## "I Press Toward the Mark. . ."

Dear Family,

As this year is coming to a close, I find myself reflecting back through the past months. I have traveled through uncharted territory and faced challenges I never would have thought possible. But, you know, through it all God has shown Himself faithful time and again, both in furthering His cause through 3ABN, and teaching me to trust Him more each day. I stand amazed so often as His grace and mercy move obstacles and restore peace and security all around.

The simple scriptures in Philippians 3:13, 14 have taken on a whole new meaning for me, when Paul tells us, "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

I am looking forward to 2005. There is a sense of excitement just to be part of what God will do next. Let me encourage each of you to put the past behind you and press toward the prize as well!

God bless you,

*Danny Shelton is the president and founder of 3ABN.*

**Bourbon, Indiana:** "We have recently installed a satellite system for the sole purpose of receiving 3ABN. We had never seen your

network before but decided to purchase it after hearing many recommendations from others. After having your channel for these past three weeks, we find an indescribable amount of blessings in our home. There is so much knowledge, wisdom, and truth we cannot turn it off! We may be shorting our sleep or housework, but we have gained so much and we find we have a closer walk with our Savior. Your ministry is in our prayers!"

**Philippines:** "We have been self-supporting missionaries

for the past 10 years, and the best witness now in our area is the 3ABN television station! I watch it all the time. There are times when I can't go to church, but I don't miss out because I watch 3ABN. We were inspired by you to plant new churches, so with our own money we built a small chapel on our farm for members who had no transportation to the church (which is far away). Today we have an average of 45 people attending each Sabbath, and the numbers are growing! Many have come to Jesus because of the 3ABN television evangelism."

**Via E-mail:** "I became a Seventh-day Adventist by watching your 3ABN affiliate, Better Life Television, here in southern Oregon. I had been to about every church in the Rogue Valley and was finding no Biblical truth or last day prophecies. So I quit going to church and started watching Christian television stations. I listened to Pastor Lyle Albrecht one

time and called the closest Seventh-day Adventist church I could find. I joined the Central Point church, and two weeks later Pastor Albrecht himself showed up to do a prophecy series! I am on total disability, so I am alternating between sending you and Better Life TV \$20 every other month. That's the only way I can afford to give and still bring my tithes and offerings to my church. May the Lord continue to bless you..."

**Guatemala:** "We have been watching 3ABN Latino for more than a month and a half through our local cable system. We are Evangelical Christians and we thank God that our city now can watch Christian television. I wonder if you have someone that can answer some questions I have in respect to Bible truths? May the blessings of our Lord Jesus Christ be with you all!"

**Manchester, Jamaica:** "I recently started watching

3ABN and am thoroughly blessed by all your wonderful programs and the amazing Bible truths about keeping the Sabbath holy. We thank God that you have been obedient in doing His will by raising up this ministry to reach and inspire people all over the world."

**New South Wales, Australia:** "We live in a retirement village in Cooranbong, and are privileged to get 3ABN on our TV line from our office. We love it! Last Friday at 4 p.m. I

turned on the TV and we got your live music broadcast with the Shelton family members. Sundown came at 5:30 and your music really set the mood for a very blessed Sabbath. Thank you so much, and *please do it again soon!*"

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

# "You Haven't Seen Anything Yet"

**W**hat a year it has been! Little did we know what God had in store for 3ABN's ministry when He impressed Danny Shelton at the begin-

ning of the year with the thought, "You haven't seen anything yet!"  
 see how His hand has sustained and guided this ministry every step of the way. But how could we have known that through the efforts of Merlin Fjarli and his family our viewership would double in just a few weeks to *over half a billion potential viewers worldwide*? In fact, 3ABN can now be viewed by 99.99% of the world's population (without counting the Internet)!

We could not have predicted that we would be guests at the Presidential Palace of Her Excellency Gloria Macapagal-Arroyo in the Philippines, or that we would be signing corporate agreements with the largest cable provider in the world here in the United States. We could not have foreseen that we would be going on the

Optus-B3 satellite that would provide coverage to all of Australia and New Zealand, or that we would be on two separate satellites covering the ex-Soviet Union.

We could not have known that 3ABN Latino would have such a phenomenal growth this year, quickly adding cable companies in 20 Spanish- and Portuguese-speaking countries around the world. Today the three angels' messages are being heard in all but three Spanish-speaking countries — and we believe they will soon be heard there, too!

