"Therefore strengthen the hands which hang down, and the feeble knees, and make straight paths for your feet..."

HEBREWS 12:12-13

Dear Family,

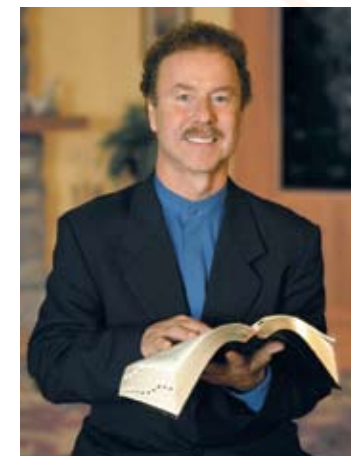

Anticipation fills the air as we gear up for 3ABN's Fall Camp Meeting. Reports of God's work of renewal from our spring meeting are still pouring in. We eagerly expect God to repeat His great act in all of us, as our theme of *Revival and Reformation* is carried over.

God is waking up His people! Now it's time for reform. When I think of reformation, the word "correction" comes to mind. Correction means to "reform, or make straight," as in the literal translation of Proverbs 3:6, "In all your ways acknowledge Him, and He will make your paths straight" (NASB).

I don't want to walk on feeble knees down a crooked path. How about you? I hope you are planning to join us and be blessed by the inspired, scriptural teachings of our Camp Meeting speakers. We can count on God to continue correcting us and equipping us for every good work (2 Timothy 3:16-17).

Our Lord promises to lead us on the straight and narrow path. If we cooperate with Him, He will make the darkness light and the crooked places straight (Isaiah 42:16). Please join me in praying that the Holy Spirit will have His way at our Fall Camp Meeting.

Love,

Danny Shelton is the president and founder of 3ABN.

Have you been blessed?

Have you been blessed by 3ABN? Or have you come to know the Lord Jesus Christ by watching or listening? We'd love to know!

THORNTON, NEW HAMPSHIRE:

"I am writing to tell you that we are enjoying all the programs we get on our satellite dish. We sold some old stuff from our shed and are sending a check for the entire amount — \$335. You are feeding us spiritually, seven days a week!"

DALLAS, OREGON:

"Thought I would write to let you know that another person has been baptized this past Sabbath because of 3ABN. His name is Richard, and he met you a few years ago in Eugene, and then again a few months ago in Salem. A couple living near him got him connected with 3ABN several years ago and studied

the Bible with him. You are in our prayers every morning."

VIA E-MAIL:

"I am a home-schooling Mum from Australia. My four kids and I love your programmes, I just wish I had more spare hours in the day to sit and watch 3ABN! I am writing for the first time to you for the wonderful work you are doing for God and this lost world. We are praying for you."

HYDERABAD, INDIA:

"Praise the Lord and thank you very much for all that you are doing on 3ABN TV. I am from India and am a regular watcher of the 3ABN programs. I love the *Kids Time* program which I watch with a lot of attention, thinking of my new role as a grandfather, in order to bring up the kids in godly order and discipline. Thank you so much."

ANONYMOUS, WASHINGTON:

"I am past 89 years of age and mostly blind. I prayed and asked God to show me something I could do to help finish

the work so Jesus could come. I felt impressed to make pot holders. My daughter sells them at work for me. God surely blessed this project. I keep nothing for myself and I furnish my own material. Please pray for my vision, as it is getting hard to see to sew." (Enclosed was a check for \$245 from the sale of her pot holders.)

SAUDI ARABIA:

"I am a Nigerian doctor practicing in Saudi Arabia. I live in a 100% Islamic country. There are no Christian churches here, no mention of the name of Jesus Christ. Your channel and a few other Christian channels have been my church and the only means of hearing the Word of God preached. I want to use this opportunity to tell you to keep it up. I was really blessed and educated through the Bible discussion in your live program today."

WARSAW, POLAND:

"I discovered 3ABN by a miracle. It was the day before Palm

Sunday when I attended a Seventh-day Adventist church for the first time. Half a year later I was baptized. Thanks to all your dedicated people who are preaching the truth, and the angels who are making the program possible for 'every race, tribe, language, and nation.'"

