**I will ... give You ... as a light to the Gentiles, to open blind eyes, to bring out ... those who sit in darkness from the prison house.**

**ISAIAH 42:6–7**

Dear Family,

December is often called the "season of lights." God defines His season differently. Now is His season — "Now is the day of salvation" (2 Corinthians 6:2) — and the life of Christ is His light.

From a human perspective, the darkness of our world is overwhelming. Still, through spiritual eyes, we see hope. Great opportunities are set before us to share *God's season of light*.

As 2005 closes, I choose not to dwell on the devastations our world suffered this year. Instead, I'm reflecting on the doors opened for us to spread the Gospel, thanking God for the thousands of praise reports.

God placed 3ABN on a lamp stand. We're making a difference in this dreary world. But we couldn't do it without you. Thank you for allowing God to use **you** — through your support of 3ABN — to reach lost and suffering souls!

"Preach the word! Be ready in season *and* out of season" (2 Timothy 4:2). No matter what transpires around us, God still challenges us with the Great Commission. He desires to shine His light through us into this present darkness and lead people out of bondage to sin.

Many doors are opening for 3ABN's ministry expansion. We hope to run — *not walk* — through these. We greatly appreciate your continued prayers and financial support.

May the Lord richly bless you, more than you could ever ask or think!

Danny Shelton is the president and founder of 3ABN.

### **BOGORODSK, NIZHNY NOVGOROD REGION, RUSSIA:**

"To the 3ABN Russian staff, I want to thank you from the very bottom of my heart for the Bible studies and the priceless gift — the Bible that you have sent me. I have been dreaming to have a Bible for a long time, but I couldn't afford it. You do a very important work in fostering our society; you inspire us to live and hope for God's help. I believe in God, but I don't know many prayers by heart. That's why I sometimes address the Lord in my own words with some request, and He helps me. I can't go to church and attend worships because of my disease — we keep up friendship with God at home. I give your literature

to my neighbors so that they could read it, too. Thank you very much for everything."

### **MERRIWA, AUSTRALIA:**

"I love 3ABN, and watch it on my TV and computer every day, as I am stuck in a wheelchair and have no life otherwise. I thank you from the bottom of my heart. Keep up your marvelous work, and may God bless your efforts."

### **MCMINNVILLE, OREGON:**

"My wife and I are disabled, so we decided to sell our older motor home and give the proceeds to 3ABN. Our son had a 'sale lot' that he had used in the past, so we put it there. Two days later, a woman called. 'Is your motor home sold yet?' she asked. 'No,' we replied. 'Can I drive it and see it?' she continued; 'It isn't here on the lot.' It had been stolen by some kids, and was recovered in a few days. Since it had been trashed on the inside, and the transmission was now broken, the insurance company sent us a check for the entire amount, and we're sending it on to you. God is good!"

### **DADE CITY, FLORIDA:**

"I am sending you a token of appreciation for all of the wonderful programming that I am able to enjoy as a result of 3ABN. I have not been able to attend church for the past several years due to health reasons, so my granddaughter had a 3ABN dish installed last spring. There are not enough words to express the gratitude I felt for the message your station shares and the blessings I have received from it."

### **QUETTA, PAKISTAN:**

"When I bought a Skylink receiver in 2001 I was watching 300 different channels on the Hotbird satellite. This satellite is a very popular channel in all of Pakistan, due to its vast variety of western entertainment programmes. My first year was wasted in that I had not seen 3ABN because a dozen other religious channels diverted my attention. One day in 2002, I was changing channels and I stopped at 3ABN because a very useful health programme was coming on which was very impor-

tant to my health. To date I have recorded nine video cassettes on health topics, and also informed other people for their health. Now I am a regular viewer of 3ABN!"

### **SEQUIM, WASHINGTON:**

"Please find enclosed a money order for \$180. I heard your interview about the 3ABN Latino work and rapid growth by the power of God. I felt sad and ashamed that I had this extra money and that I could spend it on something of less value and less importance. I thought, 'How would I like to send the amount so 3ABN could be available to more people?' So I asked to do some extra work. I am thankful for the opportunity to watch 3ABN. I have received so much encouragement and inspiration."

### **MALANG, INDONESIA:**

"Praise the Lord that I receive 3ABN clearly in Indonesia. I make copies, especially preaching programs for the sake of my theological students and my congregation."

