surpassed all the Lord has allowed her to accomplish through the years.

But what led her to embrace the Sabbath, and how did she find 3ABN?

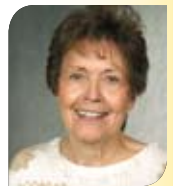

"Three years ago my husband and I attended a county fair in Arkansas," Frances says. "As

we visited different booths, we stopped at one where there was Christian material. The man at the booth gave me a book entitled, *The Passion of Love*, by Ellen White, and as I read, new truths unfolded before my eyes. Noticing it was a condensed version of the book *The Desire of Ages*, I quickly ordered that book as well."

It wasn't long before Frances found the beautiful teachings of Jesus on the fourth commandment. "I mentioned once to my husband that I thought we should be keeping the Sabbath," she says, "but his reaction was so strong I never mentioned it again."

She continued attending church with him, but every time she asked the pastor about the Sabbath, he would tell her that what she was learning was true!" Sadly though, he also admitted that this truth was not popular in his church.

After moving to Chandler, Texas, Frances and her husband met a woman in a store who told them about a Christian television network called 3ABN. "I had never heard of it, but I told my husband I wanted a satellite dish to pick it up. We

purchased a dish, but when the technician came to install it, he told us we had too many trees in the way, so we had to scratch the chance to receive Christian programming.”

More bad news came as her husband informed her that he wanted a divorce, and soon Frances was moving into a small house in Tyler, Texas. Feeling alone in her new home, she decided to plug in her TV set. As it came on, she was baffled when the first station to come on was 3ABN! “I had no satellite dish, no outdoor antenna, nor even working rabbit ears,” Frances exclaims. “But here was channel 26—3ABN—right on my TV! I couldn’t believe it! I didn’t know how I was getting this station, but I didn’t want to lose it, so I told all the visitors to my house not to change the channel. I was scared I would lose it forever!”

Eagerly, she began watching 3ABN. As she listened and followed along in her Bible, she discovered she had many beliefs in common with Seventh-day Adventists. Soon she was looking for a church in her city, and when she found it, she quickly approached the pastor,

asking to be baptized. Startled by this sudden request, the pastor suggested she study and complete a set of Bible lessons first. Undaunted, Frances took the lessons home with her. “The next morning I brought them all back—*completed!*” she says with a smile. “I was baptized and joined the Seventh-day Adventist church in July of 2006, praising the Lord, and with the congregation singing, ‘This is my story, this is my song...’ I’ve found a wonderful home with my church family, and I’ve never been happier,” she adds.

Frances never tires of telling how God has protected her over the years, and she has compiled these stories into an autobiography entitled, *Just Ask—Miracles Do Happen*.

One incredible miracle happened when she and her former husband were traveling in their motor home along the Blue Ridge Mountain Parkway in Virginia. “I kept exclaiming, ‘Look at this view!’ over and over, and as my husband sneaked a peek, he took his eyes off the road and we tipped on our side, with both right wheels off the pavement! The motor

home was unsteerable, and was shearing off the saplings along the side of the road. The whole right side of the vehicle was torn away by larger trees, and we were thrown down the side of the mountain. The table, seats, and refrigerator all fell out and disappeared over the side, and we rode up the trunk of a tree, pushing it over. A huge circle of roots stood up behind us, and suddenly the entire roof was sheared off.

We hit another tree and the motor home finally came to a sudden stop, with the front wheels in the air. As we teetered there, my husband told me to get out of the motor home before it exploded!”

That’s when Frances realized her legs were pinned under the crumpled dash, and she wasn’t able to move. Crying out for help, she heard a deep voice above her telling her to put her arms around his neck. “When I looked up, all I could see was blue sky and the head and bare shoulders of a black man,” she recalls. Clasp ing her arms around his neck, he pulled her out to safety.