We marvel at the fact that 3ABN can be seen on cable systems throughout Iceland, and studios and programs are being planned in the Scandinavian countries and throughout Europe. Soon a television production truck in France will begin producing programming in Arabic for the millions who view 3ABN on satellite in the Middle East.

We could not have seen the Lord's plan to build a televi-

sion production truck for the Northeast, or the tremendous way in with church leaders and laity have combined their efforts to bring fresh and relevant programming to the urban masses. Only a few months ago we did not dream of a new network to reach urban America!

Who could have predicted that 3ABN would begin broadcasting on a television station in Bangkok, Thailand? Or who could have thought that 3ABN would be added to Nigeria's TrendTV direct-to-home system covering all of West Africa? Who could have seen the television station being built by 3ABN Uganda which will

soon cover over half the nation with God's end-time message?

We could not have imagined the tremendous growth in Internet viewing and listening, or the huge crowds that come again and again to 3ABN's two annual camp meetings in our newly completed Worship Center.

We could only dream of a

3ABN Books division which is now beginning to publish materials that will be used to supplement 3ABN's television and radio ministries — Bible study lesson guides, devotional books, small magazines, and full-length books by familiar 3ABN presenters.

God has been so good to us this year, and even though it has been filled with difficulties, and yes, even painful times, we can say, with Paul the Apostle, that we are "confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ." Truly, the best has just begun. Perhaps we should remember, "We haven't seen anything yet!" ■

## New Programs from New York City

The memories are still fresh and painful for the thousands who gather each year in memory of those who lost their lives in New York City and Washington, D.C. on September 11, 2001. But while they made their way to "Ground Zero," another group made its way to church to reflect on the goodness of God in the face of such senseless tragedy.

3ABN joined Ruben Carr, Jr., and the New York-based television production team "9/11: Remembrances and Reflections," at the Linden Seventh-day Adventist church. This church was chosen because it was one of seven who lost members in the Twin Tower attacks.

The taping was, in effect, a trial run for the much anticipated programming that will soon come from

New York and the Northeast, using a new television production truck — a joint effort between 3ABN and the Seventh-day Adventist Church in that region.

The project has the enthusiastic support of Atlantic Union President, Donald King, and Northeastern and Greater New York Presidents, Trevor Baker and Dionisio Olivo. 3ABN hopes to duplicate this idea throughout the nation because it is a true "win-win" situation: the people in the Northeast get to share their stories and love for Jesus, and 3ABN gets relevant new programming which will resonate with the millions of precious souls who need to hear God's message of love. Your faithful prayers and support made this project possible! ■

## Volunteers Make It Happen!

**W**hat a blessing to work with dedicated volunteers who have caught the vision of

The happy volunteer staff of WSPE-LP (93.1 FM) in Spencer, TN.

spreading the gospel message to their community! Recently the outreach of 3ABN Radio Network has been increased by another low-power FM station going on the air!

Jim Morris is the General Manager for 3ABN Radio.

Ruth Dennis and Dan Cook, along with Rueben and Daniel Titus, from the Spencer, Tennessee, Seventh-day Adventist church have worked incessantly, building a studio and a radio tower, as well as assembling the broadcasting equipment. Like all other 3ABN radio affiliates, this church stepped out in faith on this project, trusting

God as they faced seemingly impossible odds.

When WSPE-LP (93.1 FM) began broadcasting on October 7, 2004, there were tears in the eyes of all who were present to witness the wonderful event. Once again, the Lord has been lifted up by dedicated Christians who have a burning desire to reach out to their community. Today, with God's blessings, they are making a real difference through the Christ-centered messages from 3ABN Radio!

Each of us are commissioned to preach the gospel to the world. God is longing for us to catch the vision of reaching the lost and the dying with words of hope! He has asked us to work with Him, and by His grace 3ABN Radio Network and dozens of new and existing affiliates are committed to doing just that! Help spread the good news about 3ABN Radio! ■

## Good Food — With Spanish Flavor

**I** love the month of December, and not just because this is when I celebrate my birthday. I also enjoy it because it seems like everyone is in the giving mood. This is also the time when I go to family and friends' homes to enjoy lots of good food throughout the holidays.

When Jesus was born He had but one purpose in mind, and that was to give. In Acts 20:35 Jesus said, "It is more blessed to give than to receive." At 3ABN Latino, it is our purpose to give our audience a taste of the Kingdom of God through our programming.

