Dear Family,

I want to publicly say "thank you" to our Lord for His incredible blessings on 3ABN each day. In June we began to reach 250 million new potential viewers in India! Now Comcast Cable is adding us in Nashville, Tennessee, with a potential of 250,000 new viewers, and is considering adding us in Atlanta, Georgia, and Knoxville, Tennessee, as well!

While He's blessing, the enemy is working hard to destroy 3ABN. Two weeks ago we were struck by lightning which did around \$50,000 damage to our equipment but, by God's grace, we were off the air only for approximately one hour. At nearly the same time, our Philippine station suffered major equipment failure which has cost several thousand dollars to repair. Then Sky Angel suffered an apparent lightning strike on July 14, causing us to be off of their network for several hours; but, again, God intervened and that "inanimate black box" came back to life with the three angels' messages!

The great controversy between good and evil has heightened immensely. Satan hates 3ABN as we proclaim present truth to the world, but the Bible says "... greater is He that is in you, than he that is in the world." (1 John 4:4.)

God is blessing as never before. He is doing His part to open doors to reach souls all around the world. Will you please consider joining us prayerfully and financially as we continue to go into all the world with the three angels' messages of Revelation 14. Thank you for helping to hasten His soon return.

God Bless You!

LETTERS

“I found 3ABN’s channel worthy and all the programs are worth watching. It has strengthened my inner spirit and brought me closer to the Lord.”

Via e-mail: “I am a Christian and belong to the Greek Orthodox Church, but I like 3ABN and its services. I wish to thank you for your efforts in spreading the Bible study to all the world. I always watch this station and enjoy it so much. I don’t like to miss any of the sermons and the explanations. May the Lord Jesus be with you all the time.”

Riyadh, Saudi Arabia: “I am an Indian expatriate worker residing in Saudi Arabia, and the only pastime we have after work is to sit in our rooms and watch satellite TV. I have access to all the free broadcasting stations on three different satellites. I used to scan all these channels and switch programs one after the other to get some entertainment, but nothing

was satisfying. Then by chance, about three months ago I came to 3ABN’s channel. This channel is clear to us only during the night, and now this channel is the most favored one to me. I found 3ABN’s channel worthy and all the programs are worth watching. It has strengthened my inner spirit and brought me closer to the Lord. Now the majority of my TV time is spent on 3ABN. Thank you and may God bless you.”

Iceland: “I just thought I would send some good news to you. A lady just called me a few minutes ago from a small village in the middle of Iceland asking to become a member of our church. She called after having watched 3ABN for some time. She said she was very inspired by what she saw.”

Caldwell, Idaho: “Thank you for listening and obeying God. In 1984 I was watching a TV evangelist who was teaching lies, and it wrenched my heart terribly. I said, ‘Every-

thing is yours, Lord, and I don’t understand why your people aren’t on TV, spreading the truths as the Bible teaches. Why don’t You have someone to buy a station, like the ones owned by the networks? I would do it, but there is no money or job for me, Lord, and besides I don’t know anyone that could start one. But, O God, You know where they are and who they are.’ In 1991 I heard that such a station existed — it was 3ABN! And I praised God for answering my prayer!”

Shelbyville, Kentucky: “Enclosed is an offering of \$240 in response to your suggestion of sending \$20 a month in celebration of 3ABN’s 20th Anniversary. I want to send mine all at once for two reasons. First, it will save 3ABN some work and expense; and second, I have been blessed with more income this month than I anticipated. As a Baptist Christian, I gave the Lord about 2 to 3 percent. When I trusted God and kept the Sab-

bath, I found He was faithful. After I became a Seventh-day Adventist, I decided to trust Him and return His tithe. I found He was faithful. Now I give tithes and offerings. I have found that He is faithful and pours out His blessings as He promised. I appreciate every person who gives to God by working at 3ABN.”

St. John’s, Antigua, West Indies: “3ABN has been a blessing to me and my friends. I had been praying for God’s leading when one day the Lord impressed me to use one of your newsletter ideas to download some sermons from your website. When I did that, it was a blessing, and now many people are blessed when I share the sermons with them. I have made a commitment to send \$20 per month to 3ABN. May God bless you in all your work for Him.”

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

New Fall Camp Meeting

Come enjoy an exciting weekend of uplifting speakers and musical guests

If you missed the excitement and the blessings of this year's 3ABN Spring Camp Meeting, then have we got good news for you!

Our camp meeting audience always has a good time.

3ABN is launching a brand new Fall Camp Meeting to be held September 30 through October 2!