The emergency squad arrived quickly, and Frances

asked where her rescuer was. “I wanted to thank him for saving my life, but to my amazement, they told me there wasn’t a black man anywhere!” she exclaims. Their motor home was precariously positioned, and had to be tied to a tree to prevent it from careening down the mountainside. “We

“I told all the visitors to my house not to change the channel. I was scared I would lose it!”

couldn’t understand how anyone could have been on top of that motor home to pull me out of it. There was no doubt in our minds that my rescuer was my guardian angel,” Frances says.

It was a long journey from her Quaker roots to the Seventh-day Adventist Church, but Frances says that because of 3ABN she now has a new family. She has completely embraced the truths she holds dear to her heart and adds, “I love 3ABN. I don’t watch any other programs anymore. And the TV dial doesn’t move at all.” ■

DEBBIE YOUNG: SHARING CHRIST IS EVERYTHING

As August approaches, three letters are on everyone's mind at 3ABN—ASI. They stand for Adventist-laymen's Services and Industries, and once again, as they have for the past 60 years, this exciting group of people will gather to share ideas, inspiration, and incredible testimonies of how God has opened doors for sharing Jesus Christ in the marketplace!

We talked to ASI president Debbie Young, who spoke with her typical enthusiasm about the organization that makes up so much of her life today. "From the first convention my husband Ray and I attended in Toronto, Canada, we were simply amazed. I remember

thinking, 'Where have we been that we didn't know about this?' After the convention we were hooked, and it continues to nurture us spiritually."

After joining ASI, Debbie found herself becoming increasingly involved. First she was asked to interview members on stage during their conventions. Later she was asked to serve in two vice-presidential positions before becoming ASI president—an office she has held for two terms.

It's a job she's well suited for, too. Her enthusiasm is contagious, and when asked what she is most excited about, she has a ready answer. "ASI was originally comprised of supporting ministries focused

on education, medical missionary work, and agriculture, eventually evolving to include businesses and professionals," she says. "But it's interesting to see that we now put more money into our youth programming and Youth for Jesus outreach than we put into our convention," she adds. "There's a significant investment in focus, money, and support, to help our kids learn how to witness for Jesus. They walk away with a clear idea that they are to be disciples of Christ. In fact, many of our members who have raised their children at ASI have seen them grow spiritually with a passion for witnessing because of our annual encounters. Everything

we do focuses on Christ. That's the glue, and that's borne out in the relationships of those children as they start families of their own. Their whole lives have been surrounded by an atmosphere of sharing Jesus, and now they are marrying other ASI kids and creating their own ministries!"

And ASI's youth *are involved!* "The ASI Youth for Jesus program will be conducting evangelistic meetings in Louisville, Kentucky, beginning in early July," Debbie tells us. "Between 40 and 50 young people will participate, along with 20 Bible workers and a support team of adults to keep them all fed and taken care of."

ACORNS, TURTLES, AND A MESSAGE FROM GOD

by Adam Dean

It was October 2005, and I had a big decision to make. Feeling the pressure of not knowing what to do, I went for a walk near my home in the hills of Bella Vista, Arkansas. I've always found it comforting to go for a walk while praying—being alone with the Lord, pouring out

ing God to give me peace and guidance. The neighborhood where I would go for walks was full of big, beautiful pine and oak trees, and was a great place to be alone with the Lord. But as I walked along that morning, praying, my attention was drawn to some acorns on the ground. I had seen lots of acorns in the past, but I had never taken the time to really look at one. I bent down and picked one up and began to marvel over its design. What incredible detail was packaged in this tiny creation of God! My mind was filled with thoughts of admiration as I meditated on God's creative power.

Just a little farther down the road I noticed other acorns that were still green, and to my surprise, the design of their little acorn "caps" was different

my heart to Him. "From the end of the earth I will cry to You, when my heart is overwhelmed; lead me to the rock that is higher than I." Psalm 61:2.

I started praying about the decisions I had to make, ask-

"STAND STILL AND CONSIDER THE WONDROUS WORKS OF GOD." JOB 37:14

than the previous ones. Wow! What an awesome Creator we serve—what wonderful detail and variety God provides even in the smallest of His creations.

