Doctor you must be getting very anxious as my wife and I are getting professional counseling that will clearly show your mind control tactics that you have used on her. Some one very intelligent has helped me see you cult like methods, of many long hours of conversations with my wife, placing in her mind that you are her only hope for her son, even sending pictures, which I am using as evidence against you, of your place with a sign that says PARADISE. Obviously everyone wants to go to paradise. We on to a number of your tricks for trying to steal another man's wife. No wonder you told Brenda that my wife must "destroy" her computer!

I have learned why you had to call that Friday, even though you promised the pastor you would never again call. You had to see how much control you still had with her and when she talked with you against all her promises you thought she would never tell and expose you.

There is one problem that you never thought about, too many people are praying for her and this ministry, you will never win, what you set out to accomplish, The Holy Spirit is greater than the powers of darkness. You made too many bad mistakes in this process including but not least, of inviting another man's wife to live with you in your private condo in Florida, for a vacation.

 My wife admitted to me yesterday that Brenda was never in the picture when you first asked her to go on vacation and live with you while there. I know the Lord is working on her because she voluntarily told me that she would never have invited herself to your place, even though that's the picture you tried to paint to Pastor John.

She told me how you invited her alone, and no one else, then went to Africa for one week or so. She then told me that when she called you to take you up on your offer, you said you didn't remember ever inviting her there but if she wanted to go you would be happy to meet her there. Any even asked her if this process was ok in America that she, a married woman live with you alone while there, as though sin is different by national boundaries! The problem is she said she didn't even know you had a condo, until you told her about it while inviting her to live with you.

I have kept records of all of these facts that she has confessed too. I know this must be shocking to you as you thought you had more control of her than that, but every day there is no contact between the two of you she is seeing more light as to your intentions, to covet and steal her from me.

As I told you before, all the facts after counseling is over and you are clearly exposed in her mind, I intend for your church leaders through out Norway to learn the real person that you really are.

I've done Matthew 18. I've gone to you at no avail. Next I went to Pastor John, and you lied to him and told him you would never call again, now, unless you apologize to my wife and me, not on the phone, but email or letter, I will promise you that I will take this to the church before long. You will not stay in your coveted position as elder in the SDA church.

If you mail a genuine confession that you knowing did wrong concerning inviting my wife to live with you in Florida and all the other things we have discussed, we will not take this to your church in Norway and elsewhere. I have too many professional people now including my board members who have talked to my wife and next week an unbiased, professional counselor, that does not know either of us, but who specializes in getting to the bottom of mind control issues.

Your choice is to apologize now to us privately, or apologize and try to deny all the creditable people such as pastor John, my board members, who will make a signed statement, and I believe this new professional counsiler that we are seeing next week, to your conference.

I don't want a generic apology that says something like, "If I've offended you, I'm sorry." I've heard those before.

You will either answer to my wife and I or you will answer all the charges to your conference. Not charges of a jealous husband, but charges of Christian pastors and counsilers who stand in mine and my wife's corner.

The choice is yours.

I know your next move, will be a desperate attempt to contact my wife again, to try to get control again, where you are losing it fast. She is expecting this as we have told her that you are desperate, that she is beginning to tell all and you have to have it stopped. We know you try to use Johann and Irmgard to say positive things to her about you too, but we're on to that also!

It's occurred to me and the people I've been talking to, that it would be interesting to see how many woman over the last 20 or 30 years that you have been involved with. I even wonder if there has been previous charges from them that you have been able to sweep under the rug. I do believe this time that the rug is being pulled out from under YOU!