What a joy it will be to

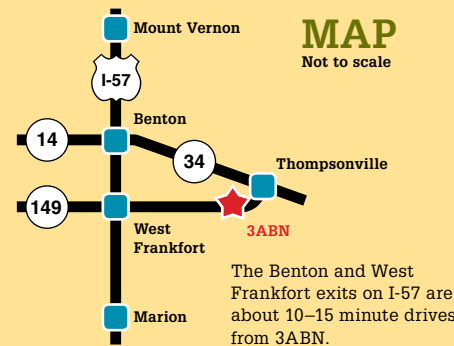

see so many of you who may not have been able to schedule your vacations or trips around Memorial Day weekend. In fact, this gives us the opportunity to schedule new speakers and singers that could not come at that time, or who were actually traveling outside of the country! And after all, here in Southern Illinois, we love to have you over for a good old-fashioned camp meeting, so “come on down!”

Here's who we have lined up so far (and many more will be added to the list)... Our featured speaker will be Pastor David Asscherick — also known as “Microwave Dave” because it is said that he can preach two sermons in the time it takes most people

Meal tickets: Pre-order lunch meal and evening snack tickets for Friday and Saturday by calling 618-627-4651.

Sites: Reserve free RV or camp sites by calling Cheryl Volsch at 618-627-4651 x3013.

to preach one! His dynamic presentation and style have been well-received by audiences both young and old around the world, and we're so happy to have him with us. We'll also hear from Pastor Kenneth Cox, Clement Murray, and Mollie Steenson.

Our music lineup will feature Pastor John Lomacang, Melody Shelton, and Allison Durham Speer, along with a host of other musical artists.

We'll feature a complete weekend of powerful sermons, heavenly music, and exciting testimonies. And although many of the programs will be broadcast live, we'll have some programs which will be taped to be shown at a later date, so come on down and get a special

blessing by attending this camp meeting in person!

We'll have special programs for children, tours of our studio facilities, and a whole lot more. We also have new RV facilities including power, water, and sewer hookups absolutely free — but remember, it's first come, first served, so call us soon to reserve your spot!

We praise God for the opportunity to bring the gospel to the world, and we're privileged to continue bringing you the very best in evangelism right here at our 3ABN Worship Center. So make plans to join us September 30 through October 2 for our first annual Fall Camp Meeting. We'll be looking for you in our audience! ■

The Next Chapter

Introducing our newest division, 3ABN Books

As we began this year, we knew that there was something special in the air. Danny Shelton was impressed by the Lord to tell us, “You haven’t seen

anything yet!” And as part of our 20th year celebration, we’re happy to announce the launching of our latest ministry division, 3ABN Books. Our mission is to supplement

3ABN’s television and radio ministries with follow-up printed products that will take the three angels’ messages to the world through books, pamphlets, manuals, and Bible lessons. We are thrilled to be partnering with Pacific Press Publishing Association in Nampa, Idaho, in this new ministry. 3ABN will prepare, research, write, and recommend manuscripts to be published under the 3ABN Books imprint, and Pacific Press will do what they do best: edit, design, market, and distribute.

Mending Broken People by Kay Kuzma will be the first 3ABN Books publication. It’s the story of 20 years of faith and miracles that turned the vision God gave a gospel-singing carpenter into the reality of a satellite network that is reaching the world

for Jesus Christ. You’ll read about the incredible miracles that brought 3ABN into existence. But it’s not just Danny Shelton’s story. The greatest miracle stories are found in the lives of those changed as they discovered Bible truth on 3ABN. You’ll read the behind-the-scenes stories of Hal and Mollie Steenson, Shelley Quinn, Rick Odle, Theresa Boote, and others whom you have grown to love.

Dr. Kay Kuzma, well-known Christian writer and communicator, has been asked to help launch this new venture. “I’m excited about 3ABN Books,” says Kay, “because I have a passion to give 3ABN’s worldwide audience quality reading materials they can hold in their hands, study, and pass on to others. Television and radio are attention getters and information givers, but once the program is over, it’s over — unless the person has copied the program. A book or pamphlet, however, becomes something a person

can hang onto; a friend that people can return to again and again as they soak up God’s message at their own speed and convenience. A book can go anywhere. It has — forgive the pun — long shelf life.”

What can you expect from 3ABN Books in the future? Stories of faith and courage by 3ABN presenters like Brenda Walsh, Shelley Quinn, and John Lomacang. Books that help people overcome the hurt and heartache of the past and find new life in Christ. Doctrinal presentations, like Danny Shelton’s and Shelley Quinn’s book on the Sabbath, and manuals that will accompany television series on prophecy. We’re even planning to publish an annual 3ABN devotional featuring our presenters and staff, so “stay tuned” for more exciting changes as we seek new ways to bring the good news of Jesus Christ to all the world!