FLEN, SWEDEN:

"I have been watching 3ABN for a couple of years now and it is a great blessing for me. I found your station when I visited my sister. She had just gotten a new TV set. We were just looking through what she could find, and at that time you were showing a program by Walter Pearson. It was good. Since then I have been watching often, especially on Sunday nights. I am still not a Seventh-day Adventist, but I enjoy your teachings. It helps me a lot to grow as a Christian. I belong to a Charismatic church, but I feel at home with you. In my heart I feel as an Adventist. God bless you to continue His good work."

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

A Passion for Soul Winning

“I look forward to this opportunity to share with others how to have that primitive, simple faith we read about in the New Testament.”

It’s camp meeting time in southern Illinois, and we are eagerly looking forward to another 3ABN family reunion as we continue to seek for *Revival and Reformation!*

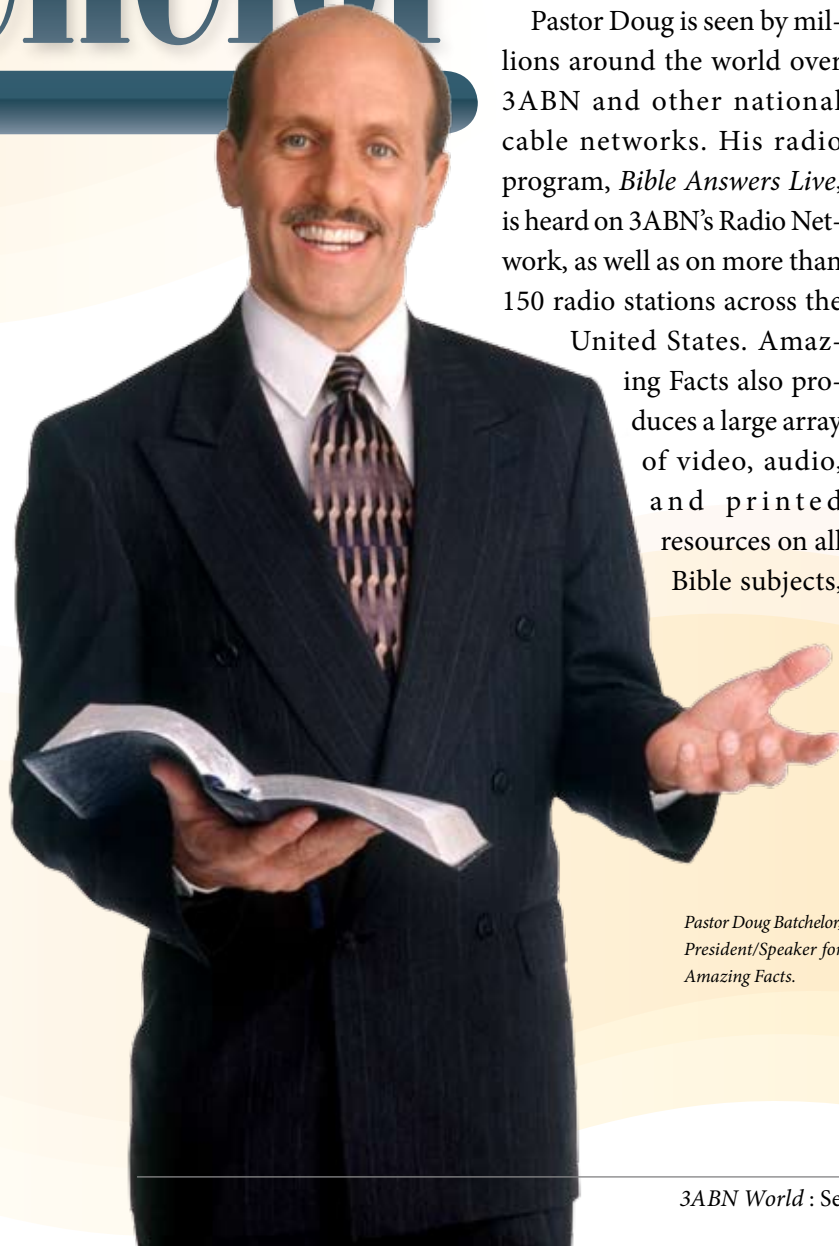

This year’s Fall Camp Meeting promises to be better than ever, with music, anointed preaching, and much more!

Our special guest this year will be international evangelist Doug Batchelor, President/Speaker for Amazing Facts. Pastor Doug has been sharing the gospel with 3ABN viewers and listeners since the early 90’s, and God has blessed him with an unusual abil-

ity to communicate not only to those who attend church, but also to the millions of unchurched people around the world.

