**"You shall receive power when the Holy Spirit has come upon you... you shall be witnesses to Me in Jerusalem ... Judea and Samaria, and to the end of the earth." ACTS 1:8**

Dear Family,

We need the Spirit's power to spread the Gospel! Our world is full of broken people who long for solutions that only God can supply.

I have a tremendous burden for world evangelism. As we focus on this critical work, let's remember the world includes Jerusalem (hometown), Judea, and Samaria (surrounding areas). Suffering souls surround us — they need Jesus.

Let's reach the nations and our neighbors! If each of us took God's undiluted truth to only one person by year's end, our local churches could double. Can we do it? By the Spirit's power, yes! Are we motivated to do it? We will be if we submit and commit our lives to Him and ask the Lord to give us His heart for the lost.

Support world evangelism! Also, invite someone to church with you. Give a Bible study. Give a 3ABN satellite system. Pray for the Spirit to give you a loving heart and a holy boldness. He will!

I sincerely thank you for your prayers and donations to 3ABN. The Lord is opening doors to the world, and though our needs grow proportionately, we're walking through by faith. We're confident God will continue to supply abundantly, according to His riches in glory! We pray He does the same for you!

Love,

*Danny Shelton is the president and founder of 3ABN.*

*Have you been blessed by 3ABN? Or have you come to know the Lord Jesus Christ by watching or listening? We'd love to know!*

Your testimony can make a difference in our readers' lives, so why not sit down and drop us a line? You can write to us at: 3ABN World, PO Box 220, West Frankfort, IL 62896. E-mail us at: mail@3abn.org.

**GRAND FORKS, NORTH DAKOTA:**

"I originally turned to your station for the cooking shows, but I now find myself blessed by your health and Bible programs also. So often when I 'just happen' to turn your program on, I hear exactly what I need for my life at that time."

**BLOEMFONTEIN, SOUTH AFRICA:**

"Here in South Africa the daily news is made up of murders, corruption, and other bad things, and most of the Christian programs are filled with New Age rubbish. That is why God blessed the world with 3ABN — to bring us the wonderful Word of God as He intended it to be, pure and undiluted. May God bless you all, and please keep up with

the good work!"

**WILLIAMSPORT, PENNSYLVANIA:**

"Only a few days ago I discovered your wonderful network. I phoned your toll-free number and talked with an operator who promised to send me your free offer. In the wee hours of this morning I heard a lecture on 'The Middle East in Bible Prophecy.' Never have I heard such a well-documented, clear, thorough, and wonderful description from the beginning until this day. I will be listening and watching your programs whenever I can."

**MOSUL, IRAQ:**

"I am watching you in Mosul, Iraq. I'd like to thank 3ABN from my heart for introducing me to real Christian life. What I want to say is that we need an Arabic version of 3ABN channel or an Arabic website. I love you."

**MEEKATHARRA, AUSTRALIA:**

"I would like to encourage you with news that we have been watching 3ABN for three

years in the desert of Western Australia. We receive it via Thaicom-3 and broadcast 3ABN to our small remote community and Aboriginal school. I cannot speak for everyone in this community, but I have been blessed by your programs."

**PUERTO CABEZAS, NICARAGUA:**

"English is not my language, so please forgive me if there is any mistake. My main language is Miskito, but I can speak Spanish and little bit of English. Last night I was watching your musical TV program and I enjoyed it very much. I don't know if your free offer extends to my poor but beautiful country of Nicaragua, but I hope it does. Thank you and may God bless each of you richly."

**MUMBAI, INDIA:**

"Dear sirs, I have recently started watching 3ABN and simply love it. I praise God for your ministry and for answering my prayer for a programme like yours. I was baptized after watching Pas-

tor Doug Batchelor's *Net '99* series. Thank you very much. God bless you all."

**CALDWELL, IDAHO:**

"For over a year now, I've been sending \$50 each month in gratefulness for what 3ABN means to me. I have to admit I did not know how I was going to manage it when I raised my contribution to \$50, but everything worked out! Thank you so much for allowing me to be a part of sending your wonderful message to all the world. I pray that others will be touched as I was. My prayers are with you every day."