Thank you for your comments, suggestions, prayers, and financial support as we seek to reach the world for Jesus Christ!

Letters and other materials sent to 3ABN may be used in whole or in part, and edited for content, grammar, and readability, unless otherwise requested. ■

# FOR SUCH A

**A**s a farm boy in Central Wisconsin, Walter Thompson never dreamed about being the chairman of the board for a Christian television and radio network. He came from a family of poor dairy farmers, and it seemed his destiny would be the same.

Each week in church he listened intently to missionary stories, and one of them changed his life forever. He recalls that he was about 10 years old when he sensed the strong desire to become a medical missionary.

After finishing high school at an Adventist academy, he felt frustrated returning to the farm, since he didn't have the means to attend college. But everything changed when his academy principal called to inform him that a new job awaited him on the campus of Andrews University!

Working his way through school was not easy. "I struggled a lot, and quite frankly, my grades were not sufficient to get into medical school," he admits. But yearly interviews with Dr. Clark from the Loma Linda University School of Medicine in California changed everything. "Through his influence, I was able to get into medical school, and that was nothing short of a miracle!"

After his internship, he spent two years in Guam, and since then he has taken several weeks each year to do medical missionary work. He's been to Cambodia, Mexico, Cuba, Nigeria, Rwanda, and India, and has also spent several days each week at various charity clinics in Chicago's poorest neighborhoods.

He says that meeting Danny Shelton, 3ABN's founder and president, was providential. "With my own ears I was hear-

vent heart attacks. I was convinced they could be adapted for television."

Danny recognized a man of vision. "Dr. Thompson was one of the first people to donate to 3ABN.

Although there wasn't anything here, he called me and said that he thought this was of God and wanted to support it.

ing of the possibility of reaching the world by satellite." He offered to make several stained glass windows depicting the three angels' messages of Revelation 14 for 3ABN's first studio, which was still under construction. Danny accepted, and soon Dr. Thompson and his son, Greg, began making drawings.

"We talked a lot about the benefits of using health programming as an important way to compliment the gospel," he recalls. "For years I had been involved in stop smoking clinics and teaching people how to manage their stress and pre-

Although there wasn't anything here, he called me and said that he thought this was of God and wanted to support it.

"As our friendship grew, so did my respect for him. I was thrilled when he said 'Yes' to joining our board of directors nearly 20 years ago. Then about 12 years ago, our board unanimously voted him in as chairman, which he has been ever since."

Danny especially appreciates Dr. Thompson's calm approach. "Walt is a man who is willing to stand for principle, but humble enough to listen to others, and to work together for the cause

*Dr. Walter Thompson and his wife, Avonne, live in Lake Geneva, Wisconsin. Since his retirement, Dr. Thompson has enjoyed volunteering even more of his time to ministry.*

of God,” he says. “The attribute I admire the most in him is his patience.”

The appreciation is mutual. “God chose well in selecting Danny to lead this ministry,” Dr. Thompson says. “Human, like the rest of us, Danny has a faith seldom witnessed in the world today. From the very beginning, when he has gotten an idea that he believed to be of divine origin, he has allowed nothing to divert his attention as he has moved forward under the Lord’s direction.”

Danny continues, “God has blessed 3ABN with a board of directors who stand in unity when it comes to getting the three angels’ messages to the world. Though we have a number of businessmen and professionals on our board, they always place the decision-making emphasis on the spiritual aspect of the ministry, rather than on business.”

Dr. Thompson agrees. “God gave Danny an excellent board of directors, representing many varied interests and areas of expertise. Even more impor-

tant has been their commitment to be available but never micromanage. Without exception, though not without significant discussion, they have moved forward unanimously, supporting those opportunities that God provides.

“Today 3ABN is broadcasting the undiluted three angels’ messages around the world, countering the counterfeit doctrines that are enslaving the masses. Countless thousands of eyes are being opened to these truths, and best of all, many of these newly-born and reborn Christians are joining in the loud and clear call, announcing the soon coming of our Lord!”

In characteristic humility, he adds, “Though completely unworthy, I count it nothing short of an honor and privilege to have had a small part in this ministry through the years. God is so good!”

