### BlackSDA \_ 3ABN \_ Contact Info For 3abn To Serve Papers To.

---

**Posted by: Pickle Feb 22 2007, 10:57 PM**

Anyone want to provide their contact info so that 3ABN will have an easier time serving them papers? It might save them some time. It was an idea Duane and I were discussing.

I think it would be pretty neat if we could end up with 100 names or so.

Is this a good idea?

Either that, or as I was just thinking, I'm home a couple of days a week, so I guess I could just pop by and pick mine up.

No sense wasting a stamp.

If the offences are committed online, can the papers be served online?

What really is the purpose of this topic?

What really is the purpose of this topic?

to show the dannyscribes, the dannytypes and the danny apologists that people are not afraid to be sued given than it could be more damaging to danny and 3abn than those here.....

**Posted by: Daryl Fawcett Feb 23 2007, 11:07 AM**

But what is there to gain by doing this?

**QUOTE(Daryl Fawcett @ Feb 23 2007, 12:07 PM)**

But what is there to gain by doing this?

It calls the bluff of those saying particular members here are going to be served...

When I was talking to Duane Clem, he expressed that he did not like Danny referring to that "little group" on that broadcast. If 100 people said they wouldn't mind being sued, well, that bursts the bubble of Danny's allusion that we are just some "little group."

That was part of the reason for suggesting this topic, but like I said, I wasn't sure if it was a good idea.

We don't want to taunt, and yet at the same time we want to let them know that we aren't afraid of their threats, and we would rather be sued than not take a stand for truth, for righteousness, and for the reputation of the Adventist Church and the undiluted three angels' messages.

Thank you for your explanation, I too was bewildered with where this was coming from and going to. I like to stand for truth, for righteousness, reputation of the Adventist Church...

as the Prophet Jeremiah said:

Execute judgment in the morning,  
and deliver him who is plundered  
Out of the hand of the oppressor,  
Lest my fury go forth like fire  
And burn so that no one can quench it.  
Because of the evil of your doings.  
Jeremiah 21:12

Also I have seen a horrible thing in the prophets of Jerusalem:

**They commit adultery and walk in lies;**  
**They also strenghten the hands of evildoers,**  
so that no one turns back from his wickedness.  
Jeremiah 23:14

My husband and I are reading the Bible through and found these verses this morning...

I think they are worth considering...

Mr. Pickle--a hundred represents a large group to you? Do I understand you correctly? Sheesh--you say you want to "burst" his bubble? 

Umm, I hate to say this but a hundred IS a "little group."

For such a loud cry that 3abn isn't going to do anything and you all will welcome it if they do, I see a real lack of everyone's info here. You know to help the DS team save time

To start with 100 is reasonable. We do have 2,135 registered members on BlackSDA.

Keep reminding the many churches and gatherings where there are less than a hundred assembled thay they are a smal group.

Why not rather emphsize the words of Jesus saying that where two or three are gathered . . . ?

Because I believe Lee wasn't referring to churches or in any way comparing. How could you compare a forum like this with a church? That would be highly degrading to the church.

Funny how such a "little group" has got 3abn all shook up. I mean why should they be concerned over a little group? Unless they know that the little group speaks the truth? Now if the little group speaks the truth then yes they should be running scared to the lawyers. Oh ya, they are.

Shouldn't we be happy over the name "little group"???

After all, isn't the same thing as being referred to as "a remnant"??? □

But what is there to gain by doing this?

What is to gain is the understanding that I don't play. I don't take threats lightly. I don't play. If you want to use the threat that you are going to sue me then you best believe that you better follow all the way through. I don't play. I don't have time for the mess. I don't play. I have been molested and to hear someone talk/discuss it and try to blame it on the child - but yet want to then discuss out the other side of their neck that they will "sue me"... I don't play. I will go to court. I don't play. I will take the time off from school, move in with my Mamma, and run the trial to the end. I don't play. GOD is with me and in the end the name of 3ABN will change to Silvey's Network -(SN). I don't play. I will have all the necessary funds to care for my family, finish my education (now and future), and take care of others that have been through some of the "mess" that folks are taking lightly in regards to 3ABN. **I DON'T PLAY!!!**

...and then you speaking of this being a "highly degrading" church would be judging...right?

Why do the 3ABN lawyers' work for them. If they're as good as we're being led to believe, they should have the wherewithall at their disposal to conduct their discovery; and they would also have to justify their billable time, wouldn't they?  Let them work for the money like the rest of us...

Personally, I think it's just hot air blowing in the wind