“It’s been several years since I’ve had the privilege of speaking at a 3ABN camp meeting,” he says. “I look forward to this opportunity to share with others how to have that primitive, simple faith we read about in the New Testament — the faith the apostles had.”

Beginning with last year’s successful revival series, Pastor Doug says that 3ABN’s camp meeting theme fits perfectly with the ’05 Revive series, *Drawing Near*, that will be held November 4–12 in Fort Worth, Texas, and will be broadcast on 3ABN. “There is an urgency that we all feel

to be ready for Christ’s soon return,” he says. “We need to *know* that we are ready, and this will be my focus for this special weekend.”

Pastor Doug is seen by millions around the world over 3ABN and other national cable networks. His radio program, *Bible Answers Live*, is heard on 3ABN’s Radio Network, as well as on more than 150 radio stations across the

United States. Amazing Facts also produces a large array of video, audio, and printed resources on all Bible subjects,

*Pastor Doug Batchelor,
President/Speaker for
Amazing Facts.*

and under his able leadership, the ministry has grown to include the highly successful Amazing Facts College of Evangelism as well as a popular Bible correspondence school. A dedicated team of Amazing Facts speakers travel the world, and recently the ministry has been exploring exciting opportunities for work in China, as well as a new satellite channel focusing on evangelism training!

“Nothing is more rewarding to me than to meet people who have come to Christ because of watching or listening to Amazing Facts programming on 3ABN,” Pastor Doug says. “It’s a humbling experience

to realize that the Lord continues to use television and radio to multiply our efforts and to bring souls into His Kingdom.”

Recently, the Sacramento Central Seventh-day Adventist Church has been blessed with the purchase of new property on the outskirts of the city, and plans are underway to build a new church, along with new studios for Amazing Facts, and expanded facilities for the Amazing Facts College of Evangelism. We praise God for Pastor Doug’s dedication, and look forward to every opportunity to partner with his ministry in spreading the good news of Jesus Christ! ■

The Plant That Wouldn't Bloom

Can a hibiscus flower help preach the gospel to the world? The answer is “Yes!” if you ask Helen Juhl of Middle River, Minnesota. She never dreamed the hibiscus plant she “inherited” from her daughter in 2003 would turn out to be such a blessing. In the beginning though, all the plant produced were leaves.

“One day I prayed, ‘Lord, if you will make this hibiscus plant blossom, I promise to send a dollar for each flower to 3ABN.’” She didn’t have to wait long. In the first year, Helen had counted 228 blossoms!

Then, last year, a friend brought over another hibiscus plant. This one seemed beyond help, with a spider infestation and most of the leaves gone. But when Helen promised \$2 for each blossom, this plant began to thrive, too. Since it began

blooming on Mother’s Day, she has counted 89 blooms!

Helen and Ray Juhl have always been missionary minded. They began their flour milling business many years ago as a way to help make funds available for their local youth group. Today their Natural Way Mills product line contains an extensive assortment of organic, whole grain flours, cereals, and more. And many people have come to Jesus as the direct result of their well-stocked literature! We’re so thankful for people just like Ray and Helen who bless this ministry with their faithful prayers and financial support!

“And by the way,” Helen continues, “there’s going to be another check in the mail for well over \$500 for the blossoms that have come just this year!” ■

WHEN GOD CALLED MOSES

Three Angels Broadcasting Network has become one of the world's largest Christian broadcasters, with an amazing network of satellites, television and radio stations that encircle the globe with 24-hour programming. What sort of person could put all this together?

For those who knew Moses Primo when he was growing up, they could not have imagined that someday he would work on a project of this scope and size. But Someone not only imagined it, He carefully protected and trained Moses for this task, much the same as He prepared Moses of the Old Testament.

Moses Primo was born in the city of Araçatuba, in the state of São Paulo, Brazil. Early on he showed a strong

interest in becoming a doctor, but after taking high school aptitude tests, he enrolled in a technical college instead. Soon he landed an internship with Globo TV in Rio de Janeiro, the largest and most technologically advanced television network in South America. As he toured their facilities for the first time, what he saw took his breath away. "It was like an empire," he says. "It was so big!"

