Dear Mr. Joy:

Not having heard from you concerning my proposal for a Monday imaging session, it is now too late for the experts to arrange and conduct a procedure on the 12th. At present, the experts have no plans to image the equipment you have been ordered to produce.

Unless I hear from you concerning plans to ship the equipment in the interim, I will plan to contact you in the future concerning arrangements for the data preservation ordered by Magistrate Hillman.

Sincerely,

enu M. Hays
