g. Total number of alleged victims may be 20, as low as 14 or as high as an unknown number.

Wow, with those kinds of numbers (that you "heard" about and "estimated") over that many years, you would think at least 1 person could have proved something, wouldn't you. Also, if it so obvious, and so many problems, LS would have had to have known all about it. Why did she approach him about helping her write songs? Which they did. Why did she hire him in her department after he moved back from dunloring and why did she travel and sing with him up until she left 3abn? Don't waste anyones time on "her husband must have forced her". I am sure DS could have cared less if she wanted to have TS write songs with her. That was her choice. Be real people, if Ds is to be held accountable for what he did or did not know, LS would have to face the exact same accountability. You either need to make a public call for her accountability or drop your accusations with DS about what he did or did not know at what time.

Once again, Bystander doesn't offer any defense for Tommy. Instead he tries to change the subject to other people, and hijack the thread to take the attention off of the crimes committed by Tommy.

This email was forwarded to me with permission to post it. I will do so.

3ABN income is public record. I guess anyone can get them. The question should be asked, Why

did Linda make more money than Danny when she was working there. She was only Vice President. She should be making less. Did it ever occur to anyone that she felt she deserved more than the President. A very inflated view of one's self I would think.

1.. Clang, clang, clang...

2..The figures represented show his benefits except Health Insurance even including several thousand dollars that he pays annually for use of a company car that shows up on his income tax as a benefit thus raising the bottom line of his total income a year. Also, in 2004 and 2005 he chose to work through much of his vacation time and was paid for it, which also shows up on the bottom line of total salary.

3..**Records show** Yada, wah, blah, blah, blah

4.. Blay, blah, yada, clang (notice the enclosed documents as proof! **(I have a copy of the documents but can't seem to scan them on. I will try again later.)** Bystander

5.. Yada yada

6.. Blah blah blah...

7.. Clang, clang...

8..Yada yada...

9.. Blah blah blah...

10.. Clang, clang, yada, blah, blah...

**Fact:** Linda handled the biggest part of the finances. 3abn has access to thousands and thousands of checks written over the years for bills, groceries, purchases, utilities, ect ect in Linda's handwriting and Linda's signature

**Fact:** Danny does not give himself raises. Only the 3ABN board of Directors can give him a raise.

**Fact:** While Danny and Linda were married and they had two incomes to pay the bills, it has already been noticed that Linda chose to make more than Danny. **The 3ABN board has never voted for Linda to make more money than Danny as President.** As minutes to 3ABN board meeting will reflect Danny refused cost of living raises that all salaried employees get each year. Linda continued to take her money. This is how she went from making her salary of several thousand dollars a year less than Danny to making several thousands of of dollars a year more than Danny.

OK, Bystander, now you claim DS did not take his cost of living increases correct? So the next logical step, in this fact finding mission, is that DS did make more money than LS from the start, right? Now the logical progression is that her income will increase gradually. However, that does not prove that she ended up making more money than DS, it only means she was making more than she had been previously. Now, Bystander, according to your logic, because LS continued to take her cost of living increases which she had every legal right to do, and she may have started making more money than him, **which you have not given any verifiable proof of btw** , LS is at fault due to the fact that he did not take his cost of living increases?  Do you smell the mess you are trying to ask us to swallow? We do.

#### QUOTE

**Fact;** Danny has never faulted her for taking what the board had voted for her to take. He just didn't feel that they needed the total amount awarded by the board for salaries.

Folks don't waste your time trying to tear this up, **this has all been verified.**

You either need to make a public call for... accountability or drop your accusations with DS about what he did or did not know at what time.

Wait didn't you say above that you could not scan the documents you claim to have? And, it is interesting to note that, based on your claims, DS did not fault her for taking her cost of living ncreases, yet you obviously do. Why is that? Again, where is ALL this verified. Oh yes, in the docuents you can't scan. Or, is it possible an imaginary dog ate your homework? 

**Oh and this is all verified based on what, YOUR word?**

When the time of trouble comes, God's people will be convicted and found guilty and sentenced to death this same way, no doubt you'll read it all and think, well that's a great start, if a majority claims it's true, it must be???

