Hi Bob,

Just want you to know that just because 3ABN and Danny chose to drop the suit against you and Gailon you shouldn't get comfortable and think its over now. It is my experience and observation that Danny doesn't allow a person to just walk away. I believe he wont let you go either. If a lawsuit doesn't work, I believe he will try something else and keep trying until he has you completely ruined and incapable of ever living a normal life again, but he will not just give up.

A very good point was made at the following link and I agree with it.

It says the following:

"That would be fine and reasonable, Bonnie, except that in with Danny they are dealing with someone who doesn't walk away. They are dealing with someone for whom a fight is a fight to the finish. When this one is over someone will walk out of the ring and someone won't. I think Duane knows that when in a fight with Danny a person doesn't ever just bite the bullet and walk away. They will not be allowed to walk away. One battle may be closing, but the war is no where near done. Look at the Linda thing. Years later Danny and his minions still pursue her and they will continue until she is irreversably crushed and has no chance of standing again."

I don't mean to be discouraging after all that you have been through, but in all fairness I have to tell you, I believe that post is accurate and that what has just concluded is simply one battle, not the war. Don't let your guard down for a minute. Stay alert and just plan on more brutal attacks coming your way.

Sincerely,

Derrell Mundall