**LURAY, VIRGINIA:**

"My husband is handicapped from a stroke, and he watches very frequently, almost every day — all day! We are both enjoying *Kids Time*, and the money we spent to have 3ABN's satellite dish installed is the best investment we have made in our 57 years of marriage!"

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

# 3ABN Latino Turns Two

**T**his month, 3ABN Latino Network celebrates its second anniversary on the air, and while we are happily celebrating our birthday, we can't help but be amazed about what God has accomplished in such a short time. 3ABN Latino is now on cable in every Spanish-speaking country — except Cuba (and we're praying for a miracle there, too!).

From the beginning, God has been in control of every aspect of this ministry, both big and small. Every decision has been made with His guidance, and we have taken each step by faith. As we look at the results, we realize that God has been able to use 3ABN Latino to bring hope, love, and joy to our viewers all over the world!

3ABN Latino Network is more than just cameras and equipment. 3ABN Latino is people. It's workers who have

a burden to help mend broken people by introducing them to Jesus Christ. People like John Dinzey and José Medina, who pray with viewers over the phone and answer their Bible questions; Moses Primo and Hernando Cruz, who keep the studio and satellite equipment functioning; Jorge Pillco, who edits the Spanish programs; Yolanda Santos, who does the program scheduling; and Felicita Pillco, who answers phones and helps in many other areas. Others, like Idalia Dinzey, work in other jobs but still find the time to volunteer as translators and even host programs for the network. We all have one thing in common: Our hearts long to see our

brothers and sisters in heaven for eternity!

But there are others who work with us, too. Several months ago, the president of Cristo Visión, a television network in Costa Rica, came by our facilities to meet us. What a thrill it was to hear Mr. Luis Fernando Calvo tell us about the blessing 3ABN Latino Network has been to his viewers all over his country!

As we celebrate our birthday, we thank you for all the gifts you have showered on us — in the form of letters and e-mails. Just as a 2-year-old anxiously opens his brightly colored gifts, we open every letter and e-mail with the

same excitement and anticipation!

Let me share an excerpt of a letter I recently received. It says, "I would like to congratulate you for your programming, and I would also like to let you know that even though I am not a Seventh-day Adventist, I am a Christian. Since your network began to air on my cable system, I have made it my favorite because its programming has been a great blessing to me!"

You have given us words of encouragement and helped us dream bigger dreams. With your encouragement we have set even bigger goals for God's honor and glory! With your support, and by God's grace, 3ABN Latino will continue to be a vital instrument in finishing the work so Jesus can come for us soon. Please continue to remember us in your prayers. We believe 3ABN Latino Network is the perfect instrument to give hope, love, and happiness to the millions of Spanish and Portuguese viewers all over the world! ■

# Greater Plans Ahead!

As 3ABN continues to stretch the reach of the gospel to every corner of the world, we are amazed at how the Lord has provided for the needs of the ministry! Truly we have witnessed incredible miracles over the past 20 years, and it strengthens our faith and belief that He will continue to provide for our needs in the future.

When Danny Shelton was impressed by the Lord to build a station that would reach the world with the three angels' messages of Revelation 14, he could not have imagined what God would do as he stepped out in faith and began working toward that goal. Today 3ABN circles the globe with satellite signals

that carry our English and Latino television networks, as well as 3ABN Radio Network, bringing hope and happiness to millions of viewers!

But is this all that the Lord would have us do? Surely He has greater plans in our future!

Our president, Danny Shelton, has just unveiled plans for even greater evangelistic outreach worldwide.

He believes that 3ABN should build new radio and television stations in the U.S. and around the world! He also sees the need to expand our cable and satellite audience around the world, and plans

Matthew Andrew is 3ABN's Field Marketing Director, and in many ways he is a real cheerleader! With his help, individuals and church groups successfully market 3ABN to local cable companies.