Am I proclaiming, T.S. innocent or guilty? No!

I'm simply saying, you are all in a rush to judgment and have condemned a man already without "proving all things", and that brings shame on the people proclaiming God's name and professing to be part of the remnant Church.

I know, You have said over and over " I would like to see Tommy proved innocent" thinking apparently that it makes you look fair.

But what that really means is you don't believe he's innocent till proven guilty, you've already judged him and condemned him.

Keep this one in mind also.

Rom 1:32 Who knowing the judgment of God, that they which commit such things are worthy of

death, not only do the same, but have pleasure in them that do them.

Tommy wrote an open letter. In it he tried to guilt those who would expose his sin.  
Carol wrote an open letter. In it she blamed others for the problems her husband caused.

If Tommy is innocent, why does he not proclaim his innocence, instead of trashing those who know the truth.

And there are those who know the truth.

I know of the letter of suspension in Illinois, pending an investigation, which referred to a police investigation -- and that no charges were filed.

But the findings of the Ezra Church of God?

Nope haven't seen it.

The Virginia Church? haven't even seen any documentation from them, haven't seen one alleged victims statement , or even any support from them for Dryden.

Do you have facts and evidence Mr Josey???? because I'd really like to see what your justification is for your claims here...

All of your ire is against Danny Shelton, not once has one person who has over and over proclaimed T.S. a pedophile and Child molester proven that, or condemned or found fault with Linda Shelton.

And Re when you stand in court as you keep saying you are willing to do, and you will.

For we will all stand before the judgment seat of Christ. How are you going to justify your personal accusations and condemnations?

Do you have facts and evidence to back it up? Have you rendered a righteous judgment?

I hope so...

1. Claim that this is all about Danny, which it is manifestly not
2. Divert the discussion away from Tommy back to the allegations Danny & Co made against Linda, which have never been substantiated in any meaningful way
3. Threaten Re' (and by extension the other posters) with appearing in court under a lawsuit
4. But then switch to making a threat about judgment day and hellfire and appearing before God, so no one can say they were threatened with a lawsuit

Fact: It amounts to a bunch of accusations, and very little facts and evidence PB.

When the time of trouble comes, God's people will be convicted and found guilty and sentenced to death this same way, no doubt you'll read it all and think, well that's a great start, if a majority claims it's true, it must be???

Am I proclaiming, T.S. innocent or guilty? No!

I'm simply saying, you are all in a rush to judgment and have condemned a man already without "proving all things", and that brings shame on the people proclaiming God's name and professing to be part of the remnant Church.

Don't bother with the I don't judge, protests P.B. They are weak and tired...

I know, You have said over and over " I would like to see Tommy proved innocent" thinking apparently that it makes you look fair.

But what that really means is you don't believe he's innocent till proven guilty, you've already judged him and condemned him.

Sad...

gonna move this comment to the other thread....

Thank you for your comments. You have a right to come to your own conclusions and to have your own opinions.

I would really appreciate it if you could go over to save3abn and read the email that Tommy sent to Duane Clem. Here's the link:

<http://www.save3abn.com/tommy-shelton-confession.htm>

After you have read that, please come back and tell me if it proves anything. I'm really interested in your take on what Tommy writes in that email. Pay close attention to where he says "you resisted every attempt that I ever made". Does that sound like Duane was a willing participant?

You can continue to discount the evidence, the statements and Tommy's confession if that is what makes you comfortable. You can continue to attack those who are compelled by that evidence and feel duty-bound to call for accountability for the sake of those who claim to have been victimized.

When you see the evidence and hear the victims' statements, is it really a Christian reaction to turn away, put your finger to your lips and say "Shhhhhhhh!". There isn't a soap strong enough to wash that kind of blood off of your hands.

We will look to the Lord for all the answers, and trust He will provide the plan for victory!

In honor of 3ABN's day of fasting and prayer, we invite everyone to join with them in praying that God will reveal to them the true source of difficulty, the true enemy within.

We would also like to extend to them the offer that we will cease publishing additional material about the various allegations once an adequate plan is put into place to address the various issues in a thorough, impartial, meaningful, and Christian way, something we have been asking for for more than six months.