For many Hispanics, "healthy food" is not very appealing. That is why we thought, *What better time to share with them some very delicious, yet nutritious recipes?* As you may very well know, food is part of our everyday life, and at 3ABN Latino we have been receiving lots of phone calls and

e-mails from people requesting cooking programs. And because of your prayers and faithful financial support, we have a brand new program called *Cocinemos Juntos* ("Let's Cook Together").

I am thrilled to see how people give of themselves and of their precious time to come to 3ABN Latino and tape so that others may be blessed. Please let your Spanish-speaking friends know about this brand new program beginning this month on 3ABN Latino — and by the way, *Feliz Navidad* to you and yours! ■

# The See-Through Mountain

**“H**ello, this is Mike Wilson, and I’m wondering what I can do to get 3ABN added to my cable company.”

I was happy that Mike called the 3ABN Marketing Department, and I shared with him effective methods to get his church involved in getting 3ABN added to their cable lineup.

Then he said, “Penny, before we hang up I want to tell you how I found 3ABN.” One day a thought came to him that he should move his antenna to see if there were any other channels available, and you guessed it — he found 3ABN.

At night Mike began watching 3ABN in the bedroom with his wife, Susie. “What else is on?” she would ask. “You know I don’t like Christian stuff!” But after Susie fell asleep Mike turned

back to 3ABN. He was surprised by the things he heard and started following along in his Bible. *I’ve been a Baptist for 15 years*, he thought. *I should have known these things before.*

For two years he watched 3ABN. Sometimes his wife gave in and they watched together, and discussed what they heard. Mike began wondering, “What will Susie say if I tell her I’d like to visit a Seventh-day Adventist church?”

One day he found an invitation in their mailbox to a prophecy series being held at a nearby Seventh-day Adventist church. He thought about the invitation but finally decided to throw it away without telling his wife about it.

A couple of days later, Susie brought something home that she was excited

about. She handed it to him and exclaimed, “Look at this! I think we ought to go!” He found himself staring at an invitation for the same prophecy series!

As he finished his story Mike exclaimed, “Tomorrow my 14-year-old son, Sam, my wife, and I are getting baptized into Jesus and the Seventh-day Adventist Church!”

“Your story is thrilling!” I said. “God used 3ABN to help your family learn more about Jesus, and it sounds like God put the thought in your mind to move your antenna just so you could find 3ABN. How good it is that you want to get 3ABN on cable for your community!”

Many months later I talked with Mike again about getting 3ABN on cable, and I just had to ask, “Mike, are you and Susie still getting 3ABN?”

I was pretty sure I knew the answer, but I wanted to hear him say it.

“No, we’ve not had 3ABN for a few months now.”

*How interesting, I thought. Now they don’t need it! God’s mission was accomplished!*

“Mike, I found out that your family lives too many miles from the station to receive 3ABN, and you have a mountain in the way, so technically, it was impossible for you to get 3ABN.”

Mike’s response was simple and true, “Sometimes God intervenes!”

*And sometimes God makes see-through mountains!* ■

by Penny Turner

*God performed a miracle for Mike, Sam, and Susie Wilson. They received 3ABN even though it was technically impossible!*

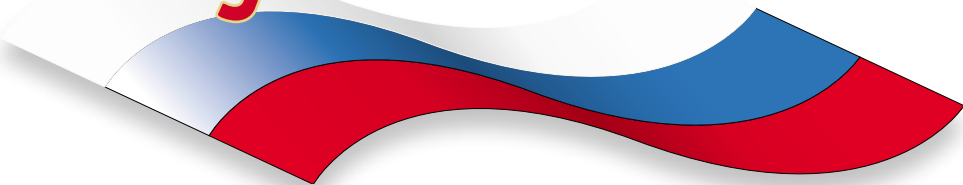

*Penny Turner is the Marketing Manager for 3ABN.*

# Reaching Russia and Beyond...

3ABN programs in Russia reach a potential audience of 51 million

3ABN's Russian Evangelism Center produces 60 different programs which air on television and radio stations across the ex-Soviet Union.