# SUMMARY

## of 3ABN EXPANSION GOALS

1. New radio and television stations
2. New 3ABN Latino studios
3. Programming in new languages
4. Greater cable coverage
5. Direct-to-home broadcasting
6. More live satellite evangelism
7. World of Praise Television Network
8. Greater Internet bandwidth
9. New children's studio
10. New children's programming

are underway to launch 3ABN programming on a Scandinavian satellite, and to pursue other avenues to reach people in their homes through direct-to-home broadcasting. While this is in progress, we are hard at work reformatting our program schedule for our worldwide audience.

In addition, our Internet viewers are continually increasing in numbers, and what a wonderful opportunity this has been to reach millions of people in places where satellite reception and over-the-air broadcasting are not options! With this growth in viewership comes the need for expanded Internet bandwidth, and we are stepping out in faith, believing that God will continue to meet our needs.

As we see continued signs of end-time prophecies, we are aware of the millions who still haven't heard of Jesus. We also believe that the Lord will abundantly bless the efforts of those who will take the gospel commission seriously and preach the gospel to every nation. Therefore, we are bringing renewed attention to reaching the world by producing more "live" satellite evangelistic programs around the globe!

Another area that we are focusing on is reaching the millions of people who live in our inner cities. The urban population of cities worldwide is growing by alarming rates. They need to hear the good news of Jesus Christ, too! We are happy to have Wintley Phipps on our board of directors, and he has been chosen as the new general manager of our newest ven-

ture, the "World of Praise Television Network." Plans are underway to produce relevant programming that will meet the social, physical, and spiritual needs of the great city populations. Please pray for this project!

Our 3ABN Latino Television Network has continued to grow as well, and there is a very urgent need to fully convert one of our studios to produce Spanish- and Portuguese-language programming.

In addition, our children's programming needs are growing, and our new studio located in our Worship Center needs to be completed.

On the surface, these plans seem overwhelming, especially considering that 3ABN

has no funds set aside for projects such as these, but as Danny learned many years ago, "Where God guides, He provides!" Although the cost of these projects has been estimated at \$3 million, we know that when God's people come together with purpose, the funds have always become available.

Won't you pray and ask what the Lord will have you do to help 3ABN in its ministry to reach those who are still lost and dying? So many people can be reached so efficiently and easily through our television and radio programming. It can reach through the walls and closed doors of those who are hungry for spiritual food from above! We want to thank you for your prayers and support of 3ABN, and we look forward to continuing to help "mend broken people."

*Pastor Wintley Phipps, the visionary president of the U.S. Dream Academy, leads the team who are developing the new 3ABN World of Praise Network. Plans call for studios in Florida that will provide 24-hour programming for urban audiences.*

