

he message was clear: I want you to build a television station that will reach the world with the undiluted three angels' messages; one that will counteract the counterfeit.

This month, Danny Shelton sits down to talk about how the Lord's words have created and shaped Three Angels Broadcasting Network. He also shares his dreams, and the lessons of the journey.

The message is more important than ever. Time is short. Are you ready?

Dear 3ABN Partner.

Jesus said in Matthew 9:38, "Therefore pray the Lord of the harvest to send out laborers into His harvest."

The gospel message may be indelibly inscribed on our minds. We may have a keen awareness of the needs that surround us, and know well the New Testament plan for proclamation. But until we become involved in spreading the gospel to a world where millions who have never heard the name of Christ are dying each day, we're not truly fulfilling the Great Commission.

Yes, we are to be involved personally in sharing our faith on a one by one basis. We should never neglect that. However, through the dream He gave Danny Shelton and the miracle of 3ABN, the Lord has given us a method whereby we can reach millions with this message. Jesus said, "Lift up your eyes and look at the fields, for they are already white for harvest!" John 4:35. I have no doubt in my mind that God has raised up 3ABN to be a part of giving the gospel message and reaping those who hear and accept the truth!

The difficulties that have been brought about by the economy have made it very hard for us to continue advancing the mission of reaching the world for Jesus. But in these closing hours of this world's history it is more important than ever that we support this effort. You, the lay men and women who believe this message, are our only means of support. We do not have any church organization

to turn to in these difficult times, only you. Time is too late for us to simply "tread water." We must continue to give this message with a certain sound, and we appeal to you to support as God has blessed you during this special Anniversary month.

Thank you for your prayers and financial support of this ministry.

Keep on keeping on with Jesus!

Jim Gilley is 3ABN's president.

We don't use mass e-mailing to spread the gospel. We broadcast it over television, radio, and the Internet.

We don't spread derogatory or hateful comments. Period.

So if you receive an e-mail that doesn't sound quite right, trust your intuition! Use your delete button, and say a prayer that the Lord will protect us from Satan's devices. And use it as a reminder that the devil is desperate.

Look around. Everywhere there is suspicion, strife, and sin. Time is short for the devil—and that's good news!

## 3 A B N STEWARDSHIP AND TRUST SERVICES

N ADDITION TO regular gifts to 3ABN's ministry, many of vou have also helped us grow through immediate and deferred gifts of your assets.

Did you know that the best instrument for highly appreciated property such as real estate, stocks, and bonds is a Charitable Remainder Unitrust? With it you can avoid capital gains taxes on donated assets, receive attractive rates of interest, avoid probate expenses on donated assets, receive a large charitable deduction, and negotiate to receive either a fixed annual payout or a variable income.

Call our Stewardship and Trusts Services to find out how you can help 3ABN's worldwide ministry through Charitable Gift Annuities and Deferred Charitable Gift Annuities as well. And as always, thank you for your prayers and support!