**A**s I look over the blessings of 2004, I can't help but marvel at what the Lord has done for our 3ABN Russian Evangelism Center. Our programs are broadcast in 180 cities in Russia, Ukraine, and many other countries of the former Soviet Union, with a potential audience of 51 million view-

ers! In addition, our 3ABN Russian programming has increasingly gained recognition among the professionals in television and radio. Each year 3ABN programming continues to win awards. Recently it won top honors in the Ukraine, and one of our staff members was honored to be able to serve on the panel of judges. We are grateful for this recognition, but give God all the glory, and by His grace we can achieve even better results!

We are working hard to bring up our standards for quality and content by producing new series, including *Our Kitchen*, *Athletes In Action*, and a program

called *Choose*. Our goal is to reach an even greater audience with our Christ-centered programs. At the same time we are also focusing on improving our flagship program *Face To Face*, and several others which need to be updated.

We have also changed our priorities in working with broadcasting stations, concentrating especially on ones which have very wide coverage. We are also happy to report that we have been able to sign agreements with two satellite channels, resulting in an increase of more than 20 million potential viewers! And because of our higher visibility and friendly cooperation with television executives nationwide, we pray, with God's blessings, to stretch the reach of the gospel even more!

Changes are also taking place in our print materials. We've been especially blessed to be able to send out our brand new Bible study lessons called, "New Life," and we are seeing a rich har-

vest for God's Kingdom!

Our world is changing right before our eyes. Our people live in fear and commotion, and all around humanity unites in the face of terrorism. All this reminds us of the Bible prophecies, and the nearness of our Savior Jesus Christ's Second Coming! It is a great honor and responsibility for us to be involved in that big work that 3ABN performs all over the world. Please continue to pray for the work in Russia. And may God's richest blessings be poured on each and every one of His children!

## Holiday Hospitality

Nothing is as special as a warm family gathering for the holidays. We hope you enjoy our Holiday Cranberry Salad, as well as this beautiful centerpiece for your table. And watch how it gives you a chance to share your faith with all your guests!

### HOLIDAY CRANBERRY SALAD

- 2 (16 oz.) cans cranberry sauce
- 2 (20 oz.) cans crushed pineapple, drained
- 4 c. non-dairy whipped topping
- 2 c. chopped pecans

Mix all ingredients and pour into a 10-inch Jell-O ring mold. Freeze for approximately 8 hours. To remove from the mold place a round platter on top and flip it upside down. Then place a hot moist towel on top of the mold for approximately one minute or until the mold lifts off easily. Garnish with raw cranberries, green leafy lettuce, and non-dairy whipped cream. This recipe may be made up and frozen in the Jell-O mold 1-2 weeks in advance.

### HOLIDAY ANGEL CENTERPIECE

Take an evergreen wreath (we used a silk one, but you could also use a fresh one) and bend the wires to make it into an oval shape. Choose the size of wreath according to the size of the angel you are going to use. The angel in our picture is 16 inches tall, so we used an 18-inch wreath. Set your oval-shaped wreath on your work surface and place the angel inside the wreath. Decorate the wreath with ribbon and musical instruments, or choose your own theme. Items can be either hot glued or wired to the wreath. It is a beautiful addition to the serving table!

The Micheff Sisters appear regularly on 3ABN Today. They also produce and host children's programming for 3ABN.

## "I Heard It On the Radio!"

Our 3ABN Radio affiliate station, KANB-LP (102.3 FM) in Kalispell, Montana, reports that the owner of a local car dealership is so enthusiastic about the station he tunes all of the cars on his lot to 3ABN Radio, so everyone who test drives a car will have a chance to hear it!

They also rejoice over the first baptism resulting from someone who listens to their station, and another new listener who has asked for Bible studies. Surely these are the "first fruits," of a bountiful harvest of souls for the Kingdom! It's also interesting to note that the Kalispell station has only been on the air for five months!

## Giving

In addition to regular gifts to 3ABN's ministry, many of you have also helped us grow by arranging both immediate and deferred gifts of your assets.

Did you know that the best instrument for highly appreciated property such as real estate, stocks, and bonds is a Charitable Remainder Unitrust? With it you can avoid capital gains taxes on donated assets, receive attractive rates of interest, avoid probate expenses on donated assets, receive a large charitable deduction, and negotiate to receive either a fixed annual payout or a variable income.

Call our Stewardship and Trusts Services to find out how you can help 3ABN's worldwide ministry through Charitable Gift Annuities and Deferred Charitable Gift Annuities as well. And as always, thank you for your prayers and support!