By this time, some of my favorite scriptures were coming to mind. Revelation 4:11 says, "You are worthy, O Lord, to receive glory and honor and power; for You created all things, and by Your will they exist and were created." Then I thought of Job 37:14: "Stand still and consider the wondrous works of God."

With fresh promises in my heart, I continued my walk, praising God for reminding me that no detail of my life was too small for Him to notice. My worry about the decision I had to make was *gone*.

Then I spied a small turtle up ahead. He was right in the middle of the road, just sitting there. I felt an urge to move him into the grass before he was run over. As I approached him, I gently scooted him off the pavement. Then it hit me. It was almost as if the Lord had tapped me on the shoulder and said, "If you have the com-

passion to move a turtle out of harm's way, don't you think I would do the same for you?"

This thought rang clearly in my mind. I asked the Lord to forgive me for worrying so much about my problem instead of focusing on Him. God is certainly good to me, but sadly, I tend to forget just how loving and kind my Heavenly Father really is. "Through the Lord's mercies we are not consumed, because His compassions fail not. They are new every morning; great is Your faithfulness." Lamentations 3:22, 23. I can trust Him, for He knows what is best for me.

The Lord provided strength and encouragement on my walk that day, and He helped me have peace about the decision I had to make. God's creation can teach me precious lessons of obedience and trust—if I only listen! ■

Adam Dean works as a graphic design assistant, and is 3ABN's newest newlywed! He and his wife Gabriela love the outdoors.

► “Debbie Young: Sharing Christ is Everything,” from page 23

But that’s not all. Through the years members have funded many worthy projects like providing tin roofs for churches in Africa and building dormitories for self-supporting Adventist schools. Other projects have included special DVDs with sermons and graphics that are culturally sensitive for different parts of the world, buying bicycles for mission pioneers in underdeveloped countries, and working with the Adventist world church to sponsor programs like Sow One Billion and the Elijah Project. All year long, ASI members save up sacrificially. Last year alone they raised \$3.1 million!

3ABN has been a grateful recipient as well. Through generous gifts from ASI members we were able to launch the 3ABN Radio Network, change over broadcast operations to digital format, build television stations, and much more.

But how did ministry work get Debbie involved with ASI in the first place? “Well, my husband Ray and I became ASI members through a ministry we had started in 1989 called

Quiet Moment,” she says. “Ray really loved radio growing up in Belize. In fact, he used to record his own programs with his father’s tape deck. When we moved to Ypsilanti, he stepped in to help with the audio for our church service, and it wasn’t long before we created Quiet Moment Ministries, producing a series of one-minute and five-minute segments for radio. Then it became a 30-minute religious variety program, produced in the second bedroom of our apartment.” Debbie laughs, explaining that the church board eventually voted to provide them space in the church basement after the neighbor’s dog developed a pattern of barking every time they started a recording session!

Their ministry has continued to grow to the point where the largest Christian radio station in Detroit, local radio stations in surrounding communities, and stations in the Adventist Radio Network have all carried their programs. Currently, Quiet Moment is broadcast on the Internet. They also partner with the Ypsilanti SDA church to stream church services live

on the Internet each week. “Since we began this phase of the ministry, we’ve received e-mail responses from as far away as China!” Debbie exclaims.

It’s easy to see how the Lord has blessed their ministry, and Debbie sees the same blessing on all those who come together for fellowship, training, and inspiration at ASI conventions. When asked what she believes to be her greatest challenge, she pauses for a moment. “To remember that nurturing my relationship with God is the most important thing,” she answers, “because it’s fundamental to effective leadership and witnessing. I have a burden to let people know that the ‘specialness’ of ASI results from their relationship with Jesus. That’s the power that makes ASI what it is!”

3ABN is grateful to ASI for their unwavering support of ministries, and for allowing us to once again broadcast extensive live programming from their convention. It all begins Wednesday night, August 1, at 7:00 p.m. EDT. And if this year is anything like the last 60 years, it will be an awesome blessing to watch. ■