BTW, are you accusing me of being the person who, by living through the devastating experiences of molestation as a child, has learned what pedophiles do to groom and control their victims before, during and after victimizing them? 1. I have said 3ABN is NOT GUILTY of the accusations Joy and Pickle have made about them in regard to T.S. and I have explained why.
2. I have only stated T.S. is innocent till proven guilty, but tend to believe that what has been brought up is from the past and was investigated and taken care of then.
3. Anything which *\*may\** be new is a legal issue and if there is merit to the allegations of sexual assault and molestation and he is a pedophile then he needs to be charged. It is a State and a Church of God issue.
4. I have said If you believe him guilty and are concerned about children, then you need to realize, Pickle and Joy going after his former employer (3ABN), does not protect children elsewhere, nor can 3ABN charge T.S. with a crime.

Do you honestly have a problem with that?

I am writing this because I am concerned about you, for one. I don't want sin lying at your door, I want you to one day soon be praising God in the congregation of the saints and not weeping and wailing.

You are accountable for the things you say about others, and you better be able to give a just cause and reason when it comes to both God's court, -- and a civil court since you have now jumped to that conclusion.

If you can't answer me here, how can you answer that question in a court of law, and How will you answer God as every idle word will enter into the judgment, and you've said much more here then just an idle word.

I believe reasonable people would see the inconsistencies and lack of evidence and holes in the accusations posted on Save-3ABN and have a reasonable doubt, and so would not repeat it as fact till all is proved.

1. This is the internet, people lie.

2. In order to figure out the truth, you have to do more then listen to rumors and accusations. You need to check out both sides, and all involved, and verify what is factual and what is not.

3. It is not reasonable, nor Christian to just accept what some people say without doing so, and call others liars, and child molesters, and demon possessed without doing so.

4. Repeating unsupported opinions or personal judgments will not help you in a court, nor work as a defense, as if you go to court it is those things you will be being sued about. You will be needing to give the reasons and facts, just as I asked you for.

If you are really thinking you'll be called to court or sued, and taking notes, then I suggest you start being able to explain your position and why, because calling a lawyer Satan and rebuking him, or telling him he needs to read everything posted on BSDA, or asking him if he'd leave his children with T.S. won't work there either.

1. I have said 3ABN is NOT GUILTY of the accusations Joy and Pickle have made about them in regard to T.S. and I have explained why.

I see. So, you need proof that myself and other victims are "telling the truth", but you already know that 3ABN is "not guilty" *without* seeing any such proof from them.

2. I have only stated T.S. is innocent till proven guilty, but tend to believe that what has been brought up is from the past and was investigated and taken care of then.

Are you really that blind? Read my statement again, I just came forward for the first time in January of this year. How could it have already been investigated? The same goes for my brother and at least 4 others that I know of personally. You can't see that because you don't *want* to see it.

3. Anything which *may* be new is a legal issue and if there is merit to the allegations of sexual assault and molestation and he is a pedophile then he needs to be charged. It is a State and a Church of God issue.

There are allegations outside the Church of God.

4. I have said If you believe him guilty and are concerned about children, then you need to realize, Pickle and Joy going after his former employer (3ABN), does not protect children elsewhere, nor can 3ABN charge T.S. with a crime.

It has been explained time and again why 3ABN may have some liability here. Again, you're just here to exonerate Tommy, Danny and 3ABN, so you're not going to listen to anything else.

call others liars, and child molesters, and demon possessed without doing so.

4. Repeating unsupported opinions or personal judgments will not help you in a court, nor work as a defense, as if you go to court it is those things you will be being sued about. You will be needing to give the reasons and facts, just as I asked you for.

If you are really thinking you'll be called to court or sued, and taking notes, then I suggest you start being able to explain your position and why, because calling a lawyer Satan and rebuking him, or telling him he needs to read everything posted on BSDA, or asking him if he'd leave his children with T.S. won't work there either.

You constantly suggest that myself and other victims and their families may be lying. You question constantly how old we were, did we consent, were charges filed, etc.... Have you ever considered that you have numerous *SIGNED* statements that all basically tell the same story, and yet Tommy and Carol both write lengthy letters and neither of them deny the allegations? It's hard to get the "other side of the story" when the other side won't respond.