We praise God for Dr. Thompson’s integrity and leadership. Like many great men and women throughout the ages, he was certainly chosen “for such a time as this.” ■

## 3ABN BOOKS

# After the Storm

### A new release by Danny Shelton

**O**ur newest 3ABN booklet, *After the Storm*, has just been printed by Pacific Press! Danny Shelton, 3ABN’s founder and president, wrote this 16-page booklet after he visited the Gulf Coast shortly after Hurricane Katrina. “Many skeptics took advantage of this disaster to put the blame on God,” he says. “After all, they couldn’t blame man. This tragedy was not another September 11. This time human beings apparently had nothing to do with the lost lives and utter destruction.”

This booklet is timely, because in it Danny addresses the questions which are on the minds of millions who don’t understand, calling these disasters “acts of God.” He

carefully examines the two questions that begged to be asked: “Who is to blame?” and “How do we find hope after the storm?”

Page after page addresses many topics like: “Why do bad things happen to good people?” “Whose fault is it?” “What about innocent people?” and “What happens next?”

These inexpensive booklets can be ordered individually or by the case, and are available through our Call Center during regular business hours. Just call our toll-free number, 800-752-3226. ■

## Rice Lake, Wisconsin WWJP-LP, 101.7 FM

“There’s something for everyone in Barron County! There’s the gorgeous Red Cedar River, the amazing fall colors, over 250 miles of snowmobiling trails...” That’s what the Internet travel blurb says about the Rice Lake, Wisconsin, area. Well, there’s something else “for everyone” in Barron County, and that is WWJP-LP, 101.7 FM radio!

Pastor Wendell Springer brought the idea of a Low Power FM radio station to the church body in 2000, when he first heard about the offer from the Federal Communications Commission. Some of the church members had been looking for some sort of ministry to get involved with, so they decided that if God opened the doors they would go for it and see what happened. They applied for a construction permit in the third FCC filing

window in January 2001.

The biggest problem they faced was the zoning challenge with the county board. Their location was inside the controlled airspace of a local airport and also was not zoned for a radio station. The church property was rezoned and plans modified according to airport restrictions. While the zoning process was going on, they stepped out on that limb of faith and started buying equipment and putting it together in the basement of a church member, Len Fast.

Len had a sense of peace about the whole project. He said he remembered Danny Shelton saying, “God tells us to go ye into all the nations.” Len said, “I’m a ‘ye,’ so let’s get to it!”

They signed on as a 3ABN Radio affiliate in December 2002, then sent two representatives to the March 2003 LPFM training school. All the

red tape was completed for the rezoning by February 2003, but the ground was frozen, so they couldn’t start installing the tower until May ... and they had to be on the air in June. God blessed them with good people to help with some things that should have been very costly, such as the cost of the tower installer, feeling that it was for a good cause, charged a small fraction of what he should have been paid for the 18-hour day he put in. (The church ladies fixed a great lunch, so I’m sure that helped, too!)

WWJP-LP, 101.7 FM began broadcasting in June 2003, just

three days before the permit expired. The church held a cooking school for the community in August, and about 65 people attended each night. Several people were there because they heard about the school from the radio broadcast.

Their advice to others is to accept the commission, if you’ve been granted a construction permit. A fleece is not needed, but act in faith. Step out in faith believing that God wants us to “go ye into all the world,” and *do* something for Him. ■

## MILLIONS UPON MILLIONS

**T**here are millions upon millions more potential 3ABN Latino viewers at the end of 2005 than at the end of 2004! Just consider that for a moment. This means that millions upon millions more have access to the good news of salvation through Jesus Christ!

This year we have seen phenomenal growth in nearly every Spanish country in the world. Doors have opened for 3ABN Latino to get on cable in Argentina, Colombia, Costa Rica, Dominican Republic, Ecuador, Guatemala, Honduras, Mexico, Nicaragua, and Peru. These are the countries where we have seen the most growth.

Recently we received a request for 44 satellite receivers to be placed in Seventh-day Adventist schools throughout Mexico. Shortly after that, we received another request for 100 satellite receivers to be placed in churches and local cable companies throughout that country!

Just this week we received signed contracts for 3ABN

Latino to be added to ten more cable companies in Colombia, along with requests for contracts for four other cities.

In the Dominican Republic we have also seen very impressive growth. We are in the process of sending eight more satellite receivers to reach more cities, including some areas of the capital city of Santo Domingo.