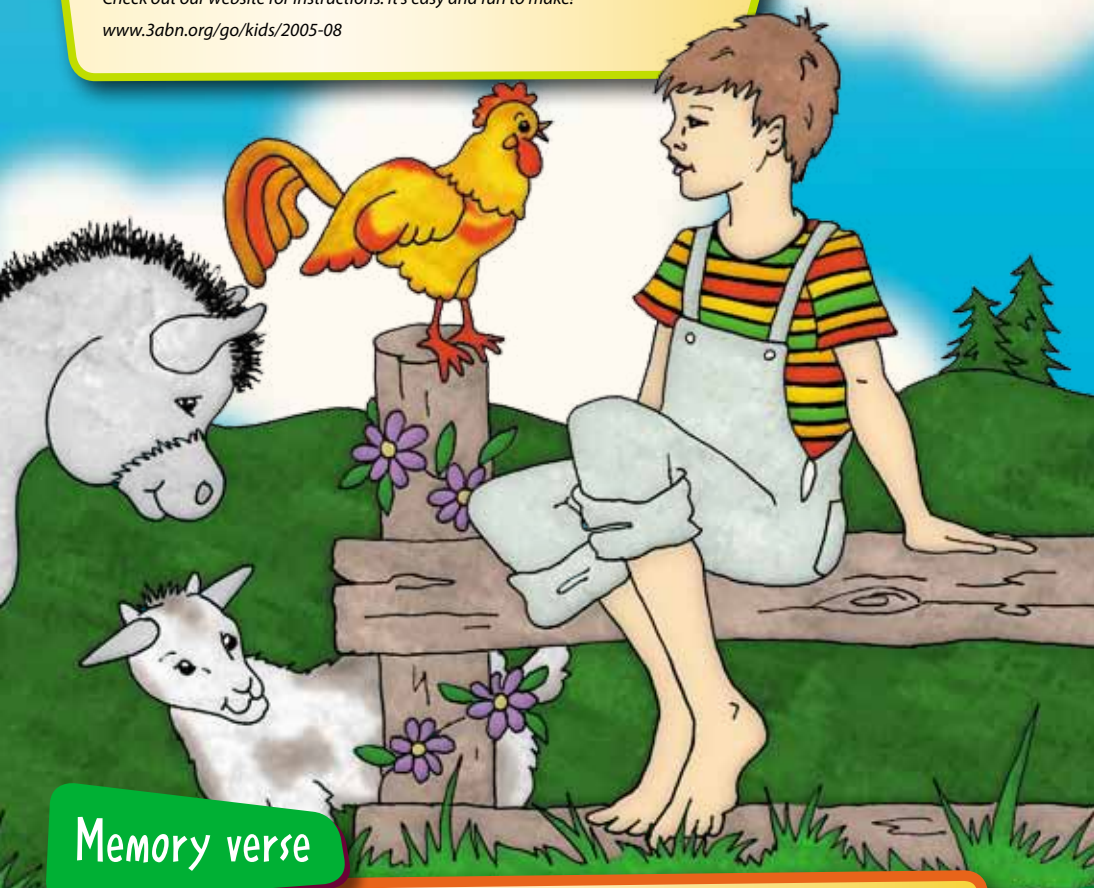

*Steve Nelson, 3ABN's Webmaster, has just launched a completely new website for our networks. In addition to streaming video and audio for each network, 3ABN books, music, videos, and other materials are available for the first time in our new online store!*

## Memory verse

Galatians 6:9 (RSV): "And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart."

### Hi, Kids!

I was born in the Ozark Mountains of Missouri, and I grew up with chickens, goats, donkeys, ducks, kittens, and dogs! But my favorite pet was a barred owl we raised from a chick. So I decided to draw a farm scene this month. In fact, my niece, Azure, helped me! She drew the animals, and I drew the farm boy. Have fun finding the hidden words in the Farm Life Game!

## Keeping the Focus

L to R: Don LeBlanc and Warner McClure dedicate equipment for Vermont Christian Radio, WJPL-LP 92.1 FM, located in Barre, Vermont.

**H**ave you noticed how the term “focus” is so prominent in today’s business language? We are constantly reminded that we must keep our minds *focused* on the major issues of a company, or on a personal goal, in order to achieve greatness.

Jim Morris is the general manager for 3ABN Radio.

Focus is important for our radio ministry as well. At 3ABN Radio Network, our focus is to spread the gospel in a clear and understandable manner, so that our listeners can make the choice for eternal life and spend time with their Savior Jesus Christ. Our focus will remain on the clear presentation of the Bible, and

we’re committed to bringing life-changing truth to our listeners all over the world.

We are overjoyed by God’s blessings as we welcome each new affiliate station to our radio family. In fact, seven new stations recently came on the air! If you live in these areas, tune in and find out what 3ABN Radio is all about:

## Great Joy in Heaven

**A**ugust marks our network’s second anniversary, and we can truly say, “Thank you, Lord!” God has moved upon the hearts of laypeople, pastors, and Conference presidents to help us grow incredibly fast. God has also moved upon the hearts of cable company owners to add 3ABN Latino to their lineup without any appeal from their local community! Now that is a *big* “Praise the Lord!”