Court, court, court. I'm so sick of seeing that word. If someone wants to sue me for what I've said, then have at it. I'll say it all again before a judge, and then some. Empty threats of being sued accomplish NOTHING.

One of two things is going on here. You are either completely dedicated to the cause of refuting and discrediting anyone who speaks out against sexual abuse, or you have a comprehension problem. I'll let you decide which one it is.

Don't bother asking me any more questions, or trying to get others to do so. You and I are through talking. "Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple." Romans 16:17-18 KJV

I see. So, you need proof that myself and other victims are "telling the truth", but you already know that 3ABN is "not guilty" without seeing any such proof from them.

Are you really that blind? Read my statement again, I just came forward for the first time in January of this year. How could it have already been investigated? The same goes for my brother and at least 4 others that I know of personally. You can't see that because you don't want to see it.

There are allegations outside the Church of God.

It has been explained time and again why 3ABN may have some liability here. Again, you're just here to exonerate Tommy, Danny and 3ABN, so you're not going to listen to anything else.

It is so sad that Aletheia and some others find it so easy to discount the truth in order to paint a picture of this situation that they can be comfortable with.

After you have read that, please come back and tell me if it proves anything. I'm really interested in your take on what Tommy writes in that email. Pay close attention to where he says "you resisted every attempt that I ever made". Does that sound like Duane was a willing participant?

If the letter is legit, then I see a letter of apology and a request for forgiveness. Many of you have said that is all you would like to see. You are not a lynch mob and would only like to see repentance. I see that, here. It is not for you to judge whether or not something happened to anyone else or if it did, were they apologized too and so on....Duane says this happened to him and says he was sent a letter asking forgiveness. All of you have used this letter as a neon sign of TS's guilt but no one mentions the purpose of said letter. Apology, forgiveness.

Duane, I would like to ask you a couple of questions and I ask them respectfully. Of course, you don't have to answer, that is your prerogative. I have commented on another post about the letter from TS on the joy site. I pointed out that this is used for TS guilt but no one comments on the fact that it is a letter of apology and a request for forgiveness. I have read on one of your posts that says an apology is all you want. It looks like you had that. Am I wrong? If I am correct, why has the apology been ignored and you obviously have felt a need to come to Joys site and bring public retribution. After all, the word says if we have ought with a brother....between them two....So, my point is, if you are

going to respond that he hasn't apologized to others (if there is guilt there) wouldn't that be between he and God? All you can go on is what happened between you and he. You say the letter posted is from TS so at the time you received it, shouldn't forgiveness have been granted? You are not accountable to God for any other situation, only yours. I truly am trying to understand this situation. My other question is: Did you reply to that letter of apology? If so, shouldn't it, in all fairness, be posted along with the TS letter, regardless of what it says?

making so much stink about TS' letter of apology and his requesting forgiveness... there has to be guilt for him to seek forgiveness; there has to be wrongdoing on his part toward Duane for him to apologize. You and Cindy and others keep trying to insist that he did nothing but the problem is that he has already admitted to it. The conversations you are having with different people dont exist in a vacuum; the things you concede in talking to Duane remain conceded when you speak to me... and vice versa.

Talking to Duane, you admit that confession was made and forgiveness sought by TS; once you did that, the rest of this nonsense about his daughter and grandson is irrelevant. He's a pederast even if he manages to resist the incestuous inclinations.

Wouldn't you think that some if not all of the alleged victims would be aware of "true repentance and life reformation". I mean, that would be pretty hard to keep secret considering the fact that you would think he would want to go back to each one of them and do whatever he could to ease their pain and show true remorse.

When TS asked Duane's brother what he wanted him to do and got the answer, he refused to do it. Now if the allegations are true and he had experienced true repentance and a life reformation, why would he have a problem with doing what was asked of him or, at the very least, publicly admitting what he did to keep these young men from continually being harassed and and having their character questioned? If the allegations are not true, then why did he ask the question in the first place?