What is going on? What is God doing? As I've mentioned previously, I believe that God is setting the stage for a great reaping! The latter rain will soon be falling on those that are prepared for that privilege. Soon we will see thousands being saved.

Until those days come, God blesses us with encouraging reports of lives being transformed. God is using 3ABN Latino to change lives. Recently Dr. Elden Lopez told me that a pastor from the Pacific Northwest of the United States traveled to preach an evangelistic series in Bluefields, Nicaragua. He found that one group had set

up a TV to bring in 3ABN Latino's signal to evangelize the local community! I would like to invite you to join with them, with us, and with heaven in rejoicing over the six precious souls that have already been baptized there as a result of what God is

**The latter rain will soon be falling on those that are prepared for that privilege. Soon we will see thousands being saved.**

doing through 3ABN Latino. And by the way, Dr. Lopez said that there are another 30 preparing for baptism! Please remember them in prayer.

But this is just a small sample of what God is doing, because God is setting the stage for a great reaping! I encourage all of us to get ready so that when these precious souls come into the fold, they may see and hear Christ in us, and choose to remain a part of God's family.

# GYC 2005 An Army of Young People

For more information, please visit the GYC website: [www.generalyouthconference.org](http://www.generalyouthconference.org)

Once again, a vibrant group of dedicated Christian young people will gather for the fourth General Youth Conference (GYC) session, held at the Chattanooga Convention Center in Tennessee this month. This intensive, five-day conference is held during the holiday break from school, offering youth and young adults training and inspiration while mobilizing them for God's work.

From its humble beginnings, GYC has grown into something of a phenomenon.

What began in Michigan with a diverse group of college students, has grown rapidly into a dynamic, youth-led organization. Their first conference, held in 2002,

had an expected attendance of 250, but 425 actually came. In 2003 over 800 youth gathered in Michigan, followed by 1,600 last year in Sacramento, California. Quite literally, their numbers have been doubling each year!

And why has the General Youth Conference attracted so much attention? "To be honest, as young people we feel underestimated," says Israel Ramos, President of the GYC Executive Committee. "I think the reason why GYC has attracted a lot of young people is because we have made sure that the kind of speakers and instructors we had would raise the standards for young people. I think young people are searching for a high standard — something they can commit their entire lives to."

"What's *different* about the people here at GYC, particularly the young people, is *focus*," says David Asscherick, Director for ARISE Institute. "There's focus here, there's *intensity* here.

They're not here to be *entertained*. They are here because they believe that it is important to be a Seventh-day Adventist — that they are living in the very closing hours of earth's history!"

Since 3ABN's live coverage last year, many GYC leaders have reported numerous calls and e-mails from other countries. Young people came from the United States, Canada, Mexico, Africa, Norway, Iceland, Austria, Singapore, Thailand, Australia, and the United Kingdom.

GYC exists to uphold the distinctive beliefs of the Seventh-day Adventist church, and to help finish carrying the everlasting gospel to the world. They promote spiritual growth through Biblical preaching, in-depth workshops, personal prayer, and outreach.

And they *are* enthusiastic. "Every time I come to GYC my fire gets rekindled," says

Miguel Serrano. "We have never been so close to the Second Coming. The Bible prophesies that young people will dream dreams and see visions, according to Joel 2:28. GYC is helping us to see the vision and fulfill the dream."

Truly these young people, with their energy and dedication to Jesus Christ, are an answer to prayer. Ellen White wrote many years ago, "With such an army of workers as our youth, rightly trained, might furnish, how soon the message of a crucified, risen, and soon-coming Saviour might be carried to the whole world!" *Education*, p. 271. ■

### Hi, Kids!

It's cold here now, and it always makes me want to bundle up and stay warm. It also makes me think of the people I love, and how they warm my heart. And since it's that time, it makes me think of the greatest gift of all — Jesus! His gift to us was salvation. And that means we can live forever with Him — and with each other! # Brothers With Christ

**M**y husband, Al, and I were “on the road again” at a 3ABN taping site when a young man approached me at the 3ABN booth. “You’ve got to hear my friend’s testimony,” he said, as he pushed a clean-cut, nice looking young man in my direction. My interest heightened even more as I found there were *three* brothers, and they all began talking at once about their recent discoveries from the Bible. I drew them aside from the crowd so I could better hear the following exciting story.