In Luke 15:6–7 Jesus said, “And when he comes home, he calls together his friends and neighbors, saying to them, ‘Rejoice with me, for I have found my sheep which was lost!’ I say to you that likewise there will be more joy in heaven over one sinner who repents than over ninety-nine just persons who need no repentance.”

In this parable Jesus reveals that the loss of one is of such value as to sacrifice all. The infinite love of God is revealed for one lost soul, one lost

world. Consider the joy in heaven over one sinner who repents. That’s what 3ABN Latino is all about!

Every month our potential audience grows by many thousands. And since there

**Consider the joy in heaven over one sinner who repents. That’s what 3ABN Latino is all about!**

are well over 600 million people who speak Spanish and Portuguese as their first language, can you imagine God’s concern for each one of them?

We rejoice that as we work together to reach the lost, we bring joy to heaven! Thank you for your prayers and financial support that help us stretch the reach of the gospel to the far corners of the earth!

# JUST AS I AM

*From drugs to ministry*

**R**ich and Susan Kol- lenberg grew up in a small town in North- ern California. They were both overachievers in school, and at least on the outside, they looked pretty good. But both of them grew up with fear and a deep sense of emp- tiness inside.

Rich chose not to go on to college, but started working as a mechanic instead. Soon he began to drink every day in an effort to fit in with his new friends.

“At first it was not a physi- cal addiction,” he says. “It was more of a routine, a ritual — something I did every afternoon and evening, even though I felt so bad in the morning I swore I would never do it again.” Soon he joined several rock-n-roll

bands and began using every drug imaginable and had a daily cocaine habit.

Susan had always felt unlovable, ugly, abandoned, and different after suffering sexual abuse at a very young age. “I felt like I was walking around with this big black hole inside of me,” she says. “I attended a Catholic school when I was young, and I was mesmerized by the mystical and beautiful surroundings. But where was God? If He was so powerful, why did He allow all of these awful things to happen to me?”

When she was 10 she began smoking cigarettes, quickly moving on to alcohol and marijuana. By the age of 13 she had tried cocaine, and by age 15 she was using it on a regular basis.

Photo: Douglas Garcia

Inevitably, Rich and Susan met. “We had the same goals in life,” Rich says. “We wanted *more!* Whatever drugs we had, we wanted more.” With this in mind, their drug use increased, and their lives spi- raled downward. Soon Rich was dealing large quantities of drugs, storing weapons, and growing marijuana. Drugs came first for him — before family, before his girlfriend, and before work. “All this led to me sleeping on the dirt floor in a shack in downtown

Sacramento, California, with a beer keg for a fireplace, and chemicals all around me to manufacture methamphet- amines,” he remembers sadly.

By this time, Susan’s life had taken a different turn. At age 19 she had already been arrested for selling cocaine to an undercover police offi- cer. On through the years her addiction to cocaine took her ever lower. “I knew no boundaries,” she says. “I did whatever I had to do to get the drugs and stay high. But

*Rich and Susan Kol- lenberg found a new life in Jesus Christ by watching 3ABN. Today Susan works at Amazing Facts with Doug Batchelor after meeting him at a Taco Bell restaurant!*

things got to the point where nothing was strong enough to fill that awful hole. Drugs took me places and made me do things I swore I would never do. Then I realized that I couldn't live with them, and I couldn't live without them."

At 31, she was arrested for drugs again, this time in the home where she had grown up. "My father was the mayor of the town at that time," she says. "I had done so much to humiliate my family and myself, but when I called my father, he said, 'I just want you to get help, Susan. I don't care about what other people think, I just want you to get help.'"

After three years of abusing the recovery opportunities that the courts had made available, her probation officer was fed up. "I was facing even more jail and prison time," she said. But the night before she turned herself in, everything changed. "I knew I was going to die, and I cried and asked God to help me. I was extremely underweight, my hair and teeth were falling

out, and I had sores all over my body from using drugs."