Soon he was offered a job in their camera department, and his joy knew no bounds as he began his interesting work. But his joy was short-lived when his boss told him that first Friday that he would have to come in on Saturday. Moses carefully explained that he couldn't work on the Sabbath, but his boss was

A smartly dressed Moses celebrates his 5th birthday! His family, the Maciels, L to R: Antonio, Jr.; Antonio, Sr. (father); Moses; Ilza (mother); Iara; and a family friend.

unsympathetic, informing him that if he didn't come in he would lose his job.

How could God have led me to the "perfect job" and then take it away? Moses wondered. When his sister heard about this, she told him of a man she had met at her office that worked for Globo TV. The following Monday Moses marched up to the sixth floor and tried to see him, finding out that he happened to be the director of broadcasting and engineering for the network! After explaining his situation, he was surprised when the director told him that

his mother was a Seventh-day Adventist!

The man picked up a red phone (yes, a red phone), and talked to Moses' former supervisor. "I'm sending Moses Primo back down to you. Put him to work," he said. There was a brief moment, and then he interrupted the man on the line, "I didn't ask you. I *told you* to hire him back!"

Four years went by and Moses' proficiency with cameras had rewarded him with an apartment, a new car, and money in the bank. He also had a young fiancé he was planning to marry soon, but

Moses operates the paper cutter at Dunn & Company. This was the machine where a potentially fatal accident nearly occurred.

somehow he didn't feel fulfilled. One tragic night, he suffered a terrible car accident on his way to a church service. The impact broke his skull and severely disfigured his face. At the hospital the only doctor available was a resident who was so shaken by his injuries, he refused to treat him. Moses was bleeding profusely until his mother arrived. Soon he was taken to Hospital Silvestre, a Seventh-day Adventist hospital high atop the mountain on which stands

the famous statue of Christ the Redeemer overlooking Rio de Janeiro. Throughout the night, Moses suffered excruciating pain until the surgeon finally showed up late the next morning. Apparently a fallen tree had completely blocked the road during the night, forcing her to travel back down the mountain, across the city, and come up the other side!

God's merciful hand was over him, though, and not only was his life spared, but his vision was spared as well! The doctor who operated on him knew that there was only a slim chance that he would ever see again, but when the bandages were removed, he had 20/20 vision! There was no doubt in Moses' mind. He knew that his life and sight had been spared for a special reason.

"In spite of all this, when I went back to work, I found no satisfaction," he continues, "and soon I felt compelled to come to the United States to learn English. In one weekend I made my decision, sold all my belongings, and asked my

fiancé to marry me. Three weeks later we were on our way to America for our honeymoon and to study English!"

Moses and his new wife enrolled in school, and he started a student job at the college bindery. A whole year went by. Even though he worked 14 hours a day, he realized that his student job was not enough to support his family. With a heavy heart he began to make plans to move back to Brazil. But God had other ideas.

The day before he handed in his resignation, Moses watched his boss, David Dunn, approaching a defective paper cutter with a volt meter. He had set it on the resistance scale, and was approaching a 400-volt wire! "I ran towards him and pushed him off as the probe fell into the machine and exploded!" he says. "My startled boss asked, 'Did you just save my life? How did you know I was in danger?'" Moses explained that he was an engineer and that he knew about electronics.

Moses (on the ladder) and an engineering crew install a down-link dish for Fox Network.

"Why didn't you tell me this before?" Mr. Dunn asked him, still shaking and incredulous. Soon Moses had fixed the machine and saved his boss from losing his contract for 100,000 books!

The next day Moses turned in his resignation, but his boss wouldn't accept it.

"Moses, I see you have a great future, and the Lord is compelling me to help you," he said. "I'm not going to do this for me. But it's going to be an honor to do this for you."

That day Mr. Dunn hired a lawyer to help Moses obtain his "Green Card," allowing him to work outside of student employment. Then he called Moses into his office and said, "Now you are fired. The Lord impressed me that He has something special for you, and I know that it's not

inside this bindery. You need to go to the big city and get a big job!”

Moses landed the first job he applied for, and the next several years again brought him success in the commercial television field. He moved up quickly, and worked for a new Fox Network station in the Boston area, and later for WBZ, one of the oldest and largest television stations in the United States. He also started up a company called Primo Media to produce Christian programming, but he was still not satisfied. Then came a call from 3ABN, asking if he could videotape a series in Massachusetts. Moses jumped at the chance, and several months later he received a call from Danny Shelton, 3ABN’s President. Although Moses felt compelled to work for the Lord, his salary requirements were out of 3ABN’s reach, and he politely declined the job offer. Several months later, he was called again, and soon he was coming out to 3ABN’s studio to see what the Lord had

done, firsthand. That night he struggled with the Lord. His guest room was located across the hall from Master Control. He heard the phone ringing all night, and the operators praying with those who called.

