Counselor Simpson:

Your allegation is clearly without foundation based on your own record, and is therefore denied. Any attempted litigation would be met with appropriate counterclaims, and a rather obvious motion for summary judgment.

Bob-

Please issue a retraction of the following statement in which you identify me as a child molester. If you do not immediately correct your statement, I will bring this matter to the attention of Judge Saylor and I will also sue you in Minnesota court for defamation per se. This is your only warning. There will be no debate, no dialogue, no banter. I will not respond to any efforts by you to communicate with me unless you first issue the retraction. You have gone too far by calling me a child molester. Retract it or face the consequences.

And in the email I got yesterday, Simpson emphatically states that he still intends to try to cover up the child molestation allegations against Tommy Shelton, as if those allegations were a trade secret of 3ABN.

Then as far as I'm concerned, Simpson is no better than a child molestor.