I find it more than a little telling that wwjd and Byletheia ignore the facts that have been proven right here from thread to thread. Yet from thread to thread they have the nerve present themselves as honest men presenting the truth, as they know it.

Fact 1

Bystander/wwjd - Have both came into BSDA under false pretenses.

Fact 2

Bystander/wwjd - Purported that they did not know each other, but were caught using the same computer.

Fact 3

Bystander/wwjd - Create a third online personality from the same computer and got caught and removed from BSDA. Then after much wailing and gnashing of teeth, our merciful BSDA admin staff allowed liar liar back into BSDA.

Fact 4

Bystander/wwjd - After being caught at their lies, decide to come out of the closet, so to speak, and claim to be sorry for lying, yet continue to accuse other members (the victims of DS/TS) of not providing any proof, in other words **Bystander/wwjd the PROVEN liars** claim that the victims and other members of BSDA of lying.

It is interesting to note neither Bystander/wwjd will acknowledge these PROVEN facts from their own mouthss/actions... why is that? **Thees are PROVEN FACTS, and more have been presented**, yet Bystander/wwjd refuse to look at them..

Lee was almost correct. We all know that I and bystander use the same computer. As for your accusation that a "third" personality was invented...Not only is that not true, that person wasn't even using the same computer. As explained to Calvin and he was ok with understanding it. The person lives at least 6 or 7 miles away but does have the same server. In no way was a third person invented or using our computer. If Calvin did not understand that, we would not be back on. Nowhere did we say we lied nor did we apologize for a third person when they're wasn't any. Neither was there a "bust" once Calvin looked into it and saw the truth.

Also in my very first post, I said I had known the sheltons for many years and I brought up a post by bystander. Where did I say I didn't know who Bystander was?

I fully expect to receive your wrath with this post - but in the name of the Lord I will endure whatever slings and arrows you decide to send my way. Why? I fully expect to recieve your wrath with this post - but in the name of the Lord I will endure whatever slings and arrows you decide to send my way. Why? Because I am sure that the Lord is in charge and I do not post without prayerful consideration before I do. Question me, belittle me, disparage me, cast dispersion on my character - but remember that God does guide and direct and you do not have the market cornered on his guidance and direction.

FHB The Lord must be guiding both of our thoughts along the same line. Earlier, I too, was wondering, what, if any, had Mr. J contributed to the 3abn story. Just like Clay, he calls names, points fingers, and talks down to everyone that doesn't agree but I have failed to see where his "ire" comes from.

Thanks for stating it so well.

- FHB

I've appreciated all of you who have taken a stand against the devil's trash written on this web-site, **among the most recent being that written by the person called "Bystander"**. Thank God for people like that who aren't afraid to speak truth in defense of wrong doing.

I agree - this statement makes it sound like they don't know each other...knowing good and well that they do.

**QUOTE(Lee @ Feb 25 2007, 10:49 PM)**

Sera--your summary is incorrect. Bystander explained that he and wwjd are both sharing a computer. They did not create a "third" personality. It was a real person and what he had to say was true. They were not doing anything deceptive at all. The "third" person also was using their computer, who was a visiting nephew.

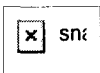

**QUOTE(awesumtenor @ Feb 25 2007, 10:54 PM)**

...They were busted; get over it.

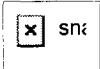

**QUOTE(Lee @ Feb 25 2007, 11:04 PM)**

Mr. Josey--I was telling the truth. I don't need to "get over" anything.

Lee fails to realize that Bystander/WWJD came back and admitted to using the same computer. Now - I don't know about 3ABN - and other "huge" corporations - but two people in an office/home/small area cannot use the same computer and not pass each other and not "know" each other or know "about" each other. They (Bystander and WWJD) were busted out on this aspect.

Now - what's the spin on the "nephew" - who was visiting.... Lee - since you have explanations for everything - what you got on dat?

Isn't this a white lie along the lines of spiritual adultery? Deceptive without actually telling a flat out lie? Same old same old.

I do believe his strong statements come from a place of you get what you put out. Folks on here have called victims of molestation willing participants. Folks have been threatened with lawsuits and court. Folks have been called an outright lie.

You cannot possibly continue to throw mess around and not get some splash back of something on your shirt....