“How long will you resist My calling?” he heard the Holy Spirit saying to him. After a long struggle, his mind was made up. He accepted the job offer and moved his family to 3ABN. “I know I’m doing what the Lord has prepared me to do. And I wouldn’t go back for anything in the world,” he says with a smile.

In the 13 years that Moses has worked for this ministry, he has watched the Lord perform miracle after miracle. The list seems endless!

“We have grown from two stations to well over 100,” he says. “We have seen our audience grow at a tremendous rate; moved the satellite uplink facilities; built a new master control facility; converted from an analog to a digital signal; launched international coverage via seven satellites; implemented

Moses sets up production equipment for recording at Primo Media.

a direct-to-home satellite system; launched a radio network as well as a Latino (Spanish and Portuguese) television network; built a production truck; purchased a satellite uplink truck; put on full-power stations in the Philippines, Papua New Guinea, and Uganda; built studios in Russia; set up countless non-governmental organizations, such as 3ABN Australia and 3ABN Europe; and more.”

Moses becomes reflective when he’s asked what he sees for the future. “Even after traveling overseas as much as I have, sometimes I stop to look at the world map, and I find countries that I’ve never heard of before. Every day there are people dying without knowing Jesus Christ, and I feel like I did in July 1992 when I first started working here — that I

have a whole new challenge of reaching overseas. Today I’m looking for funds to be on the first DBS satellite that will cover the country of China. Our friend, Ruben Carr, Jr., says, ‘Give Me New York!’ I say, ‘Give me China, Cuba, and North Korea!’ These are people that have not had any chance to hear about Jesus. That’s my challenge. I look at Indonesia, and I don’t know how we will do it. So I guess that’s my next challenge if the Lord wants to use me.”

What an inspiration Moses has been to all of us. Surely the Lord has kept His hand on His faithful servant. Today, not unlike the days of the Old Testament, God has continued to use Moses to lead multitudes of people out of captivity and into a new freedom in Jesus Christ! ■

A Story of Perseverance

In March 2000, the Federal Communications Commission offered the general public the opportunity to apply for construction permits to build Low Power FM radio stations. Many people applied and these stations are being built all over the land! We'd like to tell you about one of our first LPFM affiliates:

Morganton, Georgia **WAQA-LP, 94.5 FM**

This community was in God's plan for an LPFM radio station for many decades. It all started when a little girl sat on a school bus as she went to and from school every day. She had a desire to do something special for the people she watched every day. Back then, she didn't know what it would be; but years later when she heard about the LPFM radio opportunities she felt impressed that God

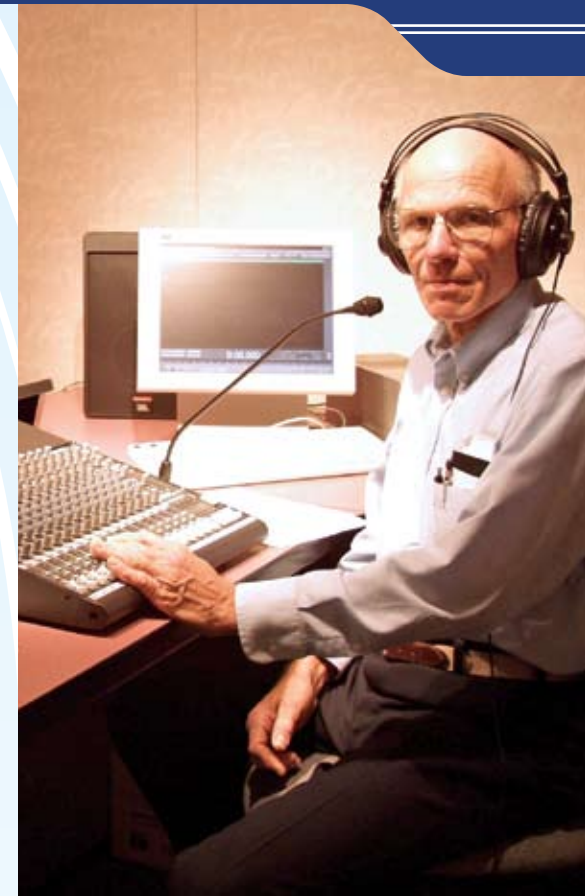

wanted her to be instrumental in bringing His message to that part of Georgia. The woman honored that commitment by funding an LPFM radio station in the town of Morganton ... even though she lives too far away to hear the broadcast.