A book or pamphlet becomes a friend that people can return to again and again.

Wow! Here we are in this brand new issue of *3ABN World* magazine! We hope you enjoy this fresh new look, with all the news and information, as much as we enjoy being able to offer it to you.

One might call

3ABN Radio

a “grass roots”

movement with

the common goal

of spreading the

undiluted three

angels’ messages!

For those of you just “tuning in,” 3ABN Radio went on the air February 28, 2000. Today, just four years later, we have 31 low-power, 17 full-power, and 3 cable affiliates all broadcasting God’s gospel message to

their friends, families, neighbors, and communities.

The low-power FM radio stations have been a particular blessing. These stations are operated primarily by lay people ... people who knew nothing about radio when they started, much less how to build a radio station. There

are retired salesmen, chiropractors, electricians, home daycare managers, doctors’ wives, retired nurses, small business owners, and the list goes on. One might even call 3ABN Radio a “grass roots” movement with the common goal of spreading the undiluted three angels’ messages!

Our full-power stations are a special joy, with their dedicated staff members who are committed to reaching as many souls as possible with God’s Word. We look forward to adding more full-power radio affiliates to our 3ABN Radio family.

Cable affiliates are always welcome, too, so call your local cable provider and suggest they add 3ABN Radio to their audio line-up!

As always, your prayers are needed for this network and all our affiliates!

See you next time, and remember ... keep tuning in to Jesus! ■

Did you know that there are an estimated 619 million people who speak Spanish and Portuguese as their native language? That’s more than all the English-speaking people in the world combined!

3ABN Latino was launched because the time was right to bring them the gospel 24 hours a day through satellite television, and I stand in awe of what the Lord has done in just one short year! Today as I look at the 23 countries and countless cable systems that carry 3ABN Latino’s Christ-centered message, I can’t help but think about what God’s inspired messenger, Ellen G. White, told Jose Abel Sanchez from Arizona in 1913. She said that she had been shown by God that the Spanish evangelistic work would march at the head of the cause of God in the United States, and I believe that we are seeing this prophecy fulfilled!

Immediately after launching 3ABN Latino, our Call

Center was flooded with requests from people who wanted to purchase satellite dishes to watch our new network. Knowing that time is short, we immediately began to air live evangelistic events, beginning with La Red 2003

from New York City with evangelist Alejandro Bullón. Six more series have aired since then, and we will be airing La Red 2004 live with Pastor Frank Gonzalez in November!

When I speak to 3ABN Latino viewers, or read their letters, I know that we are reaching lost souls for the Kingdom of God. It is an honor to be a part of this network, whose vision is to mend broken people. ■

The Family Effect

Tom then asked him a “trick” question. “If you believe in the Bible, then what day to you go to church?”

Tom Slaughter was excited! He had been looking for answers all of his life. Now he was eager to tell someone, and soon he was over at his sister Debbie’s house. “I’ve discovered the Sabbath is the seventh day!” he said, practically bursting with joy. Debbie looked at the calendar, and then back to her brother. “Yes, you’re right. That makes sense to me,” she said. And thus began an incredible journey for Tom and his family.

Tom had found God’s Fourth Commandment in the Bible and began attend-

ing the Worldwide Church of God, which kept the Sabbath. But later, he became discouraged with the church leadership and began to look for another Sabbath-keeping church.

One day he asked a coworker if he was saved. “Yes,” replied the man, “I am because the Bible says I am.” Tom then asked him a “trick” question. “If you believe in the Bible, then what day to you go to church?”

“That’s easy,” his friend told him. “I go to church on Saturday. I am a Seventh-day Adventist!”

Soon Tom was attending his friend’s church and couldn’t wait to tell his sister. But unfortunately, Tom took a very legalistic view

of what he was learning. “I was baptized in water, but my experience was purely ‘doctrinal.’ I didn’t receive the baptism of the Holy Spirit, so I eventually slipped away from my faith. Then the devil convinced me that I could never go back to church because I had backslidden.”

Fast forward 20 years. Tom’s wife, Diane, was in the last stages of cancer. “We need to get back to the Lord, Tom,” she said. Now it was

Tom’s sister’s turn to witness to him. Debbie encouraged him to watch channel 26, our Salt Lake City 3ABN television affiliate, and as he began to watch, he was re-converted in only 10 minutes! Now he was on fire for the Lord, and even though he went through the painful death of his wife,

he remained faithful and happy in Jesus. Shortly after Diane’s death he received an e-mail from a lady named Pam, a businesswoman from the area. She had heard of his wife’s death and sent her condolences. Tom thanked her for her thoughtfulness, but added that he had discovered

Tom & Pam Slaughter found 3ABN on channel 26 in Salt Lake City, Utah.

