BlackSDA _ 3ABN _ The Biggest Oxy-moron Of All Time

Posted by: September Aug 19 2006, 10:47 AM

I was just thinking this morning about how Danny is always saying that the Lord told him to start a ministry that would "counteract the counterfeit", etc. Know what I'm talking about? Now that the word is getting out that Danny himself is a counterfeit, it's kinda ironic, isn't it?

I think the buck stops there. It is something for us all to think about. Good thinking, September