She contacted the local Seventh-day Adventist pastor in Morganton, Georgia, to get people together to form a nonprofit organization and board of directors. This group applied in the first FCC filing window in August 2000, and was awarded their construction permit in June 2001.

Some of the challenges the Morganton group struggled with are similar to those that other LPFM groups have faced, and that many continue to deal with today. Among these difficulties were disagreements on what programming they wanted to broadcast. It has

also been necessary to file a modification with the FCC to move their tower site, and they fought discouragement because they are all lay people, with no radio knowledge or experience, trying to build a radio station.

But through this experience, many positive things happened as their hearts were softened and brought into one accord. Another positive experience was that God preserved their funding throughout those many months. Their FCC tower modification was approved, and two representatives from the group attended a training school held at 3ABN Radio. They told us it was a very positive and productive experience, and we were happy to hear 3ABN Radio was helpful in the progress made toward their station getting on the air. Most important, perhaps, is the fact that many lay people have been mobilized for the cause of God. They have been through the fire and come out knowing the importance of standing up for the truth

and what is right! Satan is attacking LPFM groups all over this country, but God is able to raise up a standard against him.

What did this radio group learn from their experience? In their words, "Meet often, meet regularly, *talk* to each other, be diligent about working things out, and *pray, pray, pray!*" Good advice for all of us in our daily walk with God. ■

A Power for Good! (or Evil)

What an incredible month this has been! I wish I could list all the new cable systems that are added to our 3ABN Latino Network family each month. When I look over these cities, and think about the thousands of new viewers, I can't help but think about the impact of television on the world's population.

Numerous studies have been conducted on television through the years. It has been the subject of books, magazine and newspaper articles, and even radio and television talk shows. The main concern has been the negative impact that TV has on society. Although most of the studies focused on how it impacts children, there have also been concerns of how it impacts adults. Surely you have heard of "copycat crimes." Many crimes have been committed after some-

one has seen a similar crime on TV.

But unfortunately, television has had another insidious effect — that of presenting bad behavior as acceptable. I will never forget the time I heard a 5-year-old boy say to his mother, "Duhhh!" after she responded to something he said. His mother looked somewhat disappointed that he had answered her that way. Knowing the little boy, I bent down and whispered in his ear in a nice way, "You know, Phillip, it's not nice to answer your Mommy that way." Innocently he told me that a famous cartoon character used it on TV all the time. Little Phillip (not his real name) had concluded that because one of his favorite cartoon characters talked that way, it was acceptable behavior.

It has been said that Thomas Alva Edison invented

the motion picture camera. He had great hopes that it would be used for educational purposes. Thomas Edison stated, "There is nothing like the motion picture camera to mold the mind of men." Although you can find educational programs on some channels, for the most part television has been used to corrupt and destroy society.

I praise the Lord that God established Three Angels Broadcasting Network to bring a message of hope and salvation to the world. Like our English 3ABN Television Network, 3ABN Latino Network is on the air not to corrupt, but to restore; not to destroy, but to be a powerful

instrument for salvation.

