

Ex. C

Rowe issues her findings and opinion, that 3-ABN has made SOME changes that look to me to be a response to Judge Rowe in an attempt to be able to prove to a future court that the basis for her opinion no longer exists, and that therefore 3-ABN presently deserves to maintain its non-profit status.

Does this answer your question?

I think it answers it.

From Judge Rowe:

Quote:

Applicant's remuneration to the Sheltons in the form of a van, an airplane at their disposal on weekends, the wages listed on the financial statements, and the total control over the operation by Danny Shelton, are similar to the circumstances listed by the court in Hopedale, that were found to violate the type of pecuniary profit prohibited under Methodist Old Peoples Home. The substance of applicant's activities on the subject property also shows that the applicant is profiting from the enterprise.

So are they now making sure that all trips in the plane are only for business purposes? Is that one of the changes that has been made?

I don't think so.

Is it not true that a recent "honeymoon" was taken on the 3-ABN jet? Did not that honeymoon last for several days? Is it not true that the only business conducted on that trip was a Sabbath sermon at a local SDA church?

Correct me if I am wrong.

I couldn't tell you.

I will say that if the above paragraph from Rowe is construed into only a question about our health message, it is truly amazing. Here in America you can climb the ladder of success and get so high while either intentionally or unintentionally characterizing a legal decision in that way.

In other words, if it was intentional, one can be quite crooked and climb to the top. And if it was unintentional, one can be clueless about many, many things, and still climb to the top.

There is hope for all.