Their names were Ben, Charles, and Josh Riteman, and they had two sisters as well. The story began when Ben stayed up late one night

“channel surfing” on his TV, which sported inexpensive “rabbit ears” for an antenna. He was not in the habit of staying up late to watch television, but suddenly he heard something that caught his attention. It was a sermon on the dangers of spiritualism.

At first, Ben felt this was some weird thing, but he kept watching with curiosity. Then night after night he sat up in his room until the late hours, watching this new channel called Three Angels Broadcasting Network. As he listened to the different evangelists, he began studying his Bible. He recognized the truths he was hearing to be Biblical, and began sharing what he was learning with his 18-year-old

brother, Charles, and his 17-year-old brother, Josh.

“When Ben first told me about 3ABN, and what he was learning about the Sabbath, I didn’t want to listen,” says Josh. “We shared the same room, and I would lie in my bed with my back to the TV. But even though I didn’t watch it, I couldn’t help but overhear it. Then I would check what I was hearing with the Bible.”

Charles was also skeptical. He found himself wavering back and forth as he learned more and more, but finally he was convinced that what he was hearing was Biblical truth. Josh and Charles were fascinated with Bible prophecy. Josh says that the words of Evangelist Lyle Albrecht

had a profound impact on him when he said, “Prophecy is simply history written in advance!”

Soon the three brothers decided they should visit a Seventh-day Adventist church. Ben admits he was a bit uneasy on that first visit, but his brothers were with him, and that made it easier. “The people at the Wyoming Seventh-day Adventist Church were very friendly. They invited us to have fellowship dinner with them,” he says, adding that this helped “break the ice,” too.

The two younger brothers were convinced that the Bible really teaches us to keep the Sabbath day holy. Both were seniors in high school that year, and had jobs in a local

department store. When they approached their team leader and asked for Sabbaths off, he replied, “No problem, I can give you two Saturdays off each month.”

They realized that they were facing their very first test, and the very real possibility of losing their jobs. “We’re sorry,” they told him, “but we can’t work *any* Saturdays from now on.”

**“I felt like a brand new person as I came up out of the water,” Charles told me. “I felt renewed, joyful and in awe of God.”**

“Satan tried to appeal to our pride next,” Josh told me. “Our team leader told us we *must* stay on, since we were such good workers. He told us that we would be very hard to replace.” But their conviction stood firm, and they resigned, trusting that God would take care of them.

Their father was concerned when he heard what they had done. He told them that he was afraid that they were

messing up their lives. But the Lord reminded them of a statement made by Pastor Doug Batchelor during the '04 *Revival* series. He stated, “Test the Lord, and see if He will not provide!”

“We decided to do just that,” Charles told me. Instead of worrying about his job, he actually felt joyful, and after a few months and several applications, Charles found another job in a company run by good people.

Their new life has not been easy for them, though, as they try to share their newfound faith. Charles and Josh have both had close friends distance themselves from them because of their beliefs. Ben also struggled with a dilemma that tested his faith. Although he had been convinced that the Sabbath was to be kept holy, he had just had his father cosign a loan for him to buy a new car. Ben felt at the time that he couldn’t quit his job because of the Sabbath, putting him in jeopardy of defaulting on his car loan. “If I could just turn back the clock,” he told me, “I

would do things differently.”

Josh and Charles followed Jesus’ example in baptism on September 3, 2005, and even though their brother, Ben, was not baptized with them, their joy was unmistakable. “I felt like a brand new person as I came up out of the water,” Charles told me. “I felt renewed, joyful, and in awe of God.”

But the story was not over for Ben, as he continued to study God’s Word. After listening to a youth leader, who recently returned from a Zambia mission trip, he was inspired to make a new and full commitment to the Lord to be baptized as soon as possible!

All three brothers continue studying with Pastor Philip Colburn. They also wake up before dawn to study their Bibles and spend time in prayer. “Studying Bible prophecy is so much more interesting than watching TV!” they told me. “To have a belief in the promises of the Lord and to have Him in our life is to have everything.”

I spoke to the boys’ mother

by telephone, and told her how impressed I was with them all. I also told her that in talking to them, I could tell that they had a careful upbringing by their parents. She simply gave God

**“To have a belief in the promises of the Lord and to have Him in our life is to have everything.”**

the glory by saying, “It was the Lord.”