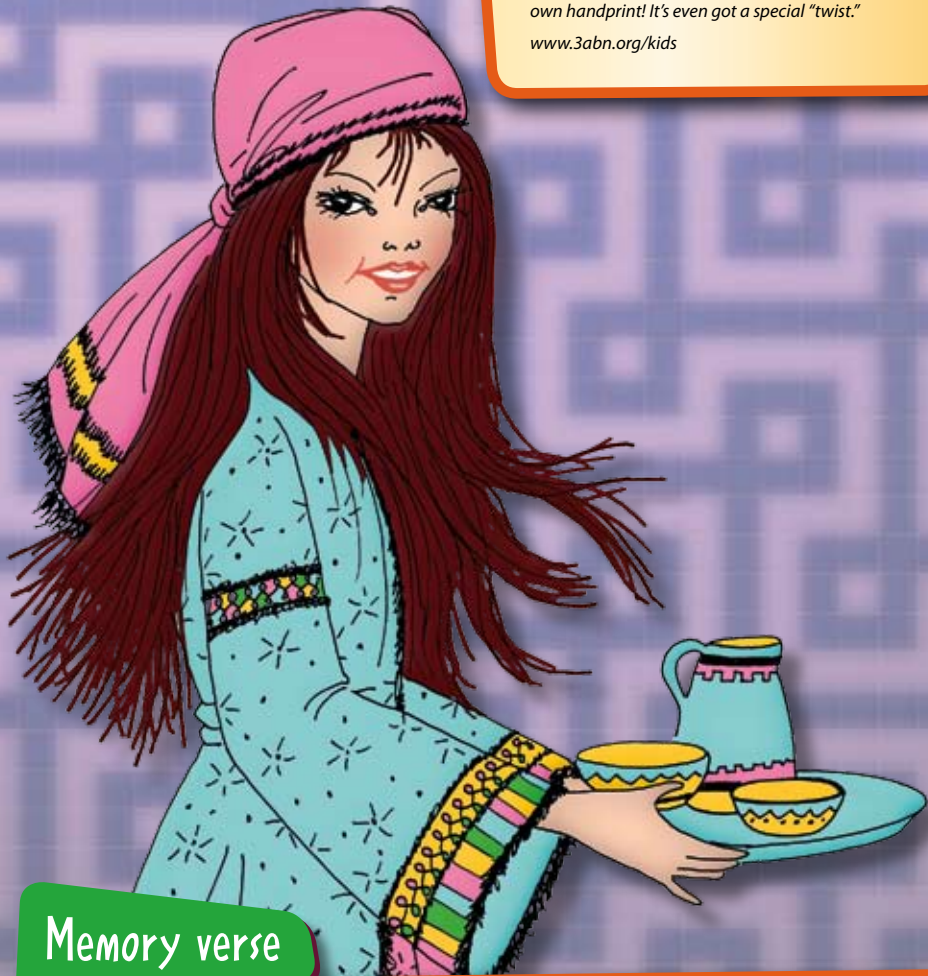

In 2 Corinthians 3:18 God gave us the principle that by beholding we become changed. 3ABN Latino viewers are changed daily and prepared for eternal life by watching our Christ-centered programs. That's why I encourage you to rejoice with us, because since last month, 3ABN Latino has become available on cable to thousands more people in Honduras, Mexico, Nicaragua, El Salvador, United States, and Dominican Republic. Please continue to pray for 3ABN Latino. I can't wait to see how the Lord will bless next, can you?

Memory verse

2 Kings 5:8 (NIV): "... Have the man come to me and he will know that there is a prophet in Israel."

Hi, Kids!

Have you ever read the story of Naaman the leper? It's found in 2 Kings 5. I love this story because it talks about a little Hebrew girl who told his wife about God's prophet, Elisha. It's a fascinating miracle story, and I loved drawing the little Hebrew maid for you this month. Find out what Naaman had to be in order to be healed, in the cross-out puzzle below.

Carob Brownies

Contributed by Barbara Watson,
Director, StepFast Lifestyle Design

Finally, a vegan brownie that is moist, flavorful, rich, and yummy! And it's made with carob, the healthy alternative to chocolate. Delicious when warm, right out of the oven, these brownies are also perfect for hot fudge cake, using vegan ice cream, of course!

In addition to carob powder, this recipe calls for Roma, an instant grain beverage which tastes much like coffee. Including it here makes the brownie and fudge sauce taste much like its much-loved look-alike. You'll be amazed!

Carob Brownies

- 2/3 cup whole wheat flour
- 1/2 cup carob powder
- 1 tablespoon powdered coffee substitute (Roma or Postum)
- 1/3 cup Sucanat or brown sugar
- 1 tablespoon Ener-G baking powder or 1 1/2 teaspoons Rumford baking powder
- 3/4 cup soy or nut milk
- 1 cup walnuts, chopped
- 1/2 teaspoon salt
- 1 teaspoon vanilla extract
- 1/3 cup honey

- Preheat oven to 400°. Prepare 8 x 8-inch pan with nonstick spray.
- Measure dry ingredients into one bowl and wet ingredients into another.
- When oven is hot, mix together dry and wet ingredients. Stir quickly, being careful not to stir out bubbles. (Ener-G baking powder is moisture activated, while Rumford is heat activated.) Place in oven immediately.
- Bake at 400° for 5 minutes, then reduce heat to 350° and continue baking for 25 minutes. Cool and top with Carob Fudge Sauce.

