#### FROM THE PRESIDENT

"You are exalted as head over all.... In Your hand it is to make great and to give strength to all.... We thank You and praise Your glorious name." 1 CHRONICLES 29:11-13

#### Dear Family,

In a special way, November is a time of thanksgiving — not the day of veggie turkey and pumpkin pie, but a time when my heart overflows with appreciation for everything God has accomplished at, and through, 3ABN.

This November 3ABN celebrates our 21st anniversary! Reflecting on our past with humble gratitude, I remember what God has done. Still, He keeps impressing me that we haven't seen anything yet!

Waves of disaster have descended upon our world with alarming increase. In the wake of devastation, perplexed people are looking for life's answers. We have an incredible opportunity to reach the world with the gospel! That's why

we are stepping out in faith to expand our world satellite evangelism, although we are far short of our \$3 million goal. Please join us in this effort to bring Christ to the lost. Ask God what He would have you do through your prayers and financial support to help stretch the reach of the gospel around the globe. God is our portion and we will hope in Him.

Let's lift our voices in thanksgiving for all that God has given us! And, let's continue to be a channel of blessing.

May God richly bless you,

amma

Photographs & Memories

**Looking** What fun it is to look back on "the old times" as we reminisce about the people and events that were here in the early days! Here are a few pictures from our photo album we thought you might enjoy....

This tiny transmitter shack was the first 3ABN building to go up on the property donated by Mrs. Fonda Summers. When the first call came in, we quickly realized that we had to take the phone outside because the noise inside from the cooling fans was too loud!

These monitors, a small switcher, three cameras, and an edit controller made up the bulk of 3ABN's equipment in the early days. After the equipment was purchased, there was no money left over for a console. But no matter — milk crates did the job!

3ABN's first satellite dish was a sight to behold and looks out of place in a cow pasture! Miraculously, this corner of the donated property was the only place in most of southern Illinois where the signal could reach all the satellites without microwave interference!

What a wonderful day it was to finally be in our first studio! Danny and Linda Shelton hosted thousands of programs from the set of our first flagship program, "3ABN Presents." Viewers all over the country knew when it was raining in southern Illinois because of the studio's tin roof!

Doug Garcia (left) served 3ABN for many years before leaving to work at Amazing Facts. In this photo he is working as a videotape editor, along with Bobby Davis. He is a frequent visitor to 3ABN's production truck when we're producing live events in California.

Rick Odle, seen here praying with viewers, worked in Master Control, but what he heard led him to leave the church he pastored to become a Seventh-day Adventist. Today he is the pastor of the Alton and Oakhill Seventh-day Adventist churches in southwestern Illinois.

Clarence Larson approached Danny Shelton about satellite transmission, launching the idea of global broadcasting. Later he joined 3ABN as our first broadcast engineer. Here he met and married Tammy Clark, who still works with us as a camera operator and artist.

George Bozarth worked in Master Control in the early years of 3ABN, when manual switching of programs was necessary. Between changing tapes George and his dedicated operators prayed with thousands of viewers. George still works with us in our new automated facility.

> Steve Pester worked in a variety of positions during his three-year stay. He always had a ready smile and enjoyed working for the Lord. Currently, Steve is the television production director for LifeTalk Radio Network in Collegedale, Tennessee.

Who could forget the pictures of Russians forming a line to carry heavy bricks and materials into the new 3ABN Russian Evangelism Center? Today our Russian Center is a testament to their desire to bring the good news to the people of the former Soviet Union countries. What a day of rejoicing, when we first began broadcasting to Europe and Africa in 1996! Gathering outside our original Production Center, we dedicated the dish to God's work. In a few more years we began broadcasting not only to Europe and Africa, but also around the whole world!

After 3ABN opened her eyes to new truth, Theresa Boote not only became a supporter, but also was instrumental in starting the 3ABN Radio Network! This dedicated lady drove from Canada every few weeks to foster its growth. Today there are over 60 affiliate radio stations.

*iNUEVO PROGRAMA!* • El programa *Hogar Dulce Hogar* tiene como propósito presentar desde una perspectiva bíblica y lógica como tener una buena relación entre parejas y como familia. Como padres de dos hijos y dos hijas cristianos ambos han aprendido el valor y la importancia de la educación cristiana en el hogar. Sintonice a 3ABN Latino y únase

a los esposos Rosales y vean como Dios ha dirigido su vida. De una manera jovial les enseñaran acerca de la grandeza del amor de Dios y Su constante disposición de ayudar a los que vienen a El. Recuerden hogares hay muchos, pero *Hogar Dulce Hogar* es aquel en el cual reina el amor de Dios.

# POSTSCRIPT

Remember little Sarah Wolfe, the young girl who suffered from a brain tumor and whose wish was to appear on *Kids Time?* Well, she's doing just fine. In fact, her latest tests showed no sign of a tumor! We thought you'd enjoy these pictures, and please continue to pray for Sarah's healing. Also, don't miss next month's article on her big brother Levi, and his project to help raise funds for a new 3ABN television station in Pocatello, Idaho!

Clockwise from left:

 Sarah Wolfe's appearance on the Kids Time program was made possible by the Make-a-Wish Foundation.

Sarah enjoyed every minute of her television experience. Brenda Walsh added a final touch of powder before the program.

In the control room Sarah tried her hand at editing.

Sarah's wish to be on the Kids Time program was granted, but God worked out the details. As He would have it, the Kids Time Singers were scheduled the very week she came to visit!

#### Dear 3ABN,

We are sending you a little bit of "Go Money." I am so glad that 3ABN is not content to just maintain. We have such an urgent work to do and time is short. We want to go home, but God wants **everybody** to be able to go home, and there are still those who have not had the opportunity to know Jesus.

We are just one little family in Idaho, and our little check is not even a drop in the bucket. But our son Levi says that every penny counts, and it's true. God will multiply every penny that comes in and you will have whatever it takes to <u>Go</u> into all the world.

We believe that if 3ABN stays true to God's message and to His mission, it will not be the lack of funds that will put you out of business, but the closing events just before our King returns! We will keep you all in our prayers.

God bless you, The Wolfe Family

P.S. Sarah says she's sending you a big hug!

#### Video of the Month

This month you won't want to miss out on all the wonderful reports of how the good news of Jesus Christ is

spreading throughout the world! Our video of the month is the dynamic two hour presentation by Global Mission, and it's two hours of wonderful news! Your copy is waiting, and it's yours for a suggested donation of \$20. We'll take care of the mailing costs. Just call us at 1-800-752-3226 during regular business hours.

n addition to regular gifts to 3ABN's ministry, many of you have also helped us grow by arranging both immediate and deferred gifts of your assets.

Did you know that the best instrument for highly appreciated property such as real estate, stocks, and bonds is a Charitable Remainder Unitrust? With it you can avoid capital gains taxes on donated assets, receive attractive rates of interest, avoid probate expenses on donated assets, receive a large charitable deduction, and negotiate to receive either a fixed annual payout or a variable income.

Call our Stewardship and Trusts Services to find out how you can help 3ABN's worldwide ministry through Charitable Gift Annuities and Deferred Charitable Gift Annuities as well. And as always, thank you for your prayers and support!