I must tell you that as a lifelong Seventh-day Adventist Christian I have never been faced with the decisions these young men have had to make. I was moved to tears as they excitedly told me of their decision to keep the Sabbath no matter what. And as one of them expressed his desire to be involved in ministry, I could not help but tell them, “You all have ministered to *me* today. God will give you a way to minister to many others through your testimony.” And the fact that you are reading this story proves it! ■

**W**hat thoughts occupy the mind of a 13-year-old these days? We might guess a new bike, or a four-wheeler, or maybe a new video game, or even an iPod. But not Levi Wolfe. No, his thoughts are somewhere else altogether.

Levi, along with his younger brother and sister, Tyrel and Sarah, live in Cambridge, Idaho. Many will remember little Sarah, who was diagnosed with a brain tumor, and whose wish stunned the Make-A-Wish Foundation, passing up the chance to go to a theme park or visit with a star, in order to appear on 3ABN's *Kids Time* program!

Since his sister's illness, Levi has spent many hours in the hospital trying to understand how this could have happened. But by watching his parents' and his sister's faith in Jesus Christ, he has grown stronger in his faith, and a remarkable desire to help others has welled up in him.

On hearing his parents and grandfather talk about a new construction permit for a 3ABN affiliate TV station in Pocatello, Idaho, Levi had an idea. That Sabbath he reached for the microphone during testimony time, and in a strong voice, he told the congregation that he had relatives in Pocatello, and that he wanted

them to have the chance to watch 3ABN and hear about Jesus. He told them he was going to contribute financially, and urged them to do the same. "My husband and I just looked at each other," his mother says. "We had no idea what he'd been planning, but we were proud and happy that he had such a heart for evangelism."

Soon his 8-year-old friend, Scott, brought Levi his piggy bank. He had been saving for a new toy, but told Levi he wanted to give the money to Jesus instead. "I was surprised he broke his piggy bank," Levi says. "He gave me every cent, too. \$36 dollars!"

Soon a small group of friends could be seen scouring the roadsides outside of town for empty aluminum cans and plastic soda bottles, recycling them for cash. His grandmother, Deanna, found out about his project, too. "She's crocheted nearly 100 dishrags for me to sell," Levi beams, "and she even paid the shipping!" Not to be outdone, Levi's dad tore down an old aluminum shed. "We got \$104 dollars

for the metal that time," Levi beams.

Their friend Brenda, and her children, Shayne, Ethan, and Codi, are all helping, too, giving Levi all the proceeds from several yard sales. "One family in North Carolina found out about our project and sent us \$200!" his mother adds, marveling at how the Lord impresses the hearts of young and old.

What's the grand total so far? At a recent weekend service in Idaho, Levi presented Danny Shelton with a check for over \$3,000! And the funds are still coming in. The children all have new T-shirts and caps emblazoned with their logo: "Kids for Christ! — Spreading the Gospel One Can At a Time!"

"Can you imagine if every church encouraged their children to do something like this?" Levi's mother asks. "I believe these kids will be an inspiration to others. They certainly have been to me!"

What do *you* have in your hand? As Levi says, "Every penny counts." ■

**¡NUEVO PROGRAMA!** • Por la gracia de Dios hemos terminado de grabar dos nuevas series que hablan sobre la salud. "Salud Total" un programa en Español, y "Saúde e Você" un programa en Portugués. Estos programas serán de beneficio para todos nosotros, porque "Salud Total" y "Saúde e Você" contienen información actual de cómo prevenir muchas de las enfermedades que hoy en día atacan a nuestra sociedad. # I Saw the Light

**L**ightning flashed across the fields, followed by booming thunder. “Here we go again,” I cried as electric power to our old farmhouse went dead, plunging us into a pitch-black background. As a youth, I often held my breath in the eerie darkness as I listened for sounds of Mama fumbling around to light an oil lamp.

When she set the shining lamp on a high stand, rays of light would penetrate the darkness bringing great relief to my troubled imagination. The lamp from the stand cast a shadowy glow into the next room, providing me just enough security to tag along with Mama as she went throughout the house lighting the rest of the lamps.

