BlackSDA _ 3ABN _ Attention 3abn Employees

Posted by: ex3ABNemployee Feb 7 2007, 01:01 PM

I have been thinking a lot about what some have posted here. There have been suggestions made that perhaps there are some employees who would like to share an experience or information, but are fearful of doing so because of possible retribution. If this is you, you may leave your comments at this email address:

Your name will not be released without your permission. This is not an attempt to drag information out of anyone. This is simply being made available for anyone who needs it. There are others who understand.

I too am interested in hearing from current employees of 3ABN. What did you think of Danny's comment in the corporate worship meeting? Of Danny suing/going after his ex-wife? What has been your general experience working there? Both good and bad.

Send your emails to calvin@blacksda.com and I will post your comments anonymously.

Calvin did you not read my earlier posts that whoever told "sister" that Danny said he was going after Linda and her followers was not telling the truth. I have many eyewitnesses that were there and they say he did not say that.

that snippet is in the closed corporate worship thread... if you wish to continue posting, I would strongly suggest that you leave this alone until that thread is reopened.... I am not saying this as a member, I am saying this as an administrator...

Duane,

What can we do to get your and Calvin's invitation out there so it can get more attention and more response?

Can we ask the those at save3abn.com to post something of this nature as an announcement or in the "Contact" section?

Just a thought,

Happy Sabbath All!