In the jail she met a woman who asked her why she kept doing things to hurt herself. Through her tears, Susan told her that she felt as if she didn't have a choice — it was the only life she knew. The woman then asked her if she could pray with her, and even though Susan didn't believe it could work, she agreed. Susan had been humbled. Little did she know that this state of humility had also placed her in a position to receive God's wonderful grace!

Then the miracle happened. "I don't remember exactly what that woman said, but I do know that God heard her prayer, and I have never had an obsession to use drugs since then!" Susan says. "I began to say simple prayers like, 'God, please help me!' and it worked. From that point on I knew that it was only the power of God that made it possible for me to stay clean."

Rich had continued to use drugs while Susan was in

prison. Although their relationship was over, Susan told him what had happened to her, and at that point Rich says he began to feel the Holy Spirit working on his heart.

"I took a long hard look at my life," he recalls. "I told Susan I wanted to stop taking drugs. She said, 'Pray to God. Ask Him and He will help you,' so for about three months I prayed a three-word prayer: 'God help me!' I was worn out, I had nobody left. Then one day I remember lying face-down on my bed screaming at the top of my lungs for God to help me. Suddenly I felt something. I sensed God speaking to my heart and telling me that I would never have to use drugs again!"

Rich and Susan got married shortly after they both stopped doing drugs, and slowly they began to understand that their recovery depended on their continuous spiritual growth. Although they didn't have much, they did own a 13-inch black-and-white TV with a rickety "rab-

bit ears" antenna. One day Rich "stumbled" onto 3ABN's local affiliate station, channel 27, in Sacramento, California. One of the preachers they saw was Pastor Doug Batchelor, speaker and director for the Amazing Facts Ministry. Each day they continued to watch 3ABN more and more, and yet they never heard any mention of the Seventh-day Adventist church.

One day Susan was standing in line at a local Taco Bell restaurant when she looked up and suddenly recognized Pastor Batchelor standing at the counter! "I wonder what he thought of me as I

*Rich Kollenberg watched 3ABN on a 13-inch black-and-white TV with rickety "rabbit ears." What he saw changed his life!*

approached him and told him I recognized him from TV,” Susan says. “I’m sure that I smelled like cigarette smoke, and my hair must have been a mess!”

Pastor Batchelor listened to her testimony with kindness and interest. Susan recalls that he went out to his car and returned with a book he had written and a church bulletin for the Sacramento Central Seventh-day Adventist Church, which he pastored.

“By this time we had figured out from watching 3ABN and reading the Ten Commandments that the Sabbath was a day of rest,” Rich says, “so we rested. In fact we just slept all day each Sabbath,” he adds with a grin. “But now we had something else to do — we needed to attend church!”

“The people there were very kind to us, even though we didn’t know how to dress appropriately,” he remembers. “We took baby steps. That’s what we’ve learned from our Christian experience — we need to let the Holy Spirit do His work, not drag others up

to the standards we think they should observe.”

Rich and Susan soon joined the fellowship of believers at the Sacramento Central Seventh-day Adventist church. Soon they became involved in a church planting project and helped start a new congregation back in their hometown of Lincoln.

Susan also began volunteering at the Amazing Facts Bible School and now works full-time in their Marketing and Development Department. But perhaps the best part is that together they launched a new outreach to those who find themselves hopelessly addicted to drugs, called Just As I Am Ministries. Today they share their incredible love for Jesus with anyone who will listen.

We thank God for all of you who continue to support 3ABN’s ministry. Your prayers and financial support make it possible for 3ABN to continue reaching into the dark corners of this world, bringing light and hope to millions of people — just like Rich and Susan. ■

**D**uring the summer of 2002, my sister, Linda Johnson, and I began to create a non-animated program that would teach children ages 4 and under about Jesus, and that He loves them. Since we had never produced such a program before, from the very beginning my sister committed us to the Lord and sought His guidance, dedicating this program to His honor and glory. Also from the very beginning, we faced one obstacle after another, but I was raised believing in the

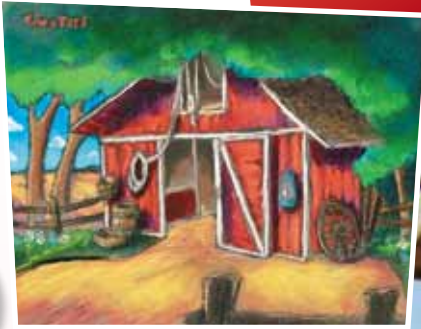

power of prayer, and I *know* that God was with us every step of the way! For every little detail, I asked God to show me what He wanted, and to provide just the right people to help.