Todd and Tyson began studying the Bible when they were 13 years old.

something wonderful and would call her later to tell her about it.

Pam was intrigued when he explained to her what he had been learning from the Bible. She had been raised a Mormon, but had never had the type of experience that Tom was describing. Soon she was taking Bible studies along with her twin 13-year-old sons, Todd and Tyson. What a wonderful day it was when they were baptized into God's family! And if that joy was not enough, eventually Tom and Pam decided to unite their families and get married! "Our home now has a reverence in it that was

not there before," Pam says. "In my heart I knew that I wanted to dedicate my life to the Lord, but now I have an overwhelming sense of direction. Jesus is coming soon, and I have to tell everybody that I know!"

But that's not all. Tom's sister, Debbie, remained faithful, even though her husband, Dave, did not tolerate her new-found beliefs. But the Holy Spirit worked on his heart, and soon Dave and two of their friends were baptized. Even Tom's son, Mike, was touched when one day he scanned through the TV channels and saw his father and stepmother sharing their story on 3ABN. Soon he was baptized as well! "The story's not over yet," Tom says. "There are other family members and friends who need to know Jesus."

Each day the Lord is reaching out to viewers in Salt Lake City, and indeed all over the world. Each day 3ABN is reaching farther and farther with God's wonderful message of hope! ■

MUSIC

Every musician I know believes that music brings meaning to life, enhances intelligence, and promotes emotional balance and spiritual growth. Here's some research cited by Don Campbell in *The Mozart Effect*: In Brittany monks found that cows serenaded with Mozart gave more milk. In Baltimore, Maryland, Dr. Raymond Bahr reports that a half hour of classical music produced the same effect as 10 mg. of Valium. And in Edmonton, Canada, classical music piped to city squares calmed pedestrian traffic, and lessened drug dealings!

Even plants benefit from music. In the 1960s Dan Carlson tried to solve famine issues by encouraging faster growth in plants. He discovered that plants grew best in the morning to the sounds of birds. He began testing various forms of music and found the sitar to be most similar to the vibrations of birdsong. Although a sitar may not be enjoyable to everyone's ears, plants can't get enough of

it! Another study tested five greenhouses filled with squash, zinnias, corn, marigold, and petunias exposed to various types of music. The results showed the plants listening to Bach and Indian classical music grew the best, those listening to country/western music and no music at all grew about average, and that rock music was actually detrimental!

These studies and many more support the belief that classical music can create greater harmonic balance in an environment and in an individual. Using bright tones and simple organizational forms, this music may do much more than relax a cow, grow a plant, or be a substitute for pain medicine. God has truly created us with wonderful musical minds! ■

CALL US UP!

New call-in program airing in October

Our most popular programs on 3ABN have always been “live call-in” type programs, and now we are happy to announce a brand-new series which will let you ask questions on a variety of topics each week! Beginning in October you can ask your Bible questions on a live broadcast every Monday at 9 a.m. Central Time.

Our plans are to expand the program to other days of the week and to feature not only pastors, but also health professionals, family experts, and more. It's just one more way we try to help “mend broken people,” and win souls for the kingdom.

Stay tuned! There is much more to come! ■

By the way.... We hope you've enjoyed the new *3ABN World* magazine as much as we have enjoyed bringing it to you! And

we thought you might want to know that by combining our newsletters and our preview guides, we have been able to cut mailing and printing expenses by about \$60,000 a year — and that's great news!

About 3ABN

Three Angels Broadcasting Network (3ABN) is a non-profit organization with the vision to “mend broken people” through the powerful messages of God's Word. 3ABN's ministry accomplishes this goal with 24-hour-a-day television and radio networks, as well as the far-reaching ministry of 3ABN Music.

3ABN programming addresses the most common problems people face, offering solutions through health, lifestyle, and spiritually motivating programs. 3ABN also offers programming designed to address family issues, addictions, and social problems.

3ABN has two television networks: 3ABN Television (in English) and 3ABN Latino (carrying Spanish and Portuguese language programs). Both of these, along with 3ABN Radio Network, are distributed worldwide on seven satellites, covering every inhabited continent of the world. In addition, 3ABN programming is carried globally on nearly 300 television stations and hundreds of cable systems. 3ABN's English network is also available through Dominion Sky Angel's subscription service.

3ABN started in 1984 when Danny Shelton was impressed to build a television station which would reach the world. With God's blessings, 3ABN's networks are a reality today!