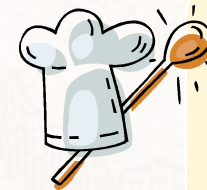

Makes 9 large brownies.

Carob Fudge Sauce

- 3 tablespoons carob powder
- 3/4 cup water
- 1/2 cup dates
- 1 tablespoon peanut or almond butter
- 1 teaspoon vanilla extract
- 1/8 teaspoon salt
- 1 teaspoon powdered coffee substitute (Roma or Postum)

- Heat carob powder, water, and dates until dates are soft and carob mixture is glossy.
- Combine this mixture with remaining ingredients in the blender and blend until smooth. Store in refrigerator. Freezes well.

Makes 1 1/2 cups.

Cook's Tip

For Carob Mint Sauce, add 1/8 teaspoon peppermint extract. For Carob Fudge Frosting, decrease water to 1/2 cup.

God's Rainbow of Promise to Me

I found it very hard to experience this “peace in Christ” and “good cheer” when I was in the midst of a personal storm.

How easy it is to become self-absorbed in life's many trials and tribulations even though God's Word says in John 16:33, “These things I have spoken unto you, that in Me ye might

have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.” Powerful words of consolation, but I found it very hard to experience this “peace in Christ” and “good cheer” when I was in the midst of a personal storm, or what seemed more like a tsunami. I allowed myself to get so flooded by

the great walls of my sorrows that I forgot to look up to Jesus. I didn't think of the reassuring words found in Luke 21:28 that says, “And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.”

Well, one morning during a flood of sorrowful emotions the Holy Spirit impressed upon me to walk. It was about 5:45 a.m. and I did not feel like walking, but the impression was very strong, so I obeyed. As I began my walk, I journeyed down the same path I would take most mornings (when I was diligent enough to stick to my exercise routine). This particular day was like most oth-

ers, bright and a bit humid, though slightly overcast. I point this out because it had not rained, was not raining, nor did it look like it was about to rain.

As I looked toward the sky I noticed a perfectly arched rainbow. It was absolutely *the most* beautiful rainbow I had ever seen! The rainbows I've seen usually have one end or the other covered by clouds, trees, or mountains — but not this one. As I gasped in sheer delight, God spoke the gentle words to me: “My promises, My promises. Claim My promises!”

Those words ministered to me throughout my entire walk, but as I reached a crossroads that led through a dark forest, I hesitated, fearing that

in the darkness of the forest I would lose sight of God's “Rainbow of Promise” to me. I was immediately reassured by the same gentle voice that I *will* lose sight of the His rainbow, but to “be of good cheer — the rainbow is not gone. My promises will never fail, even when you can't see any visible or tangible evidence. My promises will always hold true. Remember, I will never leave you nor forsake you.”

True to His word and true to His promise, I did see the rainbow again on the other side of the dark forest. I know that God's “Rainbow of Promise” follows me through my life's journey — even when I lose sight of it.

'05 Revive
Is Coming!

Danny Shelton and Pastor Doug Batchelor

Many of you have called and written telling us how much you were blessed by the '04 Revival series last fall with Amazing Facts President/Speaker, Pastor Doug Batchelor. We praise God for all those who were saved, and also for those who recommitted their lives to Jesus Christ during that time.

But now we want to let you know about a new event that will take place this fall in Fort Worth, Texas! Once more, Amazing Facts and 3ABN will team up to bring another dynamic series November 4–12 entitled, '05 Revive: *Drawing Near*. We hope that you will join us for a spiritual renewal of hearts and minds, as author and evangelist Doug Batchelor breaks the Bread of Life in ten powerful messages designed to impact the lives of not only church members, but also those who have strayed from the Christian path.

And here's some important news for those living in the Dallas/Fort Worth area! Pastor Doug Batchelor and Danny Shelton will be at the Will Rogers Memorial Auditorium, 3401 W. Lancaster Avenue, Fort Worth, Texas, on

September 24 for an '05 Revive rally at 3:00 p.m.! Come hear them speak, enjoy the music, and find out exciting details about the meetings. You'll be glad you did!

We also encourage you to visit the special website at www.05revive.com. There you will find out how to register your host site, how to receive free materials, and much more. And most importantly, please remember to *pray for this new series*. We believe that the Lord will pour out His Holy Spirit and revive us, "if God's people pray!" ■