“No one, when he has lit a

lamp, puts *it* in a secret place or under a basket, but on a lampstand, that those who come in may see the light.” (Luke 11:33.) The Bible declares in Psalms 119:130 that the entrance of God’s Word brings light — understanding for the simple! When Christ lit the light of the Gospel, He put it on a lampstand for all to see. He did not preach from a secret chamber, but broadcast the warmth of His light for all to receive His deliverance from darkness. But will all receive His light?

“The lamp of the body is the eye. Therefore, when your eye is good, your whole body also is full of light. But when *your* eye is bad, your body also *is* full of darkness.” (Luke 11:34.)

On those dark stormy nights at

the farm, if I had kept my eyes tightly closed, no light would have entered my physical eyes. Likewise, if my spiritual eyes are squinted shut, if I refuse to receive the light of His Word, then I am spiritually blind and full of spiritual darkness. This darkness represents lack of understanding and poor spiritual judgment.

If we have good spiritual eyes — minds that will allow the entrance of God’s Word — our whole spiritual being will be filled with the light of God. He gives us understanding and the ability to discern between good and evil.

The Bible clearly teaches we become what we behold! If we concentrate on the carnal world, we can count on bad spiritual eyesight and minds

overshadowed by spiritual darkness. In sharp contrast, if we focus our eyes on God’s Word — meditating on the character of Christ and the plan our loving Heavenly Father has for our lives — God will fill our minds with His light of spiritual understanding.

“Your word *is* a lamp to my feet and a light to my path.” (Psalm 119:105.) Aren’t you glad that we have God’s Word as our guide? Let the light in! If you follow it, you can be sure that He will show you the path of life and you will find joy in His presence forevermore.

Thank You, Jesus, for lighting my lamp! Thank You for delivering me from darkness! I saw the light, and it was good! ■

Joe Ramirez volunteers to install 3ABN dishes in Ontario, California.

## Make Me a Blessing

Phyllis Andrew works in our finance department as an accounting clerk. She is looking forward to seeing her granddaughter, Rinka, this month, who will be visiting from Japan.

Working in the accounting department might seem like a boring and repetitive job to some people. After all, don't we just work with "numbers" all day long? Yes, I work with numbers by recording the many monetary donations that come in every day, but I also take phone calls from time to time.

One such call came from Nona Korcek of Ontario, California. She shared with me the special missionary project that their local Adventist Community Services Center and Dr. Gilbert Turner had partnered to work on together. Their goal was to provide 3ABN satellite systems to local residents who were shut-ins in their community, or to those who otherwise would not be able to afford such a blessing. To date over 28 recipients have been blessed in this way.

Intrigued, I asked for more details so that this story could be shared. Preston R. Hickey, who is a member of the Ontario Seventh-day Adventist Church, did just that. He gave the following account:

"How much is this satellite system going to cost my sister?"

"Nothing," was the friendly answer to the man's question.

"Well, what's the monthly subscription charge?"

"Not a thing, the service is free," replied Joe Ramirez, the installer, as he made the final adjustments to the newly placed 3ABN dish.

The man looked skeptical and just couldn't

understand how this was possible. "There must be a catch. Nobody gives away satellite systems," he said.

Joe has heard this a number of times while making installation calls, but he assured the woman's brother that there wasn't a catch.

Lilette Ramirez, who assists her husband, reports this ministry has proven to be such a blessing. It is helping the shut-ins to not only "attend church" and be a part of God's family once again, but to share with their families, neighbors, and friends. It has also helped those people struggling with their beliefs to find wonderful new light and many answers to their questions. Even parents and their children are enjoying and being blessed by 3ABN children's programming.

Just like those in Ontario, *you* can catch this vision and start something big! ■

### Investing In Eternity

HERE ARE FIVE GOOD reasons to develop a Charitable Gift Annuity with 3ABN:

1. Your gift provides you with a fixed income for life and helps 3ABN evangelize the world!
2. You may fund a Gift Annuity for as little as \$5,000 per individual or \$10,000 per couple, provided you are 55 or older.
3. You receive an immediate tax deduction, and much of the interest is tax free.
4. To gain a higher rate with greater income, you may develop a Deferred Gift Annuity with a future payout, provided you are 45 or older.

5. You may fund a Charitable Gift Annuity for another person and claim the tax deduction yourself.

A Gift Annuity is unique in that while the gift is irrevocable, the investment may earn you more than your initial gift — depending on your age.