While Linda began writing scripts and developing the segments of the program, I began working on the sets, theme music, and a hundred other things involved with developing a new program. I had heard and loved many of the songs that Chuck Fulmore had written, so I called him

one day and asked him if he would be willing to write our theme song. I described my ideas to him, and he said that he would pray about it and call me in a few days. The *very next day* my phone rang, and he told me that God had given him a song! He began singing it to me, and I loved it immediately! In fact, I found myself humming his tune throughout the rest of the day!

I met with Jason Wilhelm, a brand-new graphic designer for 3ABN, and we talked about set ideas. Jason envisioned a “coloring book” type set with lots of bright colors, and I realized again that God had given Jason not only the vision of what He wanted, but also the incredible talent to design it!

Jason worked well into the night (on his own time), drawing different sets and

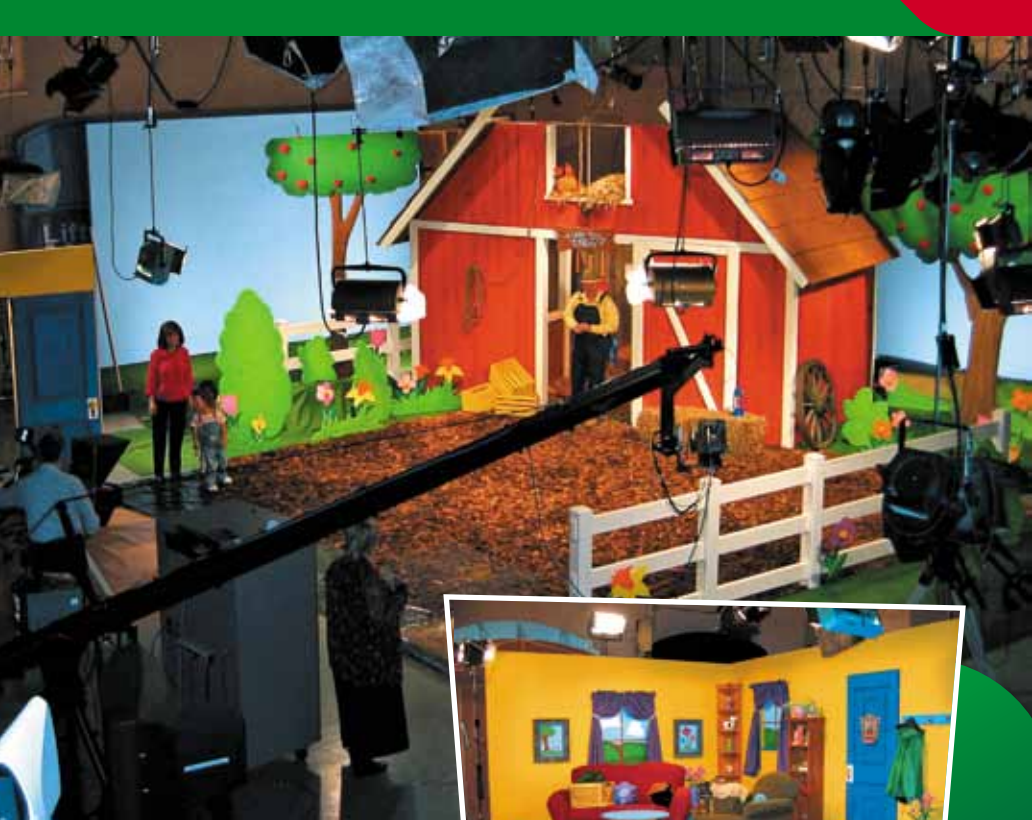

constructing them from Styrofoam! Meanwhile, my sisters and I were out shopping for furniture and accessories. As our deadline approached, Jason, Linda, and many of the crew members worked with me well past midnight (again, on their own time) to complete the set. The next day, an hour before we were to begin taping, I was kneeling on the