Kinda like when my Mother didn't want to talk to a lady in the neighborhood - and when she called she jumped in the tub and told me to tell her..."Tell her I'm in the tub and will call her back later..."

Technically - *she wasn't lying...* □

Lee is correct. There was no third personality, I am pretty sure of that. As Bystander stated in this thread, both bystander and wwjd where allowed back in after my investigation. By the way, I am well schooled in the operations and working the Internet Protocol (IP), having assigned IP addresses as a Network Manager with a 700 node network, and IT Director.

Calvin,

So dewayneholden, the nephew of either wwjd and Bystander (per Lee), was a separate user posting from a separate computer? I understand why his post was quickly erased but was dewayneholden permanently banned?

DrRe: And FHB's accusations of anger is simply another RED HERRING. In other words it is another lie to evade the Proven/Verifiable facts regarding the lies told by the by/wwjd. Which proves that they have no credibility...

BTW HH, where is that RED Herring?.

Mr. J's anger is evident - however the reason is not so at this point.

yes, I have to be the "angry black man" in your conspiracy theory... I suppose you have to hang that on someone...

**QUOTE**

Mr. J. maybe you can share with us what your main point is in the whole 3ABN issue. I can't find, through searching your posts here in the 3ABN forum, what your main contention, well, any significant contention is. You seem very angry at the church, at 3ABN, at anything that doesn't align perfectly with your own personal theology. What evidence have you presented? What point do you have to make - other than railing at 3ABN?

I will tell you that if you will tell me how your throwing stones while hiding in the shadows to prevent them from being lobbed back at you is in any wise consistent with the Christianity you profess.

**QUOTE**

Many have been the object of your derision when they didn't deserve it.

There are over 2000 members of BSDA; quantify 'many'... then prove they were undeserving... like the victims of Tommy Shelton were undeserving of the spite and derision from your camp, the contemptible innuendos and claims of their being consenting partners for Tommy's proclivities... when you can show I have done \*any\* like that... including the persons in your camp... then there may be truth in this allegation...

**QUOTE**

You have held yourself up as a paragon of perfection claiming that any an all individuals that disagree with you even on a miniscule point are somehow from the Devil.

This is becoming a constant refrain from your camp... as I said to your boy wwjd... show me where I have claimed perfection in any wise...much less holding myself up as a 'paragon of perfection'... or that all who disagree with me are "from the devil". You claim I do it continually, so you should not have any difficulty citing myriad posts when I have stated such.

You cant because I have never made such claims.

**QUOTE**

You can quote scripture - that doesn't make you holy or sanctified or saved, after all the Devil knows scripture backwards and forwards. You can quote Mrs. White, that doesn't mean you alone have applied her guidance correctly.

Again, I have never claimed to be the sole correct interpreter of EGW... but thank you for acknowledging that my application of her guidance was, in fact, correct. I have never quoted a scripture at any time to anyone in order to effect justification, sanctification or to be endowed with any personal holiness so again, you are firmly in the realm of either false witness against me or puerile delusion; you choose which.

For all of the questioning, belittling, disparagement ( and BTW, one casts \*aspersion\* on another's character... yeah; you've done that here too ) that you have done in this post, you have made two statements of truth... That my application of EGW is in fact true and correct and that I am being guided by God. I am sure it wasn't your intent to acknowledge either... but as you said... sometimes you let God lead. the rest is your working out the haterade in your system.

I am sorry to inform you that you don't rate my wrath... none of you does. you do, however have my pity... which, as this post shows, is certain to inculcate your wrath... but I'm not concerned one way or the other; I've been called worse... by better people... who were man enough to show their faces and state their names.

Neither you nor anyone else in your camp has refuted anything I've said BTW... you've complained that it wasn't said nice enough for your liking; you've supposed that since I have generally been right, that I must think I am always right... which is an errant supposition at best and an outright lie at worst... you've danced around the issues and done your level best to make me the issue to take the heat off the actual discussion...but you have refuted zip...nada. nil.. nothing.. zippo.

And your constant bombardment of weapons of mass distraction doesn't change that.

In His service,  
Mr. J
