Do I Smell Pizza?

No Known Title

I understand the legal expenses of the current lawsuit over save3ABN will not be funded by 3ABN donors?

Do I understand that correct?

Danny Shelton

3ABN President

That is true. We have a donor who has been donating funds for some time for the purpose of legal bills incurred whether lawsuit or not. He is not taking a tax donation for these donations. He and his family believe in 3ABN and the decisions we have made. They like our 3ABN Board have decided that people who are accusing myself and the 3ABN board of gross misconduct and out right crimes need to be held accountable.

We have filed a lawsuit against two individuals in particular to begin with.

I won't say anymore on that subject right now.

Isn't it nice that there are people who will believe in you even when others don't? Glad you have someone in the life of 3ABN who is willing to put his money where his mouth is and be supportive in this way.
