Counselor Duffy:

On December 17, 2009, Counselor Simpson stated:

“The MidCountry Bank documents have been returned to our offices.”

We are trying to clarify the meaning of “our offices.”

Was the original package of MidCountry Bank documents, which MidCountry Bank sent to the federal courthouse in Worcester, Massachusetts, and which Counselor Pucci had picked up from that courthouse on December 16, 2008, sent to the offices of Siegel Brill? If so, are the offices of Siegel Brill still in possession of that package, and does that package still contain everything it contained when it arrived at the federal courthouse in Worcester, Massachusetts?

An additional question: Whether or not the offices of Siegel Brill received the original package of MidCountry Bank documents that were responsive to our subpoena and sent to the federal courthouse, did the offices of Siegel Brill ever receive copies of any or all of the documents that were in that package?

Sincerely,

Bob Pickle, *pro se*