studio floor painting pictures for the walls and scenes for the windows. As I finished one painting, Rodney Laney, our director, was using a blow dryer to partially dry it while I continued painting another!

Somehow we finished the set, and even with the paint still wet, we were ready for taping! With joyful hearts we joined hands and thanked our

awesome God for what He had done! In fact, we always begin and end our taping with prayer.

Working with young children is both challenging and hilarious! I'll never forget the day that Noah, one of our regulars, was taping a barnyard segment. We had stopped taping, and asked everyone not to move, since we needed to

make an edit. Our “farmer” asked Linda what an “edit” was, but before she could answer, Noah looked up at him, rolled his eyes, and said, “It ain’t good!”

Another time during taping, “Farmer Mike” asked Linda if she would like to hold one of his baby pigs. “Sure,” she replied, but as he handed her the baby pig, it promptly wet all over her! I think her scream and our laughter in

the control room could be heard all the way to China!

Producing this program has strengthened my faith in God. I have also learned that if I am willing to serve Him and let Him lead, then He will be with me every step of the way. Please pray for the little ones we’re ministering to. They are God’s precious jewels, and He loves each one as His own! ■

# My Summer Job

The hot summer sun beat down on my sweat-drenched face as I stood on the bank of a green moss-covered pond. Dragonflies darted and hovered over the water, beating their tiny wings, seemingly to stir up the thick, humid air. I tugged again at my chest-high waders, took a breath of fresh air, firmly grasped my shovel, and stepped into the black, slimy water.

As the stench of the pond engulfed me, I had new misgivings about my summer job. As I rooted about with my shovel in the thick, murky water, searching for the old sewage treatment pipes, I had to keep the gag down in my throat as I breathed wave after wave of horrific-smelling air.

When I came out of the pond that first day, I felt like the dirtiest person on earth. I

used plenty of cleaning solution on myself and my tools, but as the weeks went by, I found myself wading into the pond without hesitation. The smell didn’t seem so bad, and the water didn’t seem so slimy.

All summer long a nagging question lurked in my mind. Had the pond changed? No, I had! Because of my daily association with what had at first seemed so loathsome and dirty, now it didn’t seem quite as bad.

By beholding we become changed. But thank God this principle works both ways! By beholding sin, it begins to seem less detestable, but by beholding Jesus, we become more like Him! ■

When I came out of the pond that first day, I felt like the dirtiest person on earth.

### Video of the Month

We have two inspiring programs taped recently with Sarah Wolfe and her parents. Sarah was contacted by the Make-A-Wish Foundation after suffering through many surgeries, and she told them her wish was to go to 3ABN and sing on *Kids Time!* These wonderful programs are yours for a suggested donation of \$20 (postpaid). Just call us during regular business hours and request your copy!

### Investing In Eternity

**HERE ARE FIVE GOOD** reasons to develop a Charitable Gift Annuity with 3ABN:

1. Your gift provides you with a fixed income for life and helps 3ABN evangelize the world!
2. You may fund a Gift Annuity for as little as \$5,000 per individual or \$10,000 per couple, provided you are 55 or older.
3. You receive an immediate tax deduction, and much of the interest is tax free.
4. To gain a higher rate with greater income, you may develop a Deferred Gift Annuity with a future payout, provided you are 45 or older.
5. You may fund a Charitable Gift Annuity for another person and claim the tax deduction yourself.

A Gift Annuity is unique in that while the gift is irrevocable, the investment may earn you more than your initial gift — depending on your age.
