Counselor Bappert:

We are contemplating using documents produced by Remnant Publications in an upcoming filing with the court, and pursuant to the Confidentiality Order issued in our case, I am giving you the required notice. Given the nature of the documents and the contemplated filing, we do not think these documents should be filed under seal. We would not use contracts, but would potentially use documents pertaining to payments to Danny Shelton and pertaining to sales or purchases of Danny Shelton's books or booklets.

Sincerely,

A handwritten signature in black ink that reads "Bob Pickle". The signature is written in a cursive, slightly slanted style.

Bob Pickle, *pro se*
